CITY COUNCIL MEETING MINUTES

December 1, 2025

Cadillac City Hall - 200 N. Lake St. - Cadillac, Michigan 49601

CALL TO ORDER

The meeting was called to order by Mayor Schippers at approximately 6:00 pm.

PLEDGE OF ALLEGIANCE

ROLL CALL

Council Present: Elenbaas, Hopkins, Engels, French, Mayor Schippers

Council Absent: None

Staff Present: Peccia, Dietlin, Waldo, Bertram, Homier (via Zoom), Wasson

APPROVAL OF AGENDA

2025-268 Approve agenda as presented.

Motion was made by Elenbaas and supported by Engels to approve the agenda as presented.

Motion unanimously approved.

PUBLIC COMMENTS

Greg Bock, Salvation Army, requested a moment of silence for Rebecca Park and her missing child.

PFAS UPDATE

Peccia read a document titled “PFAS Grant Talking Points for 12/01/25 City Council Agenda” (see attachment).

Mayor Schippers noted it started with citizens coming here and speaking, with Council responding and then with staff responding to Council by looking for ways to make it happen. She stated this remarkable staff, Council, and citizens of this City have made this mind-blowing thing happen for our community.

CONSENT AGENDA

2025-269 – Approve consent agenda as presented.

Motion was made by Elenbaas and supported by French to approve the consent agenda as presented.

Motion unanimously approved.

COMMUNITY SPOTLIGHT

A. Cadillac Salvation Army

Greg Bock, Salvation Army, noted the Salvation Army has been in the Cadillac community

since 1887 meeting human needs in Jesus' name without discrimination. He stated they are in the red kettle season, which is their biggest fundraising campaign of the year. He noted in the last fiscal year the Salvation Army of Cadillac assisted residents in Wexford, Missaukee, and Kalkaska Counties. He discussed the amount of money spent in the last fiscal year to assist with electric service payments; natural gas, wood, pellets and propane; personal care and household supplies; vouchers for the Thrift Store; and food.

Bock noted they received funding from private donors for a shower trailer they can use in case of emergencies for house fires but also to take around to homeless encampments or to park it at a centrally located spot to allow homeless people to take a shower.

Bock stated when he responds to an emergency scene and people thank him, it is his joy and honor to tell them not to thank him because he's just the person that gets to put into action the generosity of a community that gives during a red kettle season or gives all year long. He thanked Council and those watching for giving during the red kettle season and encouraged people to sign up to ring a bell or get involved at www.registertoring.com.

PROCLAMATION

A. Water and Wastewater Professionals Workforce Week

Mayor Schippers read a proclamation from Governor Gretchen Whitmer proclaiming December 8-14, 2025 as Water and Wastewater Professionals Workforce Week in Michigan (see attachment). She presented the Proclamation to Jeff Dietlin, Director of Utilities, and Cindy Tomaszewski, Laboratory Supervisor.

Dietlin noted he has a great staff and all the credit goes to them.

MINUTES AND REPORTS OF BOARDS AND COMMISSIONS

A. Cadillac West Corridor Improvement Authority

PUBLIC COMMENTS

Michelle Trivieri commented on the grant and noted she would like the work to start with the wells that are really impacted with PFAS. She thanked Greg Bock from the Salvation Army.

Greg Bock, Salvation Army, noted their goal for this Christmas season is \$300,000 which is the biggest they have ever had and it's because they are doing a lot more than they have ever done. He stated as long as he and his wife are in command of this Salvation Army, every person is welcome.

GOOD OF THE ORDER

Elenbaas thanked Peccia, Dietlin and everyone involved in getting the grant.

The other Council Members also thanked everyone involved.

Mayor Schippers noted that while this is indeed a miracle, this is a miracle that happened because of

persistence and good quality work.

ADJOURNMENT

Respectfully submitted,

Tiyi Schippers, Mayor

Sandra Wasson, City Clerk

DRAFT

PFAS GRANT TALKING POINTS FOR 12/01/25 CITY COUNCIL AGENDA

- Good Evening, Members of Council, Staff, and everyone tuning in.
- I am incredibly proud to announce that the results from the tireless efforts from our Utilities Director, Jeff Dietlin, and Engineering, Connie Boice and her team at Prein and Newhof, will forever positively impact the lives of many within our community.
- Tonight, I am humbled to advise that the City of Cadillac has been notified of a remarkable grant award larger than any grant award thus far during my tenure as City Manager, and possibly the largest grant award in the history of the City!
- The City of Cadillac has been awarded an \$8.2 million (dollar) grant from the Michigan Department of Environment, Great Lakes, and Energy (EGLE) through the federal Emerging Contaminants in Small or Disadvantaged Communities (EC-SDC) program.
- This multi-year effort reflects Cadillac's ongoing investment in water infrastructure and its collaboration with EGLE to protect groundwater and preserve long-term water quality.
- This funding will fully support Cadillac's comprehensive PFAS Management Plan, reinforcing the City's commitment to providing clean, safe drinking water for all.

About the EC-SDC Grant Program

- The Emerging Contaminants in Small or Disadvantaged Communities (EC-SDC) grant program helps communities address PFAS and other emerging contaminants that threaten public drinking water systems. Funding supports planning, design, and construction of infrastructure needed to reduce or eliminate exposure to contaminants of concern.
- This grant represents a major step forward in our efforts to safeguard public health and protect our water resources. Cadillac has been determined and steadfast in addressing PFAS and other emerging contaminants, and this funding allows us to move from planning to construction, ensuring clean, reliable municipal water for residents who currently rely on private wells.
- The project will extend municipal water service to hundreds of properties currently using private wells, including neighborhoods where PFAS impacts have been confirmed.

- Phase 1: Connects approximately 170 households along designated routes, including a water main extension along Marathon Drive.
- Phase 2: Provides service to approximately 70 additional homes where municipal water is not currently available, also through the extension of a water main.
- It is also planned, under both phases, for the grant funding to cover the costs for the installation of the private service line from the property to the water main, and for the private wells to be properly closed and abandoned once the property is connected to the City's water system.
- This grant builds on these efforts by extending safe, regulated municipal water to residents who do not currently have access. Water safety is not just about compliance; it is about stewardship. This grant reinforces Cadillac's leadership in protecting public health and ensures that the benefits of safe drinking water reach our entire community.
- It is possible that funding may be available with the project to also connect adjacent areas outside of the City, such as Mary Street in Haring Township, to the City's PFAS free municipal water system.
- Annexation, as I understand, would not be a requirement from the State, however the properties receiving City water would need to be customers of the City's system, and that could be done through an intergovernmental agreement between the City and the Township.

Next Steps

- While the City of Cadillac has secured federal EC-SDC grant funding for this project, EGLE is still awaiting Michigan legislative authorization to spend the funds. As a result, EGLE will not be able to enter into a grant agreement with the City until the state legislature provides this authorization.
- Construction is desired and anticipated to begin in 2026, with substantial completion expected in late 2027, pending legislative approval.
- The grant will operate on a reimbursement basis, and the City will continue to provide updates as planning and environmental review steps progress. Information, such as design plans, on-site work, and timelines, will be provided to all properties that will be part of this significant project once available, which at this time is unknown, again, until the Michigan legislature provides the necessary authorization for EGLE.

- This is truly an incredible opportunity, and an enormous accomplishment and win for Cadillac. It all starts with City Council and their support. I also need to reiterate how this would not be possible without the hard work and efforts from my staff and acknowledge those that have worked very hard advocating for Cadillac, especially Matt Schichtel and Brian Warner who are members of our Local Development Finance Authority.
- Cadillac's public water system continues to meet all federal and state drinking water standards, including those for PFAS, which according to routine testing, does not have any detection of PFAS in its system. The City has proactively tested and monitored PFAS compounds and continues to do so.

STATE OF MICHIGAN

CERTIFICATE OF PROCLAMATION

ON BEHALF OF THE PEOPLE OF MICHIGAN,
I, Gretchen Whitmer, governor of Michigan, do hereby proclaim

December 8-14, 2025

as

WATER AND WASTEWATER PROFESSIONALS WORKFORCE WEEK

WHEREAS, water is one of our most valuable resources in Michigan and is necessary to sustain life; and,

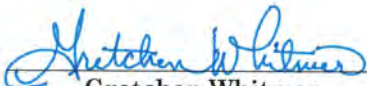

WHEREAS, a clean and abundant supply of water is important for the protection of public health for the citizens of Michigan; and,

WHEREAS, the drinking water and wastewater industry assists in the creation of jobs, attracts industry and investment, and provides safe recreational opportunities for Michigan residents; and,

WHEREAS, Michigan's certified drinking water and wastewater treatment workers focus on infrastructure, facilities, and services that are of vital importance to sustainable and resilient communities; and,

WHEREAS, the water and wastewater professionals' mission overall is to protect the public health, quality of life, and well-being of the people of Michigan;

NOW, THEREFORE, I, Gretchen Whitmer, governor of Michigan, do hereby proclaim December 8-14, 2025, as Water and Wastewater Professionals Workforce Week in Michigan.

Gretchen Whitmer
Governor

WEXFORD COUNTY COUNCIL ON AGING

50TH ANNIVERSARY PROCLAMATION

WHEREAS, the Wexford County Council on Aging (COA) was established in 1975 to serve and support older adults in Wexford County; and

WHEREAS, the COA provides essential services such as in-home support, adult day care, and resource connections to help seniors remain independent and engaged in the community; and

WHEREAS, the COA serves hundreds of seniors aged 60-100 annually and partners with local organizations to ensure older adults have access to the care and support they need; and

WHEREAS, the COA was funded fully by donations at the beginning stage until 2000 when they became funded by millage support. Currently, they are receiving over \$1.3 million in funds which allows the council to expand programs, add staff, and continue meeting the needs of local seniors; and

WHEREAS, programs and services have grown over the years to include housekeeping services like cooking, cleaning, and laundry assistance, respite care for caregivers, personal care needs like medication set-up, and options counseling; and

WHEREAS, the COA, now in its 50th year, continues to be a valuable resource for seniors' individual needs and their families who are seeking guidance to support their loved ones.

NOW, THEREFORE, join me, Tiyi Schippers, Mayor of the City of Cadillac, in recognizing the 50th anniversary of the Wexford County Council on Aging for providing much needed services to our seniors countywide this 15th day of December, 2025.

Tiyi Schippers, Mayor

City of Cadillac

December 15, 2025

Council Communication

Re: Calendar Year 2026 Council Meeting Schedule

Pursuant to Article 3, Section 3.2 of the City Charter, the City Council shall meet at least once per month on a regular day and hour to be established by the City Council.

In the past, the City Council has set its annual, regular meeting schedule for the first and third Mondays of the month at 6:00 PM unless of a conflict due to the proximity of holidays where City offices are closed, or if it is the day before an election. It is common for staff to take vacation/personal time off when City Offices are closed for holidays, and the Council Chambers are commonly used and need to be set up to accommodate elections the day before.

Recommended Action

It is recommended that the 2026 City Council Meeting Schedule be approved as follows, with Regular Council Meetings monthly on the first and third Mondays starting at 6:00 p.m. except for the following months to avoid conflicts with holidays and elections:

- January – Due to New Years and Martin Luther King Jr. Holidays, schedule one regular meeting for the third Tuesday, January 20, 2026.
- February – Due to Presidents' Day, on February 16th, schedule one regular meeting for the first Monday, February 2nd.
- July – Due to the Independence Day holiday, schedule one regular meeting for the third Monday, July 20, 2026.
- August – Due to the State Primary Election, schedule one regular meeting for the third Monday, August 17, 2026.
- September – Due to Labor Day, schedule one regular meeting for the third Monday, September 21, 2026.
- November – Due to the State General Election, schedule one regular meeting for the third Monday, November 16, 2026.

Note, City Council may call, as always, for additional special meetings whenever necessary with eighteen-hours' notice in accordance with the Open Meetings Act. Should other special elections be scheduled, or if any other conflict arise a cancellation recommendation would come forward.

December 15, 2025

Council Communication

Re: Emergency Purchases

The City recently incurred three emergency purchases, including:

- **Demolition of 536 Cedar Street** – this property went through the condemnation process and the City received approval through the court to demolish the home. The project was competitively bid and went to the lowest fully compliant bid of \$17,000. The property contained asbestos materials and therefore had to be completed by a contractor that was certified to handle and properly dispose of these hazardous materials. The demolition remedied a blighted property that was presenting significant public safety hazards. Costs will be recorded as a lien on the parcel, but the value of the property is expected to be well below the costs incurred.
- **Repair of street light electrical box** – a control box for street lighting near the Shell gas station on Mitchell Street/Stimson Street intersection was destroyed when it was hit by a vehicle. Two quotes were received for the repair, the lowest quote was awarded the project, and the repair should begin very soon. The total cost of this repair is expected to be \$10,775. The City worked with the insurance company for the party that caused the damage and the company has issued a check in the amount of \$10,062.50 for the repair. There was a small depreciation reduction based on the age of the equipment that was destroyed.
- **Replacement radios (Cadillac Fire Department)** – four portable radios for front-line firefighting staff began to fail last spring. Because of the lead time required to order, receive, and program the radios, an order was placed immediately. These radios have been received and are in service and the invoice was recently paid in the amount of \$17,275. Once new radios are purchased with the recently-awarded federal grant, these radios can still be used as backups, transferred to another City department, or even resold.

Elected Officials Compensation Commission

Minutes

Monday, December 1, 2025

1:00 P.M.

City of Cadillac

200 N. Lake St.

Cadillac, MI 49601

Members Present: Jack Dillon, Mickey Putman, Dan Alto, Sylvia Resier, Robert Durant

Members Absent: None

Staff Present: Sandra Wasson, City Clerk

I. CALL TO ORDER

The meeting was called to order by Chairperson Dillon at 1:00 p.m.

Chairperson Dillon submitted a letter of resignation from the Commission to be effective at the conclusion of this meeting.

II. APPROVAL OF AGENDA

- Approved by unanimous consent on motion by Putman, supported by Alto to approve the agenda as amended to add Election of new Chairperson under New Business.

III. APPROVAL OF MINUTES

- Approved by unanimous consent on motion by Alto, supported by Durant to approve the minutes from the November 20, 2023 meeting.

IV. PUBLIC COMMENTS

There were no public comments.

V. NEW BUSINESS

A. Discussion and possible determination on salaries of all City elected officials.

Commission Members reviewed and discussed information regarding City

Council Annual Salary - Calendar Years 2005 to 2025 and Council/Commission compensation information from Big Rapids, Manistee and Ludington (see attached). They also discussed the various duties and time commitments of the Mayor and other Council Members.

- Motion was made by Putman and supported by Durant to increase the City Council salaries for the years 2026 and 2027 as follows:

<u>Year</u>	<u>Council Member</u>	<u>Mayor</u>
2026	\$3,600	\$5,100
2027	\$3,600	\$5,100

Ayes: Dillon, Putman, Alto, Reiser, Durant

Nays: None

Motion carried.

B. Election of new Chairperson

Dan Alto stated he is willing to serve as Chairperson.

- Approved by unanimous consent on motion by Putman, supported by Durant to appoint Dan Alto as the new Chairperson.

VI. ADJOURNMENT

- The meeting was adjourned by Chairperson Dillon at 1:13 p.m.

Respectfully submitted,

Sandra L. Wasson
City Clerk

MEETING MINUTES
Cadillac Zoning Board of Appeals (ZBA)
5:30 P.M.
October 16, 2025

CONVENE MEETING

Chairperson Nichols called to order a meeting of the Cadillac Zoning Board of Appeals at 5:30 p.m. on October 16, 2025.

ROLL CALL

MEMBERS PRESENT: Nichols, Coy, Hutchinson, Host, Brown

MEMBERS ABSENT: Bontrager, Ault

STAFF PRESENT: Waldo, Timmer, and Mackenzie Almassian (City Attorney, FosterSwift, attended remotely)

APPROVAL OF MEETING AGENDA

Motion by Brown to approve October 16th, 2025, meeting agenda with the addition Joint Planning Development Meeting under New Business. Supported by Hutchinson. The motion was unanimously approved on a roll call vote.

APPROVE OF JULY 17, 2025 MEETING MINUTES

Motion by Brown to approve July 17, 2025, meeting minutes. Supported by Coy. The motion was unanimously approved on a roll call vote.

PUBLIC COMMENT

None.

COMMUNICATIONS

Variance Approval Process Refresher. Almassian gave an overview of the memo prepared by legal staff regarding the process of approving a variance.

Zoning Code Rewrite. Waldo gave an update on zoning code rewrite and the establishment of the Advisory Committee. Waldo stated that the advisory committee will be meeting on October 31st at 10:00am.

PUBLIC HEARING AND BOARD ACTION

Variance application filed by Midway Signs, on behalf of Bry-Lex Cadillac LLC owner of 903 N Mitchell St, requesting a sign setback variance of 6 ft.

Waldo gave a brief presentation on the proposed variance request and cited the standards detailed in section 46-69(4) as outlined in the staff report.

Jason L, the applicant, addressed the board. Jason spoke on the sign and the site design. Jason stated that he believes designing a smaller sign would be a traffic safety concern

Coy asked the applicant about the second tenant and where the signage would be. Jason stated that the blank space on the bottom will be used for the second tenant. Coy stated that he would like to see the site plan that Planning Commission approved.

Nichols opened the public hearing. There being no public comment Nichols closed the public hearing.

Motion by Coy to table the variance request for 903 N Mitchell St, asking for the board to be supplied with prior Planning Commission approved site plan and that the applicant supply more information as to why the property has an undue hardship or practical difficulty. Supported by Brown. The motion was unanimously approved on a roll call vote.

Variance application filed by Jada & Doug Schmittling owners of 1302 Walnut St, requesting a side yard variance of 5 ft on both sides, and a rear yard variance of 15ft.

Waldo gave a brief presentation on the proposed variance request.

Jada Schmittling, applicant, addressed the board. Schmittling stated that her and her husband live just down the street at 1103 Walnut. Schmittling stated that they enjoy the neighborhood they live in but desire a larger home so when the lot at 1302 Walnut came up for sale they decided to purchase.

Nichols open the public hearing. There being no public comment Nichols closed the public hearing.

Coy stated that a 60ft lot in the city is a buildable lot. Coy suggested that a redesign of the home take place to fit the lot. Coy stated that he feels a 10% variance is an achievable request, an that this request is too large for approval.

Brown asked about the demolition of the existing home on the property. Schmittling stated that there was an electrical fire a few years ago and the previous homeowners demolished the home and put the property up for sale. Brown voiced his concerns on sight lines on the corner lots. Brown encouraged the applicant to seek other home designs that would better fit the property.

Motion by Brown to deny the variance request for 1302 Walnut St, due to the lack of exceptional practical difficulty. Supported by Coy. The motion was approved unanimously on a roll call vote.

NEW BUSINESS

Joint Planning and Development Meeting.

Waldo stated that this is requirement for the RRC Waldo asked for the ZBA to designate two members to attend the meeting and present a recap of what the board has accomplished this year. Nichols and Brown voiced their support of attending this meeting.

OLD BUSINESS

None.

BOARD MEMBER COMMENTS

Brown appreciated the board discussion and constructive discourse that took place at this meeting. Coy voiced his experience in Planning and Zoning and applauded Waldo on her work. Hutchinson asked about the sign standards laid out in section 46-64(j) of the ordinance. Waldo spoke about the application fees and the need for fees to be increased due to not covering publication costs. Nichols spoke about the history of applications and his opinion on the need for fees to be increased. Hutchinson suggested that there be an application fee as well as the publication cost fee.

PUBLIC COMMENTS

None.

ADJOURN

There being no further business, Brown adjourned the meeting of the ZBA at 6:30 P.M.

Planning Commission
October 27, 2025, Meeting Minutes

Call to Order

Meeting was called to order at 6:00PM

Roll Call

Planning Commission members present: Van Pelt, Schippers, Putvin, Fent, Host, Rice, Bosscher
Planning Commission members absent: Baumann, Bunce
Staff: Waldo, Timmer, Peccia & Mallory Reeder with Foster Swift

Approval of Agenda for October 27, 2025

- A. Motion to approve October 27, 2025, agenda by Schippers. Supported by VanPelt.
 - a. Motion approved unanimously.

Approval of September 29, 2025, Meeting Minutes

- A. Motion to approve September 29, 2025, minutes by Bosscher. Supported by VanPelt.
 - a. Motion approved unanimously.

Public Hearings

- A. Application filed by Jennifer & Bryan Haney, requesting that property, 407 E Chapin St, be rezoned from R-3 to RM-1.
 - a. Waldo gave a brief presentation regarding the rezoning request.
 - b. The Haney's gave a presentation containing their background and the proposed use of the property.
 - c. Putvin opened the public hearing
 - d. Bruce Welliver, 302 E Chapin St, referenced his submitted written comment, that was included in the commissions packet. Welliver expressed his concerns regarding the rezoning and the change in permitted uses in RM-1. Welliver cited section 46-163(8)p of the ordinance and suggested that the property remain R-3 and grant a Special Land Use(SLU) to allow for a business to operate.
 - e. Martin Dubravec, 406 E Chapin St, stated that he likes Welliver's idea and if it's allowed by ordinance, he would support such use. Dubravec commended the Haney's presentation and their proposed use. Dubravec spoke in support of the Bed and Breakfast.
 - f. Barbara Van Laeken, 211 Prospect St, spoke in support of the Bed & Breakfast and single-family home options for this property. Opposed to Multi-Family use of the property.
 - g. Dan Salm, 430 E Chapin St, spoke in support of the Bed & Breakfast activity.
 - h. Putvin closed the Public Hearing
 - i. Putvin asked staff if Bed & Breakfast could be allowed by SLU in the R-3 district. Staff explained the allowed uses in the RM-1 and R-3 districts. Currently, R-3 district does not allow Bed & Breakfast by right or SLU. Timmer explained section 46-163(8)p that Welliver cited and how the interpretation of 'business uses that are beyond the scope of

- customary home occupation' would not include Bed & Breakfast, as Bed & Breakfast is defined by ordinance.
- j. Bosscher asked the definition of Roominghouses verse Bed & Breakfast. Timmer sited the definitions by ordinance.
 - k. Discussion took place on the difference between rezoning and conditional rezoning.
 - l. Jennifer Haney, applicant, addressed the Board. Haney stated that she does not want to see the home turned into a Multi-Family property. Haney stated their wishes are for the home to remain Single-Family or be used as a Bed & Breakfast. Haney stated that she would like to withdraw their application for Rezoning 407 E Chapin St from R-3 to RM-1.
 - m. Bosscher thanked the applicant for their presentation and their willingness to protect the neighborhood.
 - i. Motion by Fent to accept Haney's request to withdraw their rezoning request for 407 E Chapin St. Supported by Bosscher. Motion approved unanimously.

New Business

- A. North Lake Street Flats – Sketch and Final Site Plan Approval
 - a. Waldo gave a brief presentation on the site plan.
 - b. Michael Lake, applicant, addressed the board. Lake provided a correction to Waldo's staff report. Lake stated the masonry wall noted in the staff report has been removed from all site plans and was not on the previously approved site plan nor the one that is requesting approval today. Lake stated that the plan presented today is the same as was previously approved with the only changes being to the drainage system, landscaping and deck post locations.
 - c. Bosscher asked about the parking requirements and landscaping. Timmer stated that Planning Commission has the ability to waive certain requirements under the RPUD standards, parking & landscaping are included in this. Timmer provided further context on these requirements and stated that staff feel the proposed parking and landscaping are sufficient.
 - i. Motion by Schippers to approve the amended Sketch and Final Site Plan for North Lake Street Flats as presented. Supported by Van Pelt. Motion approved unanimously.
- B. Joint Planning & Development Meeting
 - a. Waldo stated that this meeting is a requirement of our RRC (Redevelopment Ready Community) designation. The meeting will be held at the January 26th, 2026, Planning Commission meeting. Two members from each board and commission are asked to attend to provide an update.

Communications

- A. Zoning Code Rewrite Update
 - a. Waldo provided an update on the rewrite process and reminded the commission that there is an Advisory Committee meeting this Friday, October 31st at 10:00am.

Adjourn at 7:31pm
