CITY COUNCIL MEETING MINUTES

February 2, 2026

Cadillac City Hall - 200 N. Lake St. - Cadillac, Michigan 49601

CALL TO ORDER

The meeting was called to order by Mayor Powell at approximately 6:00 pm.

PLEDGE OF ALLEGIANCE

ROLL CALL

Council Present: Elenbaas, Hopkins, French, Mayor Powell

Council Absent: Engels

Staff Present: Peccia, Roberts, Dietlin, Waldo, Ottjepka, Homier (via Zoom), Wasson

APPROVAL OF AGENDA

Peccia noted there is a slight adjustment to the agenda requesting the removal of the adoption of a resolution regarding a charitable gaming license. He stated the entity that requested it has advised that they are no longer going to be pursuing that activity.

2026-025 Approve agenda as amended.

Motion was made by Elenbaas and supported by Hopkins to approve the agenda as amended to remove the Local Governing Body Resolution for Charitable Gaming License for the Viking Softball Association (Item X-A).

Motion unanimously approved.

PUBLIC COMMENTS

Mary Galvanek expressed concerns about the leadership of Cadillac and changes to rental prices at The Market.

Greg Bock, Captain Salvation Army, noted the Salvation Army has never ceased to operate but they did close their drop-in center. He stated when they relaunch their programming they will have a more structured community center.

COMMUNITY SPOTLIGHT

Adam Ottjepka, Director of Public Safety, provided brief background information on Lieutenant Wes Owens and Firefighter Bob Verdi of the Cadillac Fire Department. He stated on September 3, 2025 the Cadillac Fire Department was dispatched to a residential structure fire in Haring Township with reports of a person trapped inside. He noted upon arrival firefighters observed heavy fire and smoke. He stated Firefighter Verdi, Lt. Owens, and a firefighter with Haring Fire Department began a search of the structure. He noted after completing a main floor search, they continued to the basement where Firefighter Verdi located a male subject on the couch in the basement. He stated the three firefighters extracted him up the stairs to awaiting EMS where he was transported to Munson Hospital for further

treatment.

Ottjepka stated for these actions Lt. Wes Owens and Firefighter Bob Verdi are being presented with the City of Cadillac Life Saving Award.

PFAS UPDATE

No update provided.

PUBLIC HEARINGS

- A. Public hearing to consider adoption of Ordinance to Amend the Zoning Ordinance to Conditionally Rezone Property (407 E. Chapin Street).

Theresa Waldo, Community Development Director, provided a presentation regarding the Conditional Zoning Request – 407 E. Chapin St. (see attachment).

Mayor Powell opened the public hearing.

There were no public comments.

Mayor Powell closed the public hearing.

French stated she attended the Planning Commission meeting and all the neighbors showed up to support the conditional rezoning of the property. She noted she was impressed by how the Planning Commission listened to the public comments and worked with owners to arrive at a change in the request that made it amenable to everyone.

Elenbaas asked if someone will be living in the home full-time running the bed and breakfast.

Jennifer Haney stated that she and her husband will be living in the home full-time.

2026-027 Adopt Ordinance 2026-01.

Motion was made by Hopkins and supported by French to approve the reappointment of Mike Coy to the Election Commission for a 4-year term to expire on March 7, 2030.

Motion unanimously approved.

CITY MANAGER'S REPORT

A. Recommendation regarding amendments to the LDFA Bylaws.

Peccia stated the new bylaws and the original are part of the public packet. He noted the Local Development Finance Authority (LDFA) has been working on these for a year.

Jeff Dietlin, Director of Utilities, explained some of the changes that were incorporated into the new LDFA Rules. He noted the LDFA is trying to tighten it up and make it more manageable so we can make sure that we reach all the goals of the cleanup of the LDFA area.

French stated they are now called Rules instead of Bylaws.

Dietlin stated there is nothing in the statute that says there must be bylaws so the LDFA decided to make them Rules.

French asked who had input into this process.

Dietlin noted we sent out the Bylaws to the entire LDFA Board and they made comments on what they wanted to see changed. He stated it was then sent to legal to make sure that certain changes could be made. He noted we sent out the final version to be reviewed and everybody had an opportunity to make their final comments which were then addressed.

Dietlin stated the new Rules were passed unanimously at the last LDFA meeting. He noted the original Bylaws stated that they have to be brought to City Council to review, approve the changes and then they'll be enacted.

French stated she attended a lot of those meetings. She noted this process has been ongoing and there's been a lot of input from the LDFA Board members, so it seems like it's been well vetted by all of the interested parties including legal.

2026-035 Approve proposed changes to the LDFA Bylaws.

Motion was made by Elenbaas and supported by French to approve the proposed changes to the LDFA Bylaws as presented and as approved unanimously by the LDFA Board.

Motion unanimously approved.

B. Recommendation regarding Clean Water State Revolving Project Plan and Funding Assistance Proposal.

Peccia stated the Cadillac wastewater treatment plant has postponed several needed upgrades and consolidated a number of these projects into one project in the Capital Improvement Program. He noted the plan was to pool those needed upgrades into one project, utilizing debt capacity created by upcoming final payments related to two existing debt issues (2026 and 2028) to fund the project. He stated this would enable the department to make significant and much-needed upgrades to the wastewater facilities and equipment.

Peccia noted to maintain the ability to apply for the Clean Water State Revolving Project (CWSRF) funding, a project plan needs to be developed and submitted to the state by May 1, 2026. He stated Fleis & VandenBrink assisted the City in submitting a CWSRF Intent to Apply in October 2025 which positions us to pursue the funding through Michigan Department of Environment, Great Lakes, and Energy (EGLE) for fiscal year 2027. He noted this project plan would be valid for 5 years so if we choose to apply at a later date this project plan would still be valid.

Peccia stated Fleis & VandenBrink has submitted a Proposal for Professional Engineering Services to prepare the Clean Water State Revolving Fund Project Plan. He noted the recommendation is to waive competitive bidding and to approve an agreement with Fleis & VandenBrink in the amount of \$36,800.

Dietlin noted they would prepare the plan and to get the 2027 funding we would have to submit in May. He stated if Council decided not to submit in May we could hold it off a year. He noted if we did submit in May and it was offered to us the state would expect us to accept it.

Owen Roberts, Director of Finance, noted that the timing of the 2027 funding has been part of our last couple years of rate analysis by John Kaczor with Municipal Analytics.

2026-036 Waive competitive bidding.

Motion was made by Elenbaas and supported by Hopkins to waive competitive bidding regarding the Clean Water State Revolving Project Plan and Funding Assistance proposal.

Motion unanimously approved.

2026-037 Approve agreement regarding Clean Water State Revolving Project Plan and Funding Assistance Proposal.

Motion was made by Elenbaas and supported by Hopkins to approve an agreement with Fleis and VandenBrink to prepare a Clean Water State Revolving Project Plan and Funding Assistance proposal in the amount of \$36,800.

Motion unanimously approved.

C. Set Public hearing for Community Development Block Grant.

Peccia noted the City of Cadillac has been designated \$675,000 in funding through a Community Development Block Grant (CDBG). He stated this grant would be able to be used to make an assortment of improvements to forty owner-occupied homes that meet certain criteria within the community. He noted under the regulations for pursuing a CDBG, we are required to facilitate a public hearing to allow for public participation and comment.

2026-038 Set Public hearing for Community Development Block Grant.

Motion was made by Hopkins and supported by French to set a public hearing for March 2, 2026 to allow for public participation and comment on the proposed CDBG-funded rehabilitation program, as required by federal regulations.

Motion unanimously approved.

D. Hardship (Poverty) Exemption Policy

Peccia noted Public Act 390 states that the governing body of the local assessing unit shall determine and make available to the public the policy and guidelines the local assessing unit uses for granting hardship (poverty) exemptions. He stated it requires local units to annually adopt a policy, including an asset test used to approve or deny poverty exemptions. He noted the revision to our existing policy establishes the 2025 Health and Human Services Poverty Guidelines.

2026-039 Adopt updated Hardship (Poverty) Exemption Policy.

Motion was made by Elenbaas and supported by Hopkins to adopt the updated Hardship (Poverty) Exemption Policy utilizing the 2025 Health and Human Services Poverty guideline as well as a \$50,000 asset guideline, excluding the primary home.

Motion unanimously approved.

E. Setting of Budget Related Work Sessions

- Goals & Capital Improvement Program Review on March 16, 2026 at 4:15 p.m.
- Fiscal Year 2027 Budget Review on April 6, 2026 at 4:15 p.m.

2026-040 Approve budget work session dates & times.

Motion was made by Elenbaas and supported by Hopkins to approve the budget work session dates & times as presented.

Motion unanimously approved.

F. Winter Operations Update

Peccia noted our Finance Director, Owen Roberts, oversees our Public Works Division.

Roberts provided an update on winter operations (see attachment).

Dietlin noted that after they flush out the hydrants in the fall, they prepare the hydrants for winter by making sure they are pumped out and dry. He stated they plow snow around the 576 hydrants to make them available for the Fire Department. He noted they measure the frost levels throughout the system. He stated this last week the frost went down 41 inches deep. He noted we have a three-tiered run water system:

- Tier One – residents who historically have frozen pipes every year regardless of the weather
- Tier Two – residents who have had their lines freeze in the past
- Tier Three – the whole City

Dietlin noted we did send out letters today for the 50-60 people that historically have frozen lines. He stated it costs us about \$1,500 per month to have them run their water because we will reimburse them \$25 per month.

Dietlin noted the large size of the Ice Tree by the Library.

Peccia noted when the thaw occurs and the structure melts, the poles are designed to break away so they don't fall across the street.

Dietlin emphasized that if a resident receives a run water notice they should continue to run their water at one gallon every 15 minutes until they receive a letter from us telling them that they can shut off their water.

PUBLIC COMMENTS

There were no public comments.

GOOD OF THE ORDER

Peccia noted the Downtown Development Authority (DDA) is preparing for their new role in managing the facilities in the Cadillac Commons. He stated they have recently adopted a new reservation policy along with a rate structure. He noted an open house will be held on Monday, February 9th from 4-6 pm at The Market. He stated at the open house, people will have the opportunity to meet with members of the DDA and staff that will be responsible for managing the program. He noted there will also be an opportunity for questions and answers and they will be livestreaming on Facebook.

Peccia noted he wanted to address some public comments that were made earlier in the meeting. He stated he has to address accusations when they are levied against the City. He noted there is no corruption regarding the new Cadillac Commons program under the authority of the DDA, regarding our water services, or regarding any of our services. He stated they are not corrupt and he is not corrupt.

Peccia stated the process of moving the management of the Cadillac Commons to the DDA has been very transparent. He noted there were numerous meetings held about moving that authority to the DDA and it went through a legal review.

Peccia noted it is completely pathetic that he and his wife are being slandered. He stated that talking about bullying is outrageous, vile and simply untrue. He stated neither one of us has any time or desire in our lives to engage in such nonsense. He noted in his opinion it is a pathetic attempt to smear him and his wife, to embarrass them publicly, and to embarrass the City.

Peccia stated the opportunity for public comment is a right that is provided. He noted we don't fact check what people say, we don't ask people to tell us what they are going to say or require that they only comment about items on the agenda.

Mayor Powell stated it would be nice if people wouldn't reply to some of those comments.

French noted there is a zoning meeting occurring on Wednesday.

Waldo stated that on Wednesday, February 4th from 6:00-8:00 pm at the wellfield there will be an open house for the zoning ordinance rewrite. She noted our consultant from Progressive and her team will be in attendance. She stated survey number two was released today and people can scan the QR code or go to the City's website to take the survey.

French noted this is another opportunity for transparency in the process of the rezoning efforts.

Mayor Powell stated it has been interesting to watch and listen, and the interaction part was wonderful last time.

Mayor Powell thanked Wes Owens and Bob Verdi of the Cadillac Fire Department for their service.

Mayor Powell noted that this is the only meeting that will be held in the month of February due to Presidents' Day.

Mayor Powell thanked Ken, Gabe, and the entire crew for everything they have done this year.

ADJOURNMENT

CONDITIONAL REZONING REQUEST – 407 E CHAPIN ST.

THE CADILLAC PLANNING COMMISSION UNANIMOUSLY APPROVED A RECOMMENDATION TO COUNCIL FOR THE CONDITIONAL REZONING OF 407 E CHAPIN STREET AT THEIR NOVEMBER 24, 2025 MEETING.

PROPERTY OWNERS JENNIFER AND BRYAN HANEY ARE SEEKING TO CHANGE THE ZONING FROM R-3 (ONE-FAMILY RESIDENTIAL) TO RM-1 (MULTIPLE-FAMILY RESIDENTIAL), WITH THE CONDITION THAT THE PROPERTY BE USED ONLY AS A SINGLE-FAMILY HOME OR A BED AND BREAKFAST, PENDING SPECIAL LAND-USE APPROVAL.

PROJECT DETAILS & COMMUNITY IMPACT

- The Frank J. Cobbs House, a historic 1898 home designed by George Mason and located in Cadillac's historic district, is proposed for conversion into a traditional, owner-occupied, three-room bed and breakfast.
- Supported by the Historic District Commission, the Haney's plan to preserve the home's historic character and align the project with the city's zoning ordinance and Master Plan for adaptive reuse in transitional areas near downtown.
- The business will not operate on short-term rental platforms, and the owners have committed to meeting all regulatory, building, and code requirements.

STAFF RECOMMENDATION & NEXT STEPS

1. Staff finds the rezoning request compatible with neighboring land uses, the area's zoning context, and the city's goals for economic development and historic preservation.
2. The Cobbs House Bed & Breakfast is expected to open in Fall 2026.

Recommended Action: Council is asked to adopt an ordinance to conditionally rezone 407 E Chapin Street as proposed.

THANK YOU

Theresa Waldo MM

Community Development Director

City of Cadillac

Conditional Rezoning Request 620 Arthur Street

The Cadillac Planning Commission unanimously recommended conditional rezoning for 620 Arthur Street at their December 22, 2025 meeting.

Owners Derek and Emily Hamp (Cadillac Living LLC) request to rezone the property from R-2 (single-family) to RM-1 (two-family residential), with the condition that it can only be used as a single-family or two-family home.

Proposed 620 Arthur St

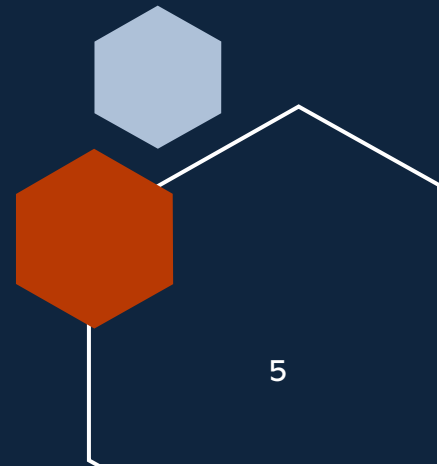

Project Details and Community Impact

- The plan is to renovate a neglected building into two rental units, add a new deck, and create separate entrances—without changing yard space or impacting nearby parks.
- This proposal fits existing zoning in the area, supports city goals for diverse housing, and leverages the applicants' experience with responsible property rehab.
- Utilities, parking, and site needs are fully met; no public upgrades are required.

Alignment with City Plans & Recommendation

- The project supports the City Master Plan's push for adaptive reuse and more housing options near downtown, while keeping neighborhood character intact.
- Staff recommend approval, citing benefits like reduced blight, more affordable rentals, and likely positive effects on local property values—all under strict use limitations.
- Council is asked to adopt an ordinance amending the zoning to allow this conditional rezoning.

City of Cadillac

Snow Activities Summary:

Surprising Fact: Only up about a foot from this time last year

Winter maintenance activities are up significantly:

Total Costs: \$505,805 v. \$357,276 last season to this point 42% increase

Labor Hours: 3258 v. 2342 – one crew!

Local Streets: 533 hours v. 388; \$90,155 v. \$68,052

Major Streets: 774 hours v. 615; \$132,774 v. \$104,988

Trunklines: 813 hours v. 604; \$149,215 v. \$109,974

Hauling: 537 Hours v. 239 Hours (\$71,115 v. \$25,911) – this snow is not melting!

Fuel: Nov/Dec totals (No January bill yet) - 5524 gallons this season of fuel v. 3907 gallons of fuel; \$18,307 for two months v. \$11,346

BUT – used less salt (700 tons v. 840 tons) but way more salt/sand (560 tons v. 265 tons) – it's been cold! About 3 weeks since we put down salt

Overall spent about the same in product – salt/sand is about \$33/ton vs. salt which is \$70/ton

24 hours for a full sidewalk clearing – 184 hours of sidewalk maintenance (enough to clear each sidewalk 7.5 times)

All this with one crew!

5 plow trucks

2 loaders for parking lots, parking lanes

1 night crew member; alleys, sidewalks, winter maintenance when it snows

1 mechanic

Supervisors have been stepping up and pitching in when available and appropriate, including jumping in sidewalk tractors, etc.

Supervisor plows the Cemetery in about an hour; supervisor typically plows our section of White Pine Trail

Really proud of the crew. They continue to answer the call; work when called upon; get up in the middle of the night and come in to keep the streets safe

Hard-working, good attitudes, very safe – no accidents or property damage

Can't say thank you to Ken Payne enough – he keeps the pieces moving around on the chess board with serious skill and dedicated community service and safety mindset

Council Communication

Re: Resolution to adopt an ordinance vacating a portion of Wall St and reserving a public utility easement in favor of the City of Cadillac

The Cadillac Planning Commission voted unanimously at their September 29, 2025, meeting to approve and recommend that Council approve the vacation of a portion of Wall St. The vacation is described as that portion of Wall Street laying South of the Ann Arbor Railroad ROW, C.K. Russell's Subdivision of Out Lot No 14, City of Cadillac, Wexford County, Michigan.

This vacation request is necessary for future development; Lakelynn Apartments, to take place on property owned by KMF Construction. In summary, the development consists of seven, three-story apartment buildings totaling 252 units. Shown below is an aerial photo of the recommended vacation in red. and the properties outlined in blue are those owned by KMF Construction. Other photos included on the next page are a rendering of the development and a site plan.

Recommended Action

Council is asked to consider adopting an ordinance vacating a portion of Wall St and reserving a public utility easement in favor of the City of Cadillac.

RESOLUTION NO. 2026-____**

**RESOLUTION TO ADOPT ORDINANCE NO. ____
ORDINANCE VACATING A PORTION OF WALL STREET AND RESERVING A PUBLIC
UTILITY EASEMENT IN FAVOR OF THE CITY OF CADILLAC**

At a meeting of the City Council of the City of Cadillac, Wexford County, Michigan, held in the Council Chambers, Cadillac Municipal Complex, 200 North Lake Street, Cadillac, Michigan, on the ____ day of _____, 2026, at _____ p.m.

PRESENT: _____

ABSENT: _____

The following preamble and resolution was offered by _____ and seconded by _____ .

WHEREAS, the City of Cadillac (“City”) is authorized by statute to control its streets, alleys and public ways, and has the authority to vacate such streets, alleys, and public ways (MCL 117.4h; *Detroit Edison Co v City of Detroit*, 208 Mich App 26, 33; 527 NW2d 9 (1994)); and

WHEREAS, the Charter of the City of Cadillac provides that the City may, by ordinance and upon the affirmative vote of four or more members of the Council, “vacate, discontinue or abolish any highway, street, lane, alley or other public place, or part thereof” (Charter, Sec. 5.6); and

WHEREAS, the Charter further provides that before final adoption of such an ordinance, the Council must hold a public hearing and must publish notice once at least twenty (20) days and again ten (10) days prior to the public hearing; and

WHEREAS, the City owns an interest in a public street commonly known as a portion of Wall Street as described in the proposed ordinance, which street is located within the City (the "Street"); and

WHEREAS, the City introduced an ordinance vacating the Street, reserving an easement for the City, and authorizing the Mayor and the City Clerk to execute any and all documents necessary to give effect to the vacation of the Alley; and

WHEREAS, the City published notice of the public hearing once at least twenty days before the public hearing and again at least 10 days before the public hearing and held a public hearing on _____, 2026; and

WHEREAS, the City has determined that adopting the proposed ordinance vacating the Alley is in the best interest of the public health, safety and welfare.

NOW, THEREFORE, the City Council of the City of Cadillac, Wexford County, Michigan, resolves as follows:

1. Ordinance No. 2026-____, Ordinance to Vacate a Portion of Wall Street and Reserve a Public Utility Easement in Favor of the City (the "Ordinance"), attached as Exhibit 1, is adopted.
2. The Ordinance will be filed with the City Clerk.
3. The City Clerk is directed to publish a summary of the Ordinance in a newspaper of general circulation in the City of Cadillac within seven (7) days substantially similar to Exhibit 2.
4. The Mayor and the City Clerk are authorized and directed to execute any and all documents necessary to vacate the Street, to adjust the legal description of the vacated

Street as may be directed by the City Attorney, to record the Ordinance with the Register of Deeds, and to send a copy to the State Treasurer.

5. A copy of the Ordinance will be available for examination at the office of the City Clerk, and copies may be provided for a reasonable charge.

6. Any and all resolutions that are in conflict with this Resolution are hereby repealed, but only to the extent to give this Resolution full force and effect.

EXHIBIT 1

ORDINANCE NO. _____

AN ORDINANCE TO VACATE A PORTION OF WALL STREET AND RESERVE A PUBLIC UTILITY EASEMENT IN FAVOR OF THE CITY

The City of Cadillac ordains:

Section 1. Vacate Portion of Wall Street and Reserve Utility Easement.

Pursuant to MCL 117.4h and the City Charter, the City vacates and abolishes a portion of Wall Street located in the City and legally described as:

THAT PORTION OF WALL STREET LAYING SOUTH OF THE ANN ARBOR RAILROAD ROW, C.K. RUSSELL'S SUBDIVISION OF OUT LOT NO 14, CITY OF CADILLAC, WEXFORD COUNTY, MICHIGAN

(the "Street"). Pursuant to MCL 560.257, the City reserves to itself a public utility easement under, over and through the Street for the purpose of constructing, installing, operating, maintaining, replacing and repairing any and all public utilities, including water, sewer, gas, electric, cable, fiber optic, telecommunications and any similar public utilities.

Section 2. Execution of Documents.

The Mayor and City Clerk are authorized to execute any and all documents necessary to vacate the Street, and, subject to the direction of the City Attorney, to make minor corrections to the legal description of the Street.

Section 3. Recording.

Pursuant to Section 20-4(b) of the City Code, the City Clerk is directed to record a certified copy of this Ordinance with the Wexford County Register of Deeds and to send a copy to the State Treasurer within 30 days of the adoption of this Ordinance.

Section 4. Repealer.

All other ordinances inconsistent with the provisions of this Ordinance are repealed to the extent necessary to give this Ordinance full force and effect.

Section 5. Severability.

If any provision of this Ordinance is held invalid, such holding will not affect the validity of the remaining provisions.

Section 6. Effective Date.

This Ordinance takes effect 20 days after its adoption and publication.

Approved this ____ day of _____, 2025.

NOTICE OF ADOPTION AND SUMMARY OF ORDINANCE NO. 2026-____

On _____, 2026, the City of Cadillac enacted an ordinance entitled "Ordinance to Vacate a Portion of Wall Street and Reserve a Public Utility Easement in Favor of the City" (the "Ordinance"). A true copy of the Ordinance is available for inspection at the offices of the City of Cadillac, located at 200 North Lake Street, Cadillac, Michigan, 49601. Inspections may take place during normal business hours. Members of the public may obtain a copy of the Ordinance for a reasonable charge. The following is a summary of the Ordinance:

ORDINANCE TO VACATE A PORTION OF WALL STREET AND RESERVE A PUBLIC UTILITY EASEMENT IN FAVOR OF THE CITY

Section 1. Vacate and Reserve. Section 1 of the Ordinance vacates that portion of Wall Street laying south of the Ann Arbor Railroad ROW, C.K. Russell's subdivision of out lot No 14, City of Cadillac, Wexford County, Michigan (the "Street"), and reserves an easement for the City for public utilities.

Section 2. Execution. Section 2 of the Ordinance authorizes the Mayor and the City Clerk to execute the documents necessary to vacate the Street, and to reserve a public utility easement in favor of the City and to make minor corrections to the legal description of the Street, as directed by the City Attorney.

Section 3. Recording. Section 3 of the Ordinance directs the City Clerk to record a copy of the ordinance with the Wexford County Register of Deeds and to send a copy to the State Treasurer.

Section 4. Repealer. Section 4 of the Ordinance provides that other ordinances inconsistent with the provisions of the ordinance are repealed but only to the extent necessary to give the ordinance full force and effect.

Section 5. Severability. Section 5 of the Ordinance provides that if a portion of the proposed ordinance is held in valid such holding will not affect the remaining provisions.

Section 6. Effective Date. Section 6 of the Ordinance provides that it will take effect 20 days after adoption and publication.

Re: Community Development Block Grant Public Hearing and Resolution

The City of Cadillac has been designated \$675,000 in funding through a Community Development Block Grant (CDBG). This CDBG program provides federal funding to support housing rehabilitation activities that primarily benefit low- and moderate-income households.

The proposed \$675,000 CDBG allocation will be used to support a residential rehabilitation program serving approximately forty owner-occupied homes within the community. Of the total grant amount, 18% will be allocated toward administrative costs, as required per the CDBG program guidelines. The remaining funds will be used for housing improvements, including; replacement or repair of approximately fifteen roofs, siding replacement or exterior paint for approximately ten homes and electrical system repairs or upgrades for approximately fifteen homes. These improvements are intended to address health, safety, and code compliance issues, extend the useful life of existing housing stock, and improve overall neighborhood stability.

In accordance with federal CDBG requirements, the City must conduct a public hearing to receive public input on the proposed use of these grant funds. The City must also adopt a resolution supporting the proposed project and dedicating an authorized official to administer and oversee all aspects of the grant application and implementation process.

Recommended Action

Council is asked to adopt a resolution supporting the CDBG Housing Rehabilitation Program and authorizing City Manager, Marcus Peccia, to serve as the responsible official for the CDBG application and all related grant administration activities.

RESOLUTION NO. 2026-__

**RESOLUTION AUTHORIZING THE SUBMITTAL OF A MICHIGAN COMMUNITY DEVELOPMENT
BLOCK GRANT (CDBG) HOUSING REHABILITATION APPLICATION**

Re: Friends of the Library

Introduction

The Friends of the Library are asking to place yard type signs in the City Right-Of-Way for the days that they have scheduled to have their Used Book sales in 2026. The events will be held in April, July and October (exact dates are attached). These three-day events benefit the library and reading programs the Friends of the Library sponsor. Included in the Friends of the Library temporary Sign Permit application is additional information describing their request. Staff has told representatives for the Friends of the Library that council approval is not needed for signs placed on library property if the signs meet the dimensional standards in the ordinance.

The locations the group is requesting are;

1. Two sided white sign with banner 42"x25" will be placed in between the city parking lot and the library parking lot on the parking lot side of the sidewalk, where it will not obstruct drivers.
2. Placement of two white sandwich board signs 38"x24". Both will be placed in the tree lawn in front of the library.
3. One yellow sandwich board sign placed on the lawn on the CWPL side of the sidewalk, a distance from the driveway so as not to obstruct view of drivers entering or leaving.

Requested Council Action

Consider granting permission for the Friends of the Library to place temporary signs at the locations listed above during the hours of the sale on the dates shown in the schedule provided. Additionally allow administrative staff the flexibility to approve changes in dates for Friends of the Library book sales if requested.

To: Cadillac City Council

From: Wexford-Missaukee Child Protection Council

Date: March 2, 2026

Our council would like to ask permission for blue lights to be hung in the downtown area during the month of April in recognition of National Child Abuse Prevention Month. This visual display helps to engage the entire community in our message of Mentor, Advocate, Donate; three things we can all do everyday to prevent child abuse BEFORE it happens.

April is nationally recognized as Child Abuse Prevention Month; it is a time to celebrate all the good things our community does to promote healthy child development as well as a time to reflect on the work that remains.

We all have a role to play, and our goal this April is to help others recognize that role and the ways in which we can all maximize our impact to promote healthy child development and strengthen families.

This year we are continuing to focus on three simple actions we can all take that will make a lasting difference. Together we can all....

➤ **Mentor** a child or parent.

Mentoring children, both young and old, provides another stable, caring adult in their lives. Research shows the availability of healthy and supporting relationships can help children build resilience and achieve positive outcomes in the face of stress and adversity. Mentoring a parent by such things as offering a helping hand, inviting them to join you at a community event, project, or meeting, or participating in a school function, reduces feelings of isolation and stress and shows them they are not alone. Modeling and stressing face to face interactions without the interruption of electronics develops children's social and emotional skills and makes us all more closely connected. It truly does take a village to raise a child.

➤ **Advocate** for policies that support children and families.

Seeing that a top cause for child abuse and neglect is the lack of knowledge of child development leading to unrealistic expectations of children and higher stress for parents, examine and support policies and programs that further child development education and that work to protect children with a focus on preventing child abuse and neglect before it happens. Research supports the incorporation of Protective Factors into the lives of all families.

➤ **Donate** to child-serving organizations.

By donating time and money to primary prevention efforts and child serving organizations, sharing your expertise, taking the time to tutor or volunteer at area schools and events, or offering to help families in your neighborhood, you can have a meaningful impact on the lives of children throughout the community. Actions like these strengthen and bring communities together, reduce isolation and stress, and help children and families succeed.

When communities come together to support children and families, we all benefit: our fellow citizens are better educated and more informed, children excel in school, employees are more productive and miss less work, and we see a profound impact on the quality of life for our families and our community as a whole. We can then take pride in knowing that we have worked to assure safe, stable, nurturing relationships and environments for all children.

So please join us and pledge to do each of these activities at least once during the month of April and watch what a real difference we can make together. Then, continue to take steps like these throughout the year and in the future. Inspire others to follow your example and learn how they too can support children, strengthen families, and help our community grow and thrive. At this time, please contact us for more information and pass this letter on to someone you know so they too can Mentor, Advocate and Donate.

Thank you,

Re: 2026/2027 Road Salt

For many years, the City of Cadillac has participated with the State of Michigan's Delivering Extended Agreements Locally (MiDEAL) program to competitively bid road salt. Cadillac joins the State and many other road agencies in utilizing this bidding process to achieve cost savings through the economies of scale inherent in the process.

Orders for road salt are placed in the spring of each year. The State's contract is finalized by late summer, and early shipments typically arrive in late fall. Based on seasonal requirements, the City expects to need up to 2300 tons of road salt to cover the entire winter. Depending on the final bid award, annual costs are expected to total about \$160,000 (~\$70/ton).

Recommended Action

Because of the economies of scale achieved through the process, it is recommended that Council, pursuant to Section 2-299 and 2-312 of the City Code, authorize the City to participate in the MiDEAL competitive bidding process and approve the commitment to purchase up to 2300 tons of seasonal road salt through the resulting State of Michigan contract at the unit cost bid approved by the State of Michigan. Funds are available in the Stores and Garage Fund for this purchase. Actual costs of usage are charged to appropriate activities within the Major and Local Street Funds and several other City activities based upon actual usage throughout the winter.

Re: Out-of-State Travel Request – Cadillac Fire Department Training

The Cadillac Fire Department is requesting approval for out-of-state travel to the Fire Department Instructors Conference (FDIC) training event located in Indianapolis, IN. The department would like to send two department personnel to this event. This is an annual, international event that encompasses live fire trainings, networking opportunities, and connection with vendors demonstrating the latest techniques and technology in the fire service. Lieutenant Wes Owens and Firefighter Mike Fisk will attend. The anticipated cost to attend this event is \$3,745. This cost includes transportation, meals, lodging, attendance and parking. The event is being held April 20-25, 2026.

Recommended Action

It is recommended that City Council approve out-of-state travel for the Cadillac Fire Department to attend the FDIC training in Indianapolis, IN from April 20-25, 2026.

RESOLUTION NO. _____

**RESOLUTION REGARDING
APPLICATION TO NEXTCYCLE MICHIGAN CIRCULAR ECONOMY GRANT**

At a meeting of the City Council of the City of Cadillac, Wexford County, Michigan, held in the Council Chambers, Cadillac Municipal Complex, 200 N. Lake Street, Cadillac, Michigan, on the 2nd day of March 2026, at 6:00 p.m.

PRESENT: _____

ABSENT: _____

The following preamble and resolution was offered by _____ and seconded by _____.

WHEREAS, the City of Cadillac (the “City”) is considering an application to the NextCylce Michigan Circular Economy Grant (the “Application”) in support of the Local Finance Development Authority’s (“LDFA”) implementation of a carbon filter regeneration technology (the “Project”); and

WHEREAS, the LDFA of the City oversees the operation of the Kysor Superfund groundwater cleanup system including two 5,000-pound carbon filter treatment vessels that have been repurposed for the capture and control of PFAS chemicals in groundwater; and

WHEREAS, the purpose of the Project is to replace one of the carbon filter treatment vessels, which is no longer effectively capturing PFASs due to the accumulation of foulants; and

WHEREAS, it is a priority of the LDFA and the City to regenerate this carbon using a LDFA site filter cleaning and PFAS destruction technology allowing this carbon filter treatment vessel to be reused without the generation of RCRA and CERCLA hazardous wastes; and

WHEREAS, the City Council desires to approve the Application as it is in the best interest of the public health, safety, and welfare.

NOW THEREFORE BE IT RESOLVED AS FOLLOWS:

1. The City Council hereby approves the Application for submission.

A RESOLUTION OF SUPPORT FOR THE CITY OF CADILLAC'S

LDFA Carbon Regeneration Grant Application

At a meeting of the Local Finance Development Authority (LDFA) of the City of Cadillac, Wexford County, Michigan, at the Cadillac Municipal Complex, 200 N. Lake Street, Cadillac, MI on the 25th day of February 2026, at 10:30 AM.

The following resolution was offered:

WHEREAS, the Local Finance Development Authority of the City of Cadillac oversees the operation of the Kysor Superfund groundwater cleanup system including two 5,000-pound carbon filter treatment vessels that have been repurposed for the capture and control of PFAS chemicals in groundwater; and

WHEREAS, one of the carbon filter vessels needed for the effective capture of PFAS, that has been in service for multiple years, is no longer currently effective for the capture of PFAS due to the accumulation of foulants; and

WHEREAS, it is a priority of the Local Finance Development Authority to regenerate this carbon using an LDFA site filter cleaning and PFAS destruction technology allowing this filter to be reused without the generation of RCRA and CERCLA hazardous wastes; and

WHEREAS, the City of Cadillac has issued a request for proposal with a proposal deadline of March 11, for the selection of a contractor that would successfully implement this novel carbon regeneration technology.

NOW THEREFORE BE IT RESOLVED, the Local Finance Development Authority supports the City of Cadillac's submittal of a NextCycle Circular Economy grant request in support of the LDFA's implementation of a carbon filter regeneration technology.

Council Communication

Re: Michigan Department of Natural Resources Trust Fund Grant

Introduction

Currently the Downtown Dock is a gathering place for residents and visitors for fishing, boating, and enjoying the view. The Downtown Dock is conveniently located adjacent to the Rotary Performing Arts Pavilion and connects to the rest of the Cadillac Commons Area. The dock is in need of some repairs and improvements, to enhance the utilization of Cadillac residents and visitors. Staff hired a consultant to perform an underwater inspection of the existing dock and received detailed reports on the necessary improvements.

Requested Council Action

Council is asked to approve a resolution supporting the application to the Michigan Department of Natural Resources Trust Fund Grant for improvements to the Downtown Dock.

New Business

- A. Rezoning of 407 E Chapin St. to a traditional Bed and Breakfast: Pluger presented the staff report detailing the request for the Historically significant home at 407 E Chapin into a bed and breakfast by applicants Jennifer and Bryan Haney. The property would need to be rezoned, which requires a public hearing at Planning Commission and City Council and would then require a Special Land Use from the Planning Commission. The applicants completed the necessary application and documents to request the rezoning at Planning Commission later in the same month. Jennifer Haney then presented a power point of information about their vision for the home, to be a homeowner occupied bed and breakfast. Haney shared their background and desire to maintain the historical integrity of the home and make the Cobbs House Bed and Breakfast a feature for the community.
 - a. Commissioner Iehl inquired about listing the home on short term rental sites, the applicants expressed that they do not intend to do so. Discussion took place about some historical features of the home. Engels questioned if any restrictions such as parking would impact them following through with the bed and breakfast. The applicants shared they have purchased the home and are moving to Cadillac either way, their intent is to figure out all the hurdles. Discussion took place about the home possibly being used for small events.
 - b. Motion to create a letter of support to be signed by the chair made by Engels, supported by Dubravec. The motion was approved unanimously.

- B. Zoning Code Rewrite Advisory Committee: Pluger updated the commission on the progress of the zoning code rewrite and that Chair Carder already agreed to sit on the board. A brief discussion of the planned progress took place and the commission requested to be notified of the meetings so they may attend if available.

Commissioner Comments

Dubravec requested an update on the Historic Street Rehabilitation. Staff updated that the current plan is to apply for the TAP grant in 2026, but the grant would not be awarded likely until 2027. Discussion took place about the current condition and the hopes to do the full rehabilitation. Dubravec stated the potholes in front of their office had become very deep and staff stated they would notify DPW.
