Hi Doug – There are actually two ways you can find it.

1. Via the 'Dashboard' – go to "As Needed" reports, see 1st attachment.
2. Via the 'Apps, Requests, & Reports' – go to Assigned Forms and Reports, go to New & Draft Assigned Forms, see 2nd attachment.

Please know this is a very generic report. Basically asking a couple general questions and then you uploading documents.

If you have problems let me know.

Cindy

Good Morning Cindy,

Did you tell me that MiWaters had a spot to submit me RMP changes? If so where is it at?

Thanks Doug
