

Local Development Finance Authority (LDFA) Board Minutes

A regular meeting of the LDFA board was held on Wednesday June 10, 2026, at City Hall.

Call to Order: Meeting was called to order by Chairman Schichtel at 10:31 AM.

I. Roll Call

Present: Tencza, Warner, Solomon, Sprik, Brown, Schichtel, Hamner, Peccia

Not Present: Johnson, and Theobald

Staff Present: Jeff Dietlin, Caitlin Torrey, Owen Roberts

II. Approval of Agenda

a. Motion made by Solomon, supported by Brown with unanimous approval.

III. Approval of minutes from May 20th Meeting

a. Motion made by Solomon, supported by Hamner with unanimous approval.

IV. Public Comments

a. N/A

V. Treasurers Report

a. Tencza went over the budget for the month of June. The fiscal year ends on 6/30/2026.

b. He made a recommendation to advance the conversation about special assessments.

c. Hamner thought it would be a good idea to gradually introduce something to the assessed industries.

VI. Review of Old Actions

a. Dietlin has talked to the carbon supplier. He calls about once a week, and they are waiting for their supplier so that they can get us the carbon. He will ask for a lead time.

b. He is waiting for the EPA to schedule a meeting with Fleis & Vanderbrink and GeoSyntec to talk about the monitoring well sampling plan.

VII. Special Assessment Subcommittee

a. Dietlin wanted to let the board know some information about the breakdown of the properties and how much revenue they previously brought in.

b. The subcommittee will consist of Hamner, Johnson, Tencza, Peccia and a rotation member being Brown, Warner, and Theobald. The meetings will take place an hour before the normally scheduled LDFA board meetings. The first one taking place 7/15/26 at 9:30 AM.

c. An additional agenda item will be added for an update to the board as a whole.

VIII. Groundwater Treatment Plant Operations (GWTP) Update

a. Dietlin gave an update on operations for the month of May. No chromium removed there is none coming in the plant. 7.6 lbs of VOCs removed for the month with 36.7 lbs removed year to date.

IX. Update on progress with Fleis & Vanderbrink

- a. Molly Sherwood joined via Microsoft Teams
- b. Warner asked for an update on sampling events. Molly said that the report for the first event was submitted in February. She met with the EPA shortly after to talk about the future. The first quarterly sampling event for 2026 was held in March. Just about submitted the report and she received a review letter from the EPA. Fleis & Vanderbrink is now working on trying to regroup and have not yet submitted the report for the sampling event in March. She made the edits requested by the EPA to the first report and is now working on making edits to the second report. The second sampling event for 2026 was supposed to take place on 6/15 but has been postponed until they are able to meet with the EPA and make the changes to the sampling plan that they would want. She needs to clarify with the EPA about the number of wells they will need to sample. She would like to see a reduction in testing for chromium/hexavalent chromium.

Solomon left the meeting at 11:29 AM

X. Public Comments

- a. N/A

XI. Committee Comments

- a. Dietlin talked about the fact that with the next meeting being in July on 7/15 we will have the Special Assessment Subcommittee meeting at 9:30 AM. He will be doing a quarterly report, we will have elections for board positions, and also, we need to set up a yearly calendar. Ask if there is any input from board members for them to let him know.
- b. Peccia asked for a statement from Dietlin about the EPA findings at the Kysor Site. Someone anonymously reported that they remembered barrels being buried there. The EPA was up and dug up 11 out of 12 sites and found nothing. There is no further action needed.
- c. Schichtel asked to have Theobald added to the subcommittee as one of the rotating members.

XII. Next meeting will be held on June 24th, 2026 at 10:00 AM this will be informational. Next regular board meeting is on 7/15/26 at 10:30 am.

XIII. Adjournment

Motion to adjourn made by Brown supported by Hamner with unanimous approval at 11:38 AM.

Local Development Finance Authority

200 N. Lake Street
Cadillac, MI 49601
(231) 775-0181

MEMORANDUM

To: Local Development Finance Authority Board
From: William Tencza, Treasurer
Subject: Treasurer Update for the Month Ended 5/31/2026
Date: 6/10/2026

LDFA Operating Fund The LDFA Operating Fund accounts for the operational costs of the groundwater treatment system.

Revenue Highlights

- No revenue for the month.

Expenditure Highlights

- The fund spent \$23,989.08 during the month on operations, highlighted by the following:
 - \$4,655.48 in wages and benefits for the employee that manages and maintains the treatment process.
 - \$14,126.30 in utilities costs, including:
 - Consumers Energy - \$13,879.98
 - City of Cadillac - \$62.48
 - DTE - \$183.84
 - Contracted lab testing costs of \$4,849.49 primarily to Pace Analytical for March sampling.
 - Small amount of Operating Supplies (\$237.81) and Repairs and Maintenance (\$120.00) for various small needs.
 - All paperwork has been submitted to Global Treatment Solutions for purchase of carbon. There is currently no ship/installation date available from the company. This replacement carbon will cost \$24,745.

LDFA Capital Projects Fund The LDFA Capital Projects Fund accounts for the receipt of tax captures and their utilization in accordance with the TIF plan.

Revenue Highlights

- Interest Earnings of \$4,334.93 on cash and investments totaling \$1,742,593.78.

Expenditure Highlights

- No expenditures in May.
