VI. LDFA Board Opening

- a. Dietlin explained that Tencza resigned. He thanked him for his service. He pointed out that there is an opening, and that we are going through our process to fill that vacancy.
- b. Theobald asked for a letter to be written in thanks from the board.

VII. Yearly Calendar

- a. Dietlin presented a copy of the schedule of board meetings for the year through July 2027. The meetings will be on the third Wednesday of every month.
- b. Theobald made a motion to approve the calendar with support from Brown and unanimous approval.

VIII. Review of Old Actions

- a. The carbon is not in service now. There were vacuum issues that had been fixed but after attempting to put it back in service, it was found that there was a seal that is broken. That is getting fixed soon and should then be in service.

IX. Groundwater Treatment Plant Operations (GWTP) Update

- a. Dietlin gave an update on Plant operations for the month of June. 62.13 million gallons of water were treated and 7lbs of VOC's were removed. For chrome nothing came in, and nothing went out.

X. Update on progress with Fleis & Vanderbrink

- a. Dietlin had a meeting with Molly, Matt from GeoSyntec, and the EPA. They asked the EPA to shutdown wells and asked to reduce VOC/chrome sampling. The EPA said yes but we have to submit the proper paperwork. The third sampling event is ending soon.

XI. Special Assessment Subcommittee Update

- a. Hamner updated the board on the overall timeline of the assessment. The subcommittee is also putting together a letter for the board to review. The purpose of the letter is to put some of the industries on notice so that they can get it into their budget for Fiscal Year 2027.
