Subject: Cadillac WWTP - RMP Modification Applic submitted

Hi Donal – I rec'd an email message from Cadillac WWTP (Doug Langworthy) that they submitted an RMP Modification application in Miwaters. I see that it is there and it is in your name.

When you get the task, could you please switch all the areas that have your name listed to mine, so I can work on this application?

Thanks

Any questions, let me know.

Cindy
