DISCUSSION AND REVIEW OF THE CITY GOALS AND THE CAPITAL IMPROVEMENT PROGRAM

The following documents were provided to the City Council:

- FY2027 Mission, Vision, and Priority Programs Draft
- Archive of Completed Council Priority Programs & Projects
- Purchasing- 5 Year Council Award Analysis
- Community Survey of Threshold Bid Process
- Proposed Capital Improvement Program – For the Six (6) Fiscal Years Ending June 30, 2027 – 2032
- Draft 2025 Pavement Assess Management Plan

City Manager Peccia reviewed the City's Mission, Vision, Goals and Priority Programs/Projects. Peccia noted the document is intended to remain flexible and serve as a working guide for future updates, with council encouraged to provide feedback over the coming weeks.

Peccia discussed several priority initiatives and project updates, including West Cadillac Corridor improvements, remaining Cadillac Commons trailhead improvements, the City's strong general fund position, continued street improvements, economic development and placemaking efforts, outside grant activity, public safety initiatives, walkability planning, downtown and culvert-related projects, the City's lead-free water system determination, potential solar and energy stabilization opportunities, Diggins Hill improvements, the future of the former 8th Street wellfield property, PFAS funding and mitigation efforts, reuse of water resources, and the proposed "I Heart Cadillac" public art concept.

Peccia also briefly discussed possible future concepts including a food truck area, snowmobile access, and relocation of the current dog park.

Owen Roberts, Finance Director, transitioned to the Capital Improvement Program and reviewed a proposed update to the City's purchasing policy that would increase the council approval threshold from \$7,500 to \$20,000 to better reflect current costs and improve efficiency for routine repairs and emergency purchases.

Roberts presented the six-year Capital Improvement Program, including major equipment needs, proposed fire ladder truck replacement timing, police radio upgrades, wastewater system improvements, server replacement, and ongoing fleet and facility needs. Significant discussion focused on the City's street asset management plan, the poor condition of many streets, the high cost of reconstruction, the importance of preventive maintenance strategies, and potential future funding tools including grants, state revenue sources, and bonding.

Roberts emphasized that the Capital Improvement Program is a planning document only and that all individual projects will still require council approval before funds are appropriated or projects proceed.

PUBLIC COMMENT

Council Communication

Re: Recommendation for appointment of City Clerk

Efforts have been underway to identify and recommend to the City Council a new City Clerk following the recent retirement of the former Clerk. The posting of the vacancy was released both locally and through state-wide job posting services.

The City received 12 applications for the position, and 6 candidates were selected for interviews. These interviews were conducted by Mayor Powell, Councilmember French, and the City Manager, and were facilitated by the Human Resources Generalist.

Diego Navarro is recommended for Council affirmation and appointment as the City Clerk. Mr. Navarro comes to the City with a background in public service as a Treasurer, holds a Bachelor of Arts degree in Political Science and is in the process of completing his Master of Public Administration. His combination of professional experience and the quality and relevance of his education will make him a great asset. Included with this recommendation is a copy of Mr. Navarro's job application, cover letter, resume and letters of reference.

Recommended Action

It is recommended that in accordance with Section 3.10 of the Cadillac City Charter, the City Council, upon the above recommendation of the City Manager, appoint Diego Navarro as City Clerk for the City of Cadillac, effective April 6, 2026, with a start date as early as April 13, 2026.

APPLICATION FOR EMPLOYMENT INSTRUCTIONS

Although this application may be given consideration, its receipt does not imply that there are open positions or that the applicant will be employed. The City of Cadillac reserves its right to withdraw any offer of employment at any time; similarly, the applicant has the right to withdraw this application at any time. This application will remain active for six months, or less if the position is filled sooner. Therefore, if not employed by the City of Cadillac you must complete another application to be further considered for employment.

If you wish to submit a resume, you may attach it to this application, but in addition, you must complete this application and answer **all** questions, even those which relate to information on your resume. Please be sure that all of your answers on this application are complete, correct, and truthful. You should understand that any omission of relevant information, any false or misleading statement, or any failure to disclose facts which, if known, might reflect unfavorably on this application, or otherwise, may result in dismissal even if you are employed. You will not be considered as a candidate for a job until we have received a fully completed and signed application from you. Attach additional signed and dated sheets if you need additional space to respond.

APPLICANT'S CERTIFICATION AND AGREEMENT

PLEASE READ CAREFULLY AND SIGN BELOW IF YOU AGREE TO THESE TERMS OF EMPLOYMENT.

1. **Certification of Truthfulness:** I represent that all my statements in support of my Application for Employment are true and complete. I understand and agree that if the City of Cadillac, at any time, should determine that any requested information was withheld by me or any of my statements are false or misleading, I may be discharged.

2. **Employment at Will:** If hired by the City of Cadillac, I agree to comply with all rules, regulations, policies, and communications directed to employees, including any changes made from time to time. I understand that I will be free to resign my employment at any time with or without cause and with or without notice, and I agree that the City of Cadillac also may terminate my employment at any time, with or without cause and with or without prior review, notice, or warning.

3. **Limitation on Claims:** I agree that any lawsuit against the City of Cadillac and/or its agents arising out of my application for employment including this Application, employment or termination of employment, including but not limited to claims arising under State or Federal civil rights statutes, must be brought within the following time limits or be forever barred: (a) for lawsuits requiring a Notice of Right to Sue from the EEOC, within 90 days after the EEOC issues that Notice; or (b) for all other lawsuits, within (i) 180 days of the event(s) giving rise to the claim, or (ii) the time limit specified by statute, whichever is shorter. I waive any statute of limitations that exceeds this time limit. This limitation on claims may only be changed by written agreement between me and the City of Cadillac.

4. **Authorization to Work:** If I am selected for hire, I agree to certify and produce documentation that I am authorized to work as required by the Immigration Reform and Control Act of 1986.

5. **Need for Accommodation:** If, due to a physical or mental disability, I need an accommodation to perform the job for which I may be selected, I understand that I must notify the City of Cadillac of this need. Failure to do so in writing within 182 days after I know or reasonably should have known that an accommodation is needed may bar me from alleging that the City of Cadillac has not accommodated me as required by law.

6. **Drug Testing:** I agree to provide the City of Cadillac with appropriate specimens to test for the presence of drugs or other controlled substances. I understand that decisions concerning my employment will be made as a result of these tests.

7. **Physical Exam and Release of Medical Information:** I understand that any job offer may be conditioned on passing a physical exam. I authorize every medical doctor, physician or other health care provider (HCP) to provide any and all information, including but not limited to medical reports, laboratory reports, X-rays or clinical abstracts relating to my previous health history or employment in connection with any examination, consultation, test or evaluation. I will cooperate in obtaining any additional authorization required by any HCP for release of any information. I hereby release every HCP and every other person, firm, officer, corporation, association, organization or institution which shall comply with the authorization or request made in this respect from any and all liability for disclosure made pursuant to my authorization. I understand that medical information will not be requested from me, my physician or other HCP until a job offer has been made.

8. **Security:** I agree that the contents of any offices, work spaces, desks, lockers, any City of Cadillac property I may be using, as well as my person and any property I bring onto the City of Cadillac's premises, may be searched, inspected and surveilled by the City of Cadillac if it has a reasonable suspicion that I engaged in work-related misconduct or that the search is necessary for a non-investigatory work-related purpose. I understand that I have no expectation of privacy with respect to any information on the City of Cadillac's information systems, including but not limited to computer systems, emails and texts. I agree that, except as directed otherwise in writing by the City of Cadillac, I will not disclose to anyone or use for my own purposes, any of the City of Cadillac's or its residents' confidential or proprietary information, either during or after my employment. I understand and agree that the City of Cadillac resident names and their information, financial data, computer information and processes are confidential and proprietary information and I will not make written or other copies or notes regarding these matters except as necessary to perform my job. I agree that if my employment ends, I will deliver to the City of Cadillac all material of any kind that I have relating to its business, including any such copies or notes. I agree that if any of these commitments by me is ever found to be legally unenforceable as written, it will be enforced as far as legally possible.

9. **Consideration for Employment:** I agree to the above terms. Should I be employed, I understand and agree that these provisions of my employment can be revised only by a written contract signed by both the full Board of Commissioners of the City of Cadillac and me and authorized by a written resolution of that Board, and that no other personnel of the City of Cadillac has any authority to offer employment other than on an at-will basis as described above. I understand and agree that, except as provided above, all compensation, benefits, programs, rules, and policies of the City of Cadillac are subject to exception or change including termination at any time as solely decided by the City of Cadillac in its discretion.

I understand that I may take this application form with me to submit at a later time if I choose to do so. I acknowledge by my signature that I have been given adequate time to read, complete, and review my application and this certification, and I have knowingly and voluntarily signed below.

I have read and understand the items listed in the Application for Employment, including this page, and acknowledge that with my signature below.

AUTHORIZATION AND WAIVER

This authorization and waiver is part of my written application for employment with the City of Cadillac.

I authorize all employers and educational institutions where I am or have been employed or enrolled, and all law enforcement agencies, to disclose to the City of Cadillac any and all information in their possession about my employment history (including disciplinary and other matters), personal background, and/or credit background. I hereby waive written or other notices from all such parties of their release of any such information to the City of Cadillac. I further authorize all educational institutions I have attended to disclose to the City of Cadillac any and all information in their possession regarding my attendance and performance at such institution, including but not limited to: disclosure of any diploma or degree of certification awarded; disclosure of academic information and transcripts; and disclosure of any disciplinary record. I hereby waive written or other notice from such institution of its release of any such information to the City of Cadillac.

I understand that under Michigan's Bullard-Plawecki Employee-Right-To-Know Act, I am entitled to notice of the release of information from my personnel record, and I hereby specifically waive any such notice from any prior employer.

I release all my prior employers and educational institutions, and all law enforcement agencies, from any liability or claim relating to the release of information, records or opinions to the City of Cadillac, or to any employment decisions made by the City of Cadillac as a result thereof.

For purposes of this Authorization and Waiver, a photocopy of my signature shall have the same force and effect as my original signature.

2025

Master of Public Administration

Northern Michigan University

- Currently attending classes online. Set to graduate in late 2027

July 2023

Bachelor of Arts - Political Science

Brigham Young University Idaho

Senior Seminar Project

- Simulated a mayoral campaign for San Diego. The parameters of the project required 130 hours throughout the course of the semester. It also gave me the flexibility to choose my own project which allowed me to showcase my creativity. I poured hours of research into my platform which became centered on addressing the homeless crisis facing the city. I recruited and gathered an audience and recorded/gave speeches announcing my candidacy and vision. I organized fictional fundraisers and assembled a campaign staff with detailed job descriptions.

WORK EXPERIENCE

2024 - Present

Village of Beulah

Beulah, Michigan

- Treasurer- As treasurer, I have learned to be responsible with municipal funds. This includes managing several bank accounts, reconciliation at the end of each month, and collecting property taxes. My biggest take away from my time as treasurer is developing an understanding of how a municipality financially operates, which primarily consists of an understanding of the village's assets and revenues as well as its expenses and liabilities.
- Water/Sewer- I am responsible for the creation and sending out of the utility bills to the residents. It also involves collecting, depositing, and keeping track of all the paid/unpaid utility bills. It involves being fluent in BSA software, and making the proper rate changes. I also add late fees if not paid on time and turning on/off peoples water. I could write an essay about the intricacies of what I do with water/sewer.
- Budgets/Audits- I help prepare the yearly budget. I input everything in BSA software and keep track of the budget for each separate fund throughout the year. I also am very familiar with the Michigan chart of accounts and can locate or create new accounts that can be used in a budget. As far as audits go, I am familiar with loans and the state revenue share site that shows any remittance activity that occurs.

Grand Traverse County Administration Internship

- My internship was heavily based in the administration department of the county. My biggest takeaway is that I gained a sharp understanding of how local government functions. I understood the different roles of the commissioners and the administrators. I saw how the finance and HR department all had their individual duties yet they all overlapped and worked together.
- I was involved in many different aspects such as preparing the 2024 county budget. I created and organized spreadsheets containing expenditure data from previous years in order to elicit thoughtful analysis. In addition, I actively participated in the process of creating strategic plans for the county over the next 5 years. This included crafting a mission and vision statement.
- As I worked on the administration team, I was engaged in a variety of different projects. Some of my tasks included creating questions for surveys for county feedback. I also organized meetings between the county and townships in order to promote and facilitate collaboration.

September 2021 - July 2022

Beard St Clair & Gaffney Law Firm

Idaho Falls/Rexburg, Idaho

- Completed a project that had been ongoing for 7 years which consisted of the digitization of old archive cases from the 90's that needed to be converted from paper to electronic records. In doing so I was able to familiarize myself with and study various legal documents.
- Assisted lawyers by reviewing and scanning legal briefs. This provided me with a basic knowledge of common law practice and language.

September 2020 - December 2020

San Diego City Council Campaign

San Diego, CA

- Informed voters about my candidate by interacting door to door and via phone calls. This gave me the ability to interact with members of the community about concerns they had, which I then relayed from the constituents to the proper channels.
- Experienced being part of a team that was extremely driven and had high expectations. In order for the team to achieve its ambitious outcome, the campaign team met regularly and I learned the importance of proper goal setting.

- Prepared and taught trainings to groups of other volunteers on ethics, communication, planning and teaching skills
- Provided 70 hours per week of volunteer service to those in the community which included individual and group teaching sessions on life-improvement

Diego Navarro

Dear City of Cadillac,

Current Occupation-

I am applying for the position of city clerk. I currently work as a village treasurer for the village of Beulah located in Benzie County. I have genuinely treasured (pun intended) the 18 months I have worked there. It was and is a very fulfilling job. This may sound crazy, but I really enjoy interacting with the public as well as our elected officials and staff. I was able to convert what I learned in textbooks into daily situations. This pertained to items such as FOIA and Roberts Rules. It also provided me with a cohesive understanding of the financial foundation for how a village functions. I have valued the knowledge I've gained during my time as the village treasurer but I believe I am ready to take the next step.

Education-

In 2023, I graduated from Brigham Young University Idaho with my BA in political science. I took a lot of courses that were in the field of public administration. These included State & Local Government, Public Policy, and Administrative Theory. I would have changed my major to public administration if I wasn't already so far along with my political science track. My application for this position is derived from an interest to help others by serving the community. I fully believe that by providing the best assistance I can as the city clerk, I will consequently be serving the community. I have come to find working in a public capacity to be very rewarding.

County Administration-

After receiving my degree in 2023, I took my first steps of my professional career by working as an administrative intern for the administration department of Grand Traverse County. This offered me a unique exposure to so many different departments and gave me valuable insights of their functions. I was involved in preparing the 2024 county budget and getting it approved. Another major body of work I was fortunate to play a role in was preparing the new strategic plans for the next five years. This process included drafting a new mission and vision statement for the county. I am grateful for the wealth of knowledge gained by being in the middle of these massive projects and the opportunity to contribute to the governance of a local community.

Volunteer-

I also serve as the district clerk & executive secretary for my church which consists of 10 different units throughout Northern Michigan. I have served in this strictly voluntary capacity for the past three years. These roles require me to manage and oversee all financial

contributions. This also correlates to creating an annual budget as well as allocating and transferring resources between different units. I also take minutes during our leadership meetings. I include this unique capacity that I serve in because it has given me great experience with budget planning and administrative skills.

Concluding Remarks-

I view administration as a vehicle to accomplish a great purpose or objective. My education gave me a great foundation for what politics is. My position as a village treasurer has provided me with a great understanding of how government works in Michigan. My role in my church has taught me how to manage money and budgets with exactness. I am reaching out for this job because I am specifically interested in working at the local government level in an administrative capacity. I am looking for a role that will allow me to put into practice the experience and knowledge I've gained while simultaneously giving me room for professional growth/development. I believe that the position of city clerk will check both of those boxes.

Thank you for your consideration,

Diego Navarro

To whom it may concern:

My name is Jeremy W. Lamoreaux, teaching professor of Political Science and International Studies at Brigham Young University – Idaho. I am writing this letter in support of Diego Navarro's application to Northern Michigan University's MPA program.

I had Diego in three classes, one intro-level class and two upper-level classes including his senior capstone class. Diego's improvement between his lower and upper-level classes was very gratifying. Whereas his intro-level class performance was typical of a freshman, his senior capstone performance was beyond what I would expect from a senior. He organized and operated an imaginary campaign for city mayor. It was well organized, well operated, and was really enjoyable to watch play out over the semester.

More particular, Diego's academic progress illustrates that he's a hard worker. He never shied away from his assignments, always put in his best effort, and by the time he was a senior the quality of his work was very high. Diego's also very amenable to feedback and critiques. He wants to improve and he often asked me how he could do better. Finally, Diego's just a good kid, enjoyable to talk to, and respected by his co-students in class as well as in group assignments.

I don't know what his undergraduate GPA was, but based on his work in my classes, on his personal characteristics outlined above, and on his desire to do well in whatever he undertakes, I unconditionally recommend Diego for your MPA program. He'll be a top-notch student and an inspiring alumnus.

Regards,

Jeremy W. Lamoreaux, Ph.D.

Village of Beulah

RE: Diego Navarro

Subj: Letter of Recommendation

To Whom It May Concern,

As President for the Village of Beulah, I had the privilege to hire Diego Navarro on October 10, 2024, as our Clerk Assistant.

Diego Navarro quickly grasped the duties required as Beulah's Clerk Assistant. In December 2024, I offered Diego the position of Treasurer trainee, which he quickly accepted. Diego's reliability, strong work ethic and commitment to learning quickly allowed him to become the Village of Beulah Treasurer within a few months.

During Diego's tenure as an employee for the Village of Beulah, he has performed with the utmost professionalism to co-workers, council members and the residents of the Village. Diego easily collaborates with other employees, helping to create a supportive and productive work environment.

I am confident that Diego will be an invaluable asset to any future employer bringing meaningful contributions in a new role. I strongly endorse Diego Navarro without reservation and with training believe he will exceed all expectations.

Please feel free to contact me at [REDACTED] if you would like further clarification or information.

Sincerely,

Jeri VanDePerre

ABOUT AES

A 501C3 PUBLIC-PRIVATE
PARTNERSHIP

WHO WE ARE & WHAT WE DO

The Alliance for Economic Success is collaborating across Wexford and Missaukee Counties to support a healthy, integrated prosperity ecosystem for the Cadillac Area.

THE MISSION

Dedication to the growth and prosperity of the Great Cadillac Area, leveraging expertise and networks to elevate the quality of life, fostering a vibrant sustainable community for generations to thrive.

THE VISION

In 3-5 years, AES envisions the Greater Cadillac Area as an even more vibrant and dynamic community, where collaboration among local government, community leaders, employers and parents' fuels sustainable growth and prosperity.

Through strategic partnerships and by maximizing our grant funding capacity, we deliver tangible solutions in our most critical developmental areas: housing, childcare, recreation and economic development.

BUILDING CAPACITY THROUGH PARTNERSHIPS

LEVERAGING RELATIONSHIPS FOR FUTURE GROWTH

FROM THE DIRECTOR'S DESK

NIKI SCHULTZ

EXECUTIVE DIRECTOR

Dear AES/MSU Extension Investors and Partners,
As I reflect on this past year, one word continues to rise to the surface: Relationships. In Wexford and Missaukee counties, economic development is not driven by any single organization or initiative, it is an ecosystem built on trust, collaboration, and people who are deeply committed to this place and to one another. I am continually grateful to work alongside so many partners who believe that when we move together, our communities thrive.

Thanks to your investment, this year allowed us to both deepen and expand our impact. We were able to grow our workforce development efforts with students through new opportunities like the Career & Commerce Expo and Agriculture Day, introducing young people to local career pathways and helping businesses tell their stories in meaningful ways. These moments matter. They shape how students see their future and how employers connect with the next generation of talent.

We also remained focused on strengthening existing businesses through intentional business retention visits, partnering closely with the Michigan Economic Development Corporation, the Cadillac Area Chamber of Commerce, the Missaukee Area Chamber of Commerce, and Northwest Michigan Works!. These visits are more than check-ins, they are conversations that build trust, surface needs, and create opportunities for long-term growth.

Our work with and for families was also evident this year through a grant with the MiFamily Engagement Network, which allowed us to support family engagement events for local businesses and their employees. Supporting families strengthens our workforce, our businesses, and the overall health of our communities.

At the same time, I continued to invest in my own professional development to better serve our region, completing coursework through the University of Oklahoma's Economic Development Institute and the MSU Extension Citizen Planner Program. These experiences sharpened my understanding of the field and reinforced the importance of thoughtful, community-centered development.

None of this work happens in isolation, and none of it happens without you. Your continued belief in this mission makes it possible to show up, build relationships, and create momentum across Wexford and Missaukee counties. Thank you for your partnership, your trust, and your commitment to our shared future.

With gratitude,

Niki Schultz

Niki's role with AES and her efforts to bring information, resources, and people together for economic development purposes are notable. The 2nd annual Developer Day was fantastic! Through the facilitation and leadership efforts of AES, the event improved in 2025 with growth of the stakeholders involved and feedback was positive. The largest multifamily development that is in the process is being done by a group of developers that attended both Developer Day events.

MSU Extension (AES, Wexford & Missaukee 4H) led the first-ever Agriculture Day for 8th grade students across the Wexford-Missaukee ISD, with 8 schools participating. Students traveled to four working farms where they were welcomed in small groups to rotate through sessions led by industry professionals and learn how farms operate while exploring a wide range of careers in agriculture.

AES hosted another successful Manufacturing Day, giving local 9th grade students from WMISD the chance to explore careers in modern manufacturing. We were proud to partner with 13 manufacturers and 15 business volunteers who opened their doors, shared their expertise and invested in our future workforce. I am grateful for this community's continued commitment to supporting our talent pipeline by creating opportunities for our students.

Council Communication

Re: Master Plan/Zoning Code Update

Zoning Code

The City of Cadillac is reviewing its Zoning Ordinance and exploring substantial amendments to ensure it remains responsive to current conditions and the needs of our growing community. This process initiated in 2022, following the review and update process for the Master Plan being completed in 2021.

The City has engaged Progressive Companies (working with Senior Planner Jason Ball) to provide recommendations on Zoning Ordinance amendments. Those recommendations are still in the conceptual phase; no proposed amendments have been drafted or set for public hearing. Public input has been an important part of this process from the beginning. The City has gathered feedback through two community surveys, one focused on housing and one focused on zoning, and has held two public education sessions called "Zoom In on Zoning," where residents could learn about zoning concepts and ask questions. Prior to working with Progressive Companies, the City also facilitated a series of public forums focusing on short-term rentals and more general zoning topics to solicit feedback. The Planning Commission and City Council have also discussed the zoning update at regular public meetings.

The City has convened an advisory committee made up of residents, people representing community agencies such as our chamber of commerce and visitors bureau, and other community stakeholders. The committee serves as a sounding board and helps to share information about surveys and meetings, but it does not make decisions. Survey results, presentation materials, and meeting information have been shared publicly so residents can follow the process and offer input.

The Master Plan and the Five-Year Review

The City's Master Plan serves as a long-range planning guide. State law directs planning commissions to review their master plans every five years and to decide whether an update should be made. This five-year review serves as a checkpoint that encourages communities to step back and consider whether their long-range goals should be revisited.

The current Master Plan was adopted in 2015. In 2021, the Planning Commission confirmed the plan and discussed the possibility of future updates. Under state law, the Planning Commission has the authority to review the Master Plan and decide whether to begin an update. Any such review would be reflected in Planning Commission meeting minutes.

Information Received from the Historic Districts Commission

At a special meeting on March 30, 2026, the Historic Districts Commission approved a resolution expressing the Commission's view that the Planning Commission should review the Master Plan before Zoning Ordinance amendments move forward. The resolution also raises concerns about potential effects on historic districts. City Council has received a copy of this resolution and may consider it as part of any broader policy discussion if one is necessary.

Recommended Action

Discussion if necessary.

CADILLAC HISTORIC DISTRICTS COMMISSION

RESOLUTION NO. 2026-1

RESOLUTION RECOMMENDING THAT THE PLANNING COMMISSION TABLE THE ZONING CODE REWRITE AND PROMPTLY COMMENCE A MASTER PLAN UPDATE

WHEREAS, the Cadillac Historic Districts Commission is charged under Michigan law (MCL 399.205) and Cadillac Code of Ordinances Chapter 12 with protecting the historic character, architectural integrity, and visual continuity of the Courthouse Hill Historic District and other designated historic districts; and

WHEREAS, the Planning Commission is currently considering a major Zoning Code Rewrite that includes significant changes to single-family residential zoning districts (including the R-3/RSF-50 district that abuts and is interwoven with historic districts), such as allowing duplexes, triplexes, quadplexes, and accessory dwelling units by-right; and

WHEREAS, the City's 2015 Master Plan explicitly designates the R-3/RSF-50 district as a medium-density **one-family** residential area and calls for the preservation and stability of single-family neighborhoods; and

WHEREAS, Michigan law requires that any zoning ordinance "be based upon a plan" (MCL 125.3203) and that the master plan serve as the foundational policy document for zoning decisions; and

WHEREAS, the proposed Zoning Code Rewrite represents a substantial departure from the vision and policies contained in the 2015 Master Plan, particularly with respect to housing types and neighborhood character within and adjacent to historic districts; and

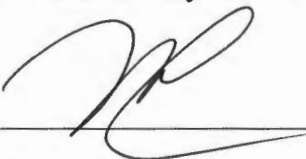

WHEREAS, the Historic Districts Commission has a direct and substantial interest in ensuring that any zoning changes do not undermine the historic integrity of designated districts or the ability of the Commission to carry out its statutory duties;

NOW, THEREFORE, BE IT RESOLVED that the Cadillac Historic Districts Commission hereby recommends to the City of Cadillac Planning Commission that:

1. The current Zoning Code Rewrite be **tabled** until the 2015 Master Plan is reviewed and amended in accordance with MCL 125.3845(2); and
2. The Planning Commission **promptly commence** the required master plan review and amendment process so that any future zoning changes are consistent with an updated, legally sufficient master plan that protects the historic character of Cadillac's designated and adjacent, undesignated historic districts.

BE IT FURTHER RESOLVED that City Staff is authorized to transmit a copy of this resolution to the Planning Commission, City Council, and City Manager.

Re: Expansion of Consulting Contract: Progressive Companies

The Community Development Department and consultants Progressive Companies have diligently been engaging with the Cadillac community about the Zoning Code Rewrite. During this process, it has become clear that additional review and changes of the draft ordinance will be required. These additions will require more time and services than originally estimated. Per the original agreement, Progressive Companies has drafted the attached memo detailing additional services and prices, totaling \$11,000.

Staff support the request for additional services to ensure a thorough review and effective changes are made to the zoning code. To offset these additional fees, Community Development staff requested additional funds from the MSHDA Housing Readiness Incentive, the grant that was originally awarded for \$39,600. MSHDA has approved the city to receive an additional \$10,400, totaling \$50,000. A new agreement is forthcoming.

Recommended Action

Council is asked to approve the expansion of the consulting contract with Progressive Companies as agreed upon in the original contract and the attached memo.

Re: Additional Services for Agreement dated September 11, 2025

The agreement dated September 11, 2025, between Progressive Companies and the City of Cadillac states the following under Professional Compensation:

Additional services, if required, as identified in Task 5, will be billed on a separate hourly basis not to exceed \$15,000 (fifteen thousand dollars). Any additional services or reimbursable expenses to add services will be billed according to the attached Schedule of Invoice Rates.

At this point, the following additional services have been identified relative to the original scope of work:

- A more significant update to the City's Preliminary Zoning Code is required than originally anticipated. This includes rewriting the article regulating signs, reducing the number and complexity of zone districts, and implementing other recommendations resulting from the zoning ordinance peer review. Additional fee: \$4,500.
- Advisory Committee meeting attendance and attendance at public meetings were originally anticipated to be virtual, but it has been determined that in-person attendance by the Progressive Companies team is required. This requires attendance by a Senior Planner at two additional advisory committee meetings, two Planning Commission meetings, and one City Council meeting. Additional Fee: \$5,850, including expenses for mileage.

The total fee estimated for these tasks is \$10,350 (ten thousand three hundred fifty dollars), plus expenses for mileage to travel to meetings. Total expenses are estimated at \$650 (six hundred fifty dollars) for a total additional fee not to exceed \$11,000 (eleven thousand dollars). This additional cost will be billed on an hourly basis under Task 5 of the existing agreement dated September 11, 2025.

Re: *Community Development Fee Schedule*

The Community Development Department has completed a multi-year research project into departmental fees in the City of Cadillac compared to 12 other municipalities. Community Development offers many administrative services at no charge to the community. Below is a comprehensive list of services performed by the department.

- Lot Combinations
 - Design Concept Review and Creation
 - Building Permit Coordination and Zoning Reviews **the city collects 5% of building permits*
 - Developer Meetings
 - Realtor meetings and inquiries
 - Assignment and changing addresses
 - Administration and Coordination of Boards and Commissions
 - o Historic Districts Commission
 - o Cadillac West Corridor Improvement Authority
 - o Planning Commission **application fees apply*
 - o Downtown Development Authority
 - o Zoning Board of Appeals **application fees apply*
 - o Joint Planning Commission **application fees apply*
 - o Brownfield Redevelopment Assistance
 - General public inquiries/meetings
 - Ordinance violations and enforcement
 - Prepare and update public assistance materials
 - City of Cadillac/CAPS Recreation Plan (every 5 years)
 - Committee Projects – staff sits on many local committees such as Chamber Ambassadors, Diggins Hill, Housing, etc.
 - Update and amend City Master Plan and Zoning Ordinance
 - Grant research, application, implementation and reporting
 - Site visits with developers and citizens
 - Assist with grants for private and public projects with other agencies and developers
- high-quality service and ensure the department's financial sustainability.

Attached, you'll find detailed comparisons of Cadillac's current Community Development fees with those of 12 other municipalities, as well as proposed updates to the fee structure. These proposals were presented to both the Planning Commission and the Zoning Board of Appeals (ZBA) during their March meetings. The Planning Commission unanimously supported the changes, and the majority of the ZBA also voiced their support. One ZBA member suggested charging applicants for the actual cost of public notice publication, but this approach would be difficult to administer, as invoice processing can take weeks and payment is required at the time of application. Additionally, the included memo from Foster Swift outlines where various fees currently appear throughout the zoning ordinances. At present, fees are dispersed across different sections of the ordinances. We recommend consolidating all fee references into the fee schedule, Chapter 48 of the Code of Ordinances, for greater clarity and administrative efficiency.

Requested Council Action

Staff respectfully request that City Council approve the proposed Community Development fee changes as presented, and authorize amending all relevant ordinances to centralize fees within Chapter 48: Fee Schedule, of the Code of Ordinances. This update is based on regional comparisons, has the support of the Planning Commission, and will help align Cadillac's fees with comparable communities while supporting high-quality service and ensuring the department's ongoing financial sustainability.

RE: Zoning Fee Schedule

You requested legal review of a fee schedule proposal for presentation to City Council. The fee amounts seem reasonable. Procedurally, however, these fees must be established by an ordinance. Alternatively, the City could amend the Zoning Ordinance to allow fees to be set by resolution of City Council.

Relevant Ordinance Provisions

The City of Cadillac Zoning Ordinance and City Code have several provisions related to fees.

Chapter 46, Art. II, Division 1 – Generally

Sec. 46-33. Fees.

Fees for inspection and the issuance of permits or certificates or copies thereof required or issued under the provisions of this chapter may be collected by the Wexford County building inspector in advance of issuance. The amount of such fees shall be **established by Wexford County** and shall cover the cost of inspection and supervision resulting from enforcement of this chapter.

Sec. 46-38. Fees.

Any regular business to come before the planning commission that does not require a public hearing shall be accompanied by a fee. An application for a special land use request shall be accompanied by a fee. An application for a rezoning request shall be accompanied by a fee. Such fees shall be used by the city towards expenses involved in hearing this request, including public hearings before the planning commission and the city council. Such fees shall be as currently established or as hereafter adopted **by ordinance** from time to time.

Chapter 46, Art. II, Division 2 – Board of Appeals

Sec. 46-68. Fees.

There will be a fee for any application for appeal to the board of appeals where a public hearing is not required. There will be a fee for an application for a variance to the board of appeals where a public hearing is required. At the time the notice for appeal is filed, said fee shall be paid to the secretary of the board of appeals, which the secretary shall forthwith pay over to the city treasurer

to the credit of the general revenue fund of the city. Such fees shall be as currently established or as hereafter adopted **by ordinance** from time to time.

Chapter 46, Art. IV – Supplemental

Sec. 46-664(i)(6). Signs.

Permit fees shall be as currently established or as hereafter adopted **by ordinance** from time to time.

Chapter 46, Art. VI – Special Land Uses

Sec. 46-746(1). Application Procedures.

Any person owning or having an interest in the subject property may file an application for one or more special land use authorizations as provided for in this article. Applications will be available from the zoning administrator and two completed copies, along with all required materials, must be submitted to the zoning administrator, accompanied by the required fee as established **by ordinance**. No part of any fee shall be refundable and no incomplete application shall be processed. All incomplete applications will be returned to the applicant.

Chapter 48 – Fee Schedule

Sec. 48-7. Land division and subdivision fees.

The fee for nonplatted divisions and exempt splits is \$50. The fee for preliminary plat review applications is \$200.

Analysis and Recommendation

The City's Zoning Ordinance requires that fees associated with various zoning applications and reviews are to be determined by ordinance. We could not locate any existing ordinance to support the current fees charged by the Planning Department, except for the land division fees. The City has two options going forward: (1) Adopt a zoning ordinance setting the new fees, or (2) amend the Zoning Ordinance to allow fees to be established by resolution. Either approach requires an amendment to the Zoning Ordinance, but the latter allows for easier fee adjustments in the future because an ordinance would not be required.

Because the City is currently undergoing a rewrite of its Zoning Ordinance, this may be something that makes sense to integrate into that process rather than amending the Zoning Ordinance as to fees alone now. Either way, we recommend that the City eventually amend the Zoning Ordinance to allow fees to be set by resolution of City Council.

Please let us know if you have any questions or would like assistance drafting an ordinance.

Re: Historic Districts Commission Request Regarding Historic District Study Committee for Expansion of the Courthouse Hill Historic District

The Cadillac Historic Districts Commission is responsible for protecting and preserving the historic character of the City's designated historic districts, including the Courthouse Hill Historic District, as outlined in the Michigan Local Historic Districts Enabling Act (MCL 399.201 et seq.) and Cadillac Code of Ordinances Chapter 12.

Under MCL 399.214(1), the City Council is authorized to expand the boundaries of an existing historic district. Before any such expansion can take place, MCL 399.214 and Cadillac Code § 12-182 require the formal appointment of a Historic District Study Committee by City Council to investigate the proposed expansion and to prepare both preliminary and final reports.

The Historic Districts Commission, at a special meeting held on March 30, 2026, indicated they believe expanding the Courthouse Hill Historic District serves the best interest of the City of Cadillac by safeguarding its historic, architectural, and cultural resources. Please see a copy of the Resolution approved by the HDC on March 30th for reference on the following page.

At this time, discussion regarding new boundaries of the Courthouse Hill Historic District have yet to be discussed or proposed. Next steps may include:

1. General City Council discussion about this topic to determine if there is interest. Discussion can occur tonight or on a future meeting date to be determined; or
2. If there is interest, Council may request the HDC to provide more clarity on their vision of expanding the Court House Hill Historic District, then have Council discussion after obtaining additional information; or
3. Initiate the process of establishing a formal Historic District Study Committee by identifying and appointing members that would be responsible for preparing preliminary and final reports regarding any proposed expansion.

Recommended Action

Review the three potential options and provide feedback.

RESOLUTION NO. 2026-2

RESOLUTION RECOMMENDING APPOINTMENT OF A HISTORIC DISTRICT STUDY COMMITTEE FOR EXPANSION OF THE COURTHOUSE HILL HISTORIC DISTRICT

WHEREAS, the Cadillac Historic Districts Commission is charged under the Michigan Local Historic Districts Enabling Act (MCL 399.201 et seq.) and Cadillac Code of Ordinances Chapter 12 with protecting and preserving the historic character of designated historic districts, including the Courthouse Hill Historic District; and

WHEREAS, MCL 399.214(1) expressly authorizes a local unit of government to expand the boundaries of an existing historic district; and

WHEREAS, MCL 399.203 and Cadillac Code § 12-182 require that, before any expansion of an existing historic district may occur, the City Council must formally appoint a Historic District Study Committee to investigate the proposed expansion and prepare the required preliminary and final reports; and

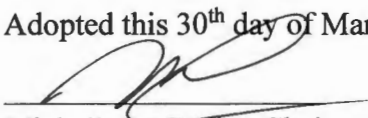

WHEREAS, the Historic Districts Commission believes that expansion of the Courthouse Hill Historic District is in the best interest of preserving the historic, architectural, and cultural resources of the City of Cadillac;

NOW, THEREFORE, BE IT RESOLVED that the Cadillac Historic Districts Commission hereby recommends that the Cadillac City Council, by resolution, formally appoint a Historic District Study Committee to investigate and report on the proposed expansion of the Courthouse Hill Historic District in accordance with MCL 399.203 and § 12-182 of the Cadillac Code of Ordinances.

BE IT FURTHER RESOLVED that the Study Committee shall consist of persons City Council deems appropriate, with recommendations from the Historic Districts Commission, and shall be charged with preparing the preliminary and final study reports required by law.

BE IT FURTHER RESOLVED that the Chair of the Historic Districts Commission is authorized to transmit a copy of this resolution to the City Council, City Manager, and City Clerk with the request that it be placed on the next available City Council agenda for consideration and action.

EXHIBIT A

CITY OF CADILLAC

ORDINANCE NO. 2026-05

AN ORDINANCE AMENDING DIVISION 2 OF ARTICLE 5, CHAPTER 2 OF THE CADILLAC CITY CODE TO UPDATE PURCHASING, CONTRACTING, AND SALES PROCEDURES

The City of Cadillac ordains:

Section 1. Amendment to Section 2-292 of the City Code. The definition of “local vendor” is deleted from Section 2-923 of the City Code.

Section 2. Amendment to Section 2-293 of the City Code. Section 2-293 of the City Code is amended in its entirety to read as follows:

Sec. 2-293. City purchasing agent.

The purchasing agent is responsible for the purchase and sale of all city property, public improvements, supplies, and contractual services. The purchasing agent for city property is the City Clerk, pursuant to the City Charter. The purchasing agent for all other purchases is the Director of Finance. The purchasing agent may delegate their duties as they deem necessary.

Section 3. Repeal of Section 2-295 of the City Code. Section 2-295 of the City Code is repealed in its entirety and that Section is reserved for future use.

Section 4. Amendment to Section 2-297 of the City Code. Section 2-297 is retitled “Small item purchase of \$5,000.00 and under” and subsection (a) is amended in its entirety to read as follows:

- (a) All items \$5,000.00 and under may be purchased by a department head, or his designated representative, when it has been determined by the department head that it is not economically feasible to buy the item in quantities that require the city to purchase the item by competitive bidding.

Section 5. Amendment to Section 2-298 of the City Code. Section 2-298 of the City Code is amended in its entirety to read as follows, with subsection (c) deleted:

Sec. 2-298. Purchase of times between \$5,001.00 and \$20,000.00.

- (a) All purchases between \$5,001.00 and \$10,000.00 shall be approved by the Director of Finance. Sealed bids need not be taken for such items, at the discretion of the Director of Finance. Before giving approval for any such purchase, the purchasing Director of Finance shall make sure that an appropriation has first been approved by the city

council, that a sufficient unencumbered balance remains in the appropriation, and that sufficient funds will be available to cover the claim or meet the obligation when it becomes due and payable.

- (b) All purchases of services and supplies between \$10,001.00 and \$20,000.00 shall be approved by the City Manager. Sealed bids need not be taken on such items, at the discretion of the city manager, but multiple quotes should be sought and submitted as part of the departmental request for purchase. Before giving approval for any such purchases, the Director of Finance shall make sure that an appropriation has first been approved by the city council, that a sufficient unencumbered balance remains in the appropriation and that sufficient funds will be available to cover the claim or meet the obligation when it becomes due and payable.

Section 6. Amendment of Section 2-299 of the City Code. Section 2-299 of the City Code is retitled “Purchases of over \$20,000.00” and subsection (a) is amended in its entirety to read as follows:

- (a) All contracts and purchases of \$20,000.00 or more must be approved by the City Council. If the Council, by unanimous resolution of those present at a meeting based upon the written recommendation of the city manager, determines that it would not be advantageous to open sealed bids, then sealed bids may be dispensed with. Every approval of a purchase by the Council without sealed bids must specify that supplies or services may be purchased without competitive bidding.

Section 7. Amendment of Section 2-302 of the City Code. Subsection (a) of Section 2-302 of the City Code is amended in its entirety as follows:

- (a) This section applies only to contracts for the purchase of services, materials or supplies; capital outlay; and services for construction, maintenance, repair, or operation of city facilities, where the contract price exceeds \$20,000.00.

Section 8. Amendment of Section 2-309 of the City Code. Section 2-309 of the City Code is amended in its entirety to read as follows:

Sec. 2-309. Public improvements.

No public improvement costing more than \$20,000.00 shall be contracted for or commenced until estimates, drawings, profiles and specifications, where appropriate, have been submitted by the engineer to the City Council.

Section 9. Amendment of Section 2-312 of the City Code. Section 2-312 of the City Code is amended in its entirety to read as follows:

Sec. 2-312. Cooperative purchasing.

The purchasing agent shall have the authority to join with other units of government in cooperative purchasing plans when the best interest of the City would be served thereby, upon approval of the City Council. This includes items purchased through the Michigan Delivering Extended Agreements Locally (MiDEAL) program. Purchases made through the MiDEAL purchasing program are considered to comply with the City's purchasing requirements and do not require a waiver of competitive bidding.

Section 10. Severability and Validity. If any provision of this Ordinance is held invalid, such holding shall affect the validity of the remaining portions of this Ordinance.

Section 11. Repealer. Any ordinance or parts of ordinances that conflict with this Ordinance are repealed, but only to the extent necessary to give this Ordinance full force and effect.

Section 12. Effective Date. This Ordinance takes effect 20 days after its adoption.

RESOLUTION NO. 2026-3631

**RESOLUTION AUTHORIZING SUBMISSION OF
APPLICATION TO TRANSPORTATION ECONOMIC
DEVELOPMENT FUND (TEDF) CATEGORY F GRANT**

At a regular meeting of the City Council of the City of Cadillac, Wexford County, Michigan, held in the Council Chambers, Cadillac Municipal Complex, 200 North Lake Street, Cadillac, Michigan, on the 6th day of April, 2026, at 6:00 p.m.

PRESENT:

ABSENT:

The following preamble and resolution was offered by _____ and seconded by _____.

WHEREAS, the City of Cadillac (the “City”) supports the submission of its application, titled “Lake Street Reconstruction” (the “Application”), to the Transportation Economic Development Fund (TEDF) Category F Grant which provides funding to support road projects that promote economic development and improvements critical to the movement of people, goods, and services for the Lake Street Reconstruction Project; and

WHEREAS, the City of Cadillac recognizes the importance of maintaining and upgrading its transportation network to meet current and future needs of residents, businesses, and visitors, and further recognizes this project represents the first phase of planned improvements to our city truck routes;

WHEREAS, the City of Cadillac has identified the need to improve **Lake Street** from Cass Street to Pine Street and **Pine Street** from US-131 BR (Mitchell Street) to the City Boat Launch, which serves as a key route for industrial, commercial, and residential traffic and provides access to local businesses, manufacturing facilities, Consumers Energy equipment yard, area schools, City Hall, and critical municipal emergency services including the fire department and police station; and

WHEREAS, the proposed project includes reconstruction of approximately 0.40 miles of roadway to all-season standards, improving safety, capacity, and reliability for commercial and public use;

WHEREAS, the total estimated cost of the project is **\$560,000.00**, with a requested TEDF grant of **\$375,000.00** and a required minimum local match of **\$75,000.00**, consistent with TEDF program requirements that combine state and local funding;

WHEREAS, the City hereby makes a financial commitment to the project in the amount of \$185,000.00 matching funds, as presented in the Capital Improvement Plan.

NOW, THEREFORE, BE IT RESOLVED, the City Council of the City of Cadillac, Wexford County, hereby authorizes the submission of the Application for the award of a Transportation Economic Development Fund (TEDF) Category F Grant of not less than \$375,000.00, and further resolves to make available its local match financial obligation amount of \$185,000.00 (33%) of a total \$560,000.00 project cost, during the 2027-2028 fiscal year.

Council Communication

Re: Proposal to Authorize Sale of City-Owned Paluster Street Property

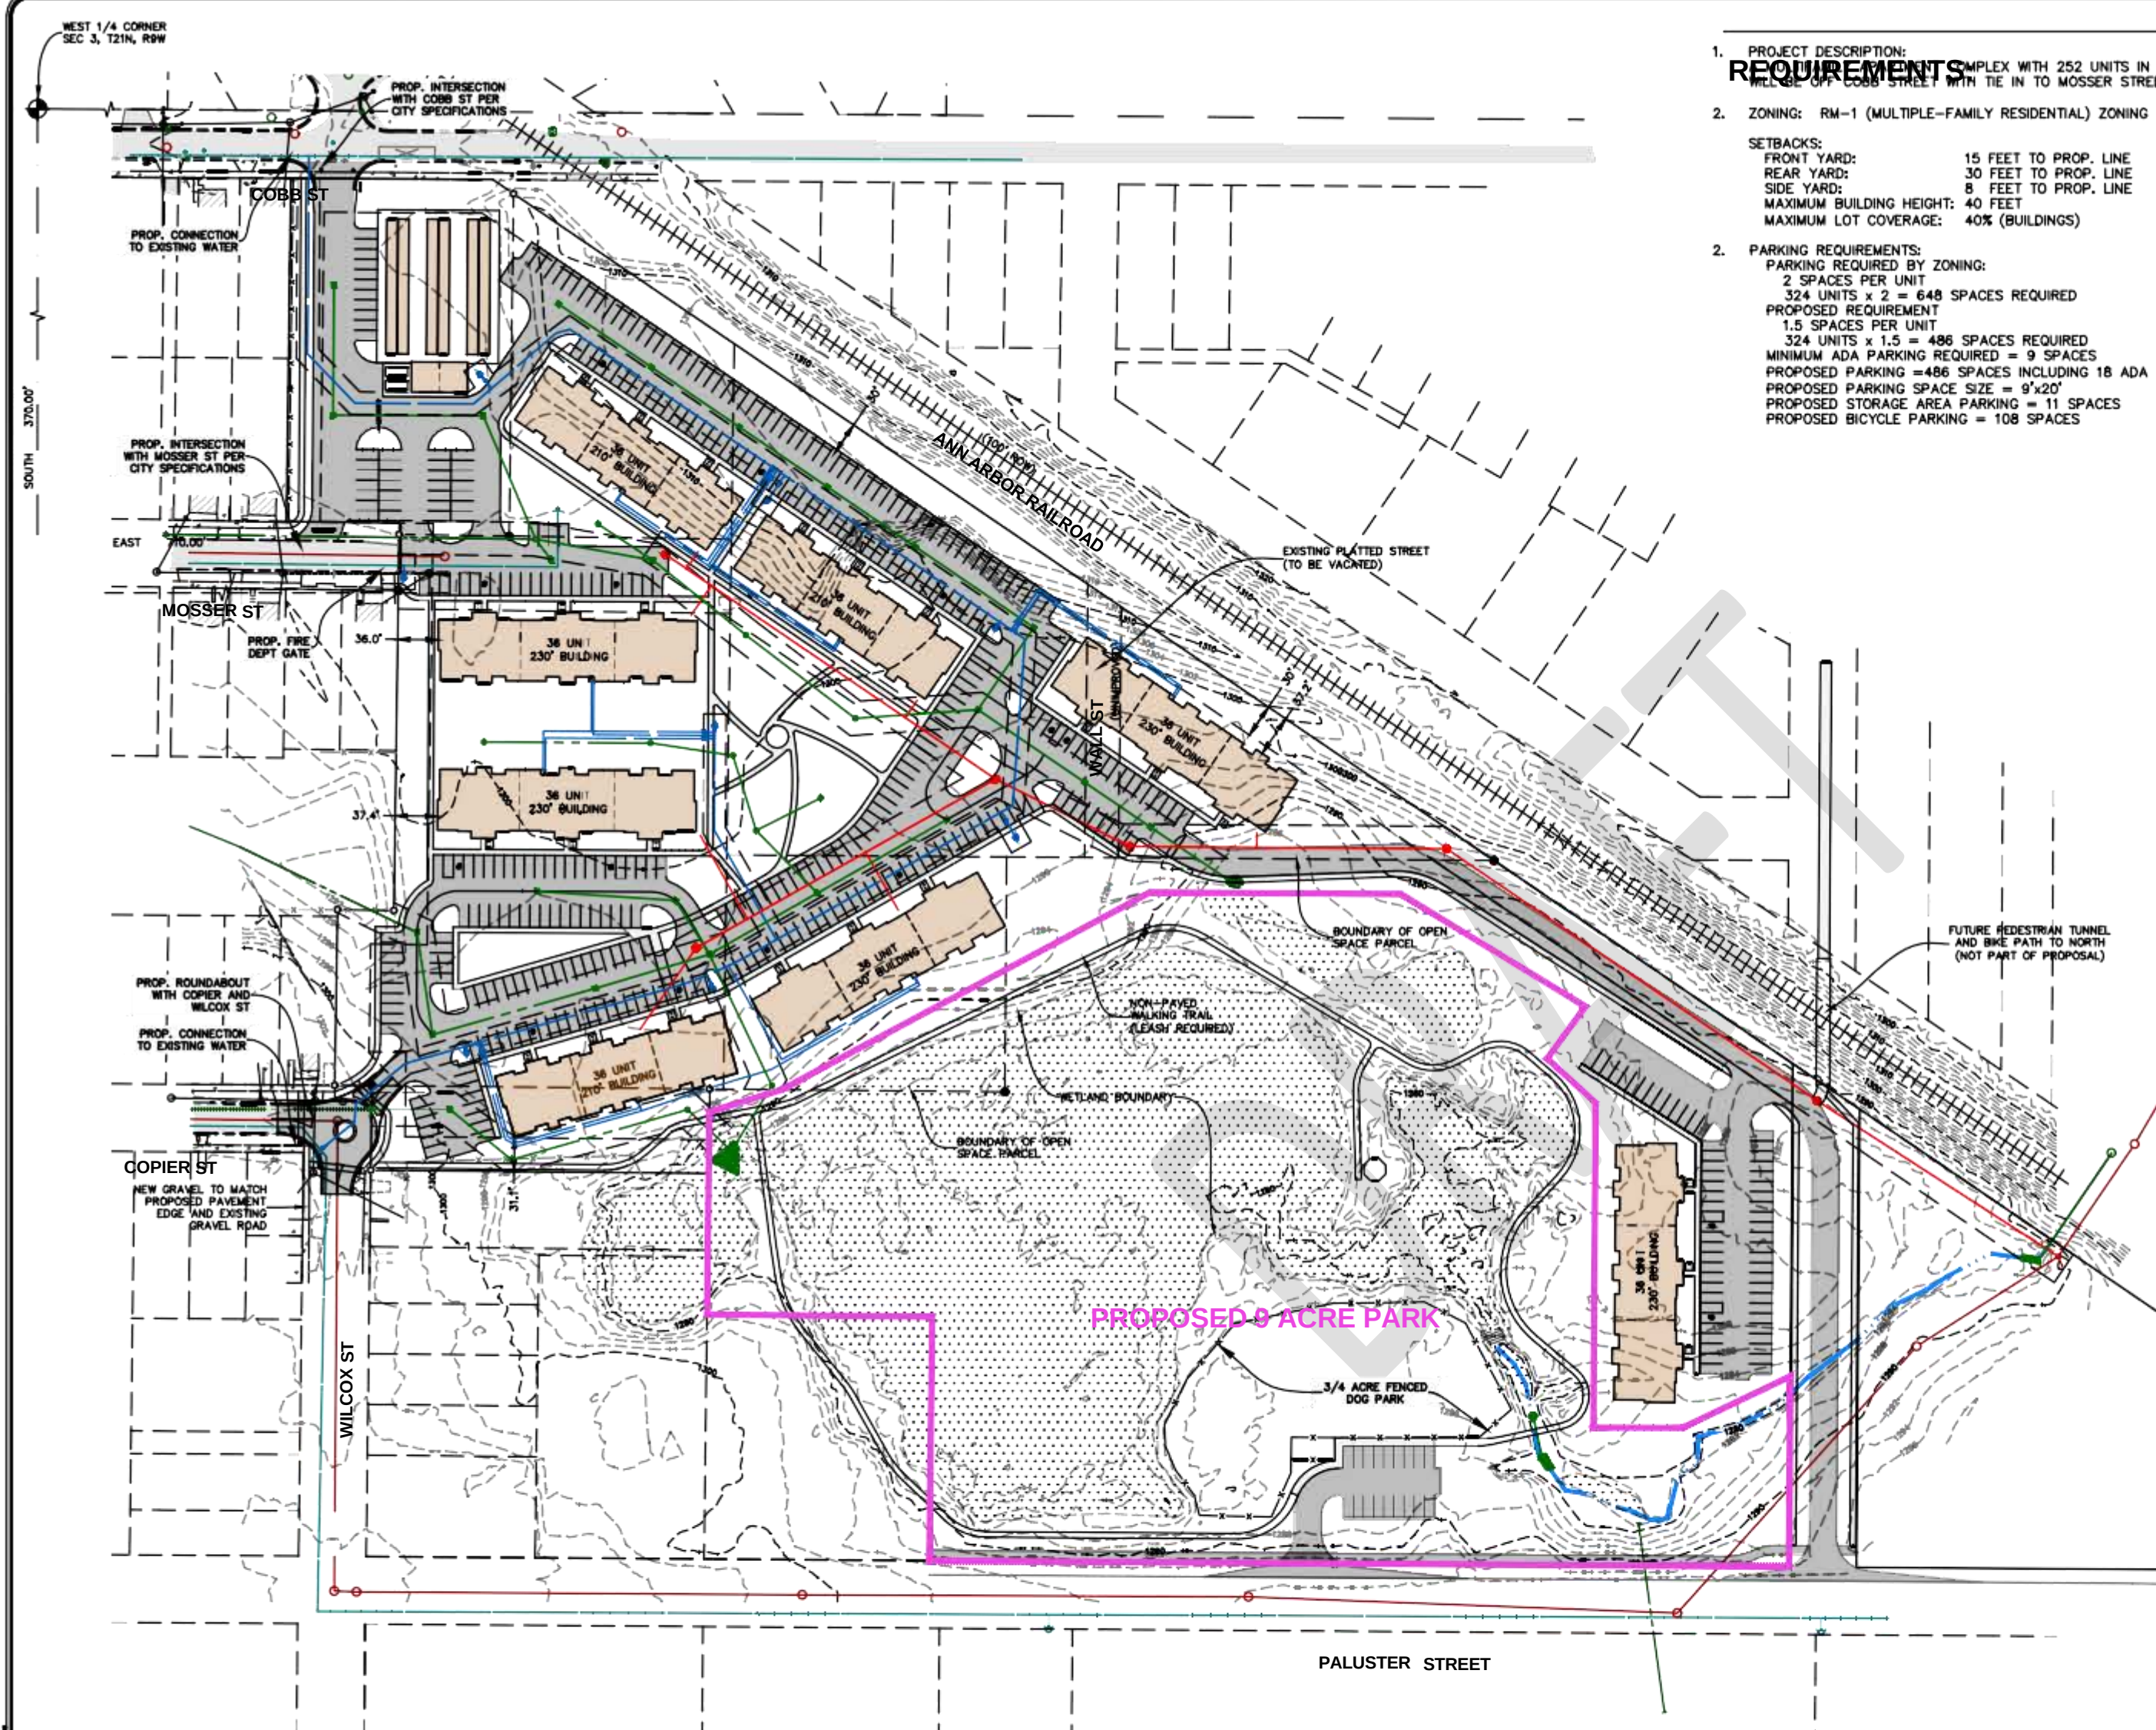

Recommended Action

City Council is being asked to consider authorizing the sale of City-owned property on Paluster Street. Voter approval of this proposal would enable the City to work in partnership with Lakelynn Developers to expand their project on the site. As currently envisioned, and if approved by the voters, the expanded development would include the possibility of the addition of a public walking trail and a public dog park, benefiting both new residents and the broader community.

A copy of the latest draft site plan for the proposed project is attached for your review. Please note that this plan is labeled “Draft” and may be subject to change as details are refined.

Recommended Action

Adopt the resolution approving the ballot language for the sale of the Paluster property.

1. PROJECT DESCRIPTION:

 - a. Motion approved unanimously on a roll call vote.

Approval of January 26, 2026, Meeting Minutes

- A. Motion to approve January 26, 2026, amended minutes by Fent. Supported by Rice.
 - a. Motion approved unanimously on a roll call vote.

Public Hearings

- A. Consider an application for sketch and final site plan approval for a Special Land Use - Residential Planned Unit Development (R-PUD) Site Condominium to be located at 301 Kentucky Avenue.
 - a. Waldo gave a power point presentation depicting the site plan and explanation of the project. Waldo displayed the phases of the project and explained the site plan review conditions set by City departments. The duplexes will be set up as a Condominium and will have shared responsibilities for caring for the extensive green spaces in the subdivision.
 - b. Applicant Robert Munger added that he plans to complete this project in less than two years. Munger also updated that the basements will only be finished upon request from purchasers.
 - c. Bosscher asked what percentage would be rented versus purchase. Munger explained his hope is to sell them all, rental would be the second choice.
 - d. Putvin asked about the required conditions addressed by staff. Munger stated that he is aware of the conditions and has resolved most of the concerns.
 - e. Bosscher requested update about gravel road. Munger shared he plans to pave Kentucky up to the subdivision drive as well as the drive itself, through the brownfield tif plan. Rice clarified that 4 units will still be located on the gravel road.
 - f. Chair Putvin opened the Public Hearing
 - i. Bob Durant voiced his support of the development and shared his positive experience with owning a duplex.
 - g. Putvin closed the Public Hearing
 - h. Board discussion took place.
 - i. Bunce voiced is support for the development.

- ii. Rice voiced his support for the development and its need in the community.
- iii. Motion by Fent to approve of the sketch and final site plan for a Special Land Use - Residential Planned Unit Development (R-PUD) Site Condominium to be located at 301 Kentucky Avenue, subject to the conditions as listed in the staff report. Supported by Bosscher. Motion unanimously approved on a roll call vote.

New Business

A. 221 Granite St – Site Plan Approval

- a. Waldo gave a presentation explaining the site plan and phased approach to development as well as citing parking standards and modern standards.
- b. Dean DeKryger, applicant, addressed the board. DeKryger added that the reasoning for now pursuing the two phased approach is due to a funding gap. DeKryger stated that they are ready to start construction upon approval of the amended site plan.
- c. Board discussion took place.
 - i. Bosscher asked what the parking ratio will be upon completion of phases two. Dekryger stated that there will be a total of 23 units with 40 spaces. With a ratio of 2 spaces for a two bedroom, 1.5 spaces for a one bedroom and 1 space for an efficiency unit. The request is to reduce the ratio by 9 spaces in phase one, with the 9 remaining spaces being provided upon completion of phases two.
- d. Motion by Bosscher to approve the site plan as presented. Supported by Bunce. Motion unanimously approved on a roll call vote.

B. Zoning Assessment

- a. Pluger gave a detailed presentation regarding the zoning assessment and the status of the code update. Pluger cited the survey results as well as the proposed recommendations from Progressive as of the date of the meeting. Pluger stated that staff and Progressive are performing an in-depth review of the proposed and current zoning codes with Planning Commission set to review upon completion of draft. After review, a public hearing will be held, and a recommendation will be forwarded to City Council for final determination. Pluger provided options on how the Planning Commission could move forward with reviewing; establish work sessions, subcommittee meetings or review together at regular meetings.
 - i. Bosscher asked how the drafts will be presented and suggested that the document contain the original language redlined with the proposed changes.
 - ii. Peccia stated that it would be helpful to have RRC recommendations and best practice languages reflected in the proposed drafts.
 - iii. Pluger explained how a subcommittee of the planning commission would be facilitated as well as special meetings.
 - iv. Putvin suggested the review take place at regular and special meetings where the whole commission can be present to discuss.
 - v. Bosscher asked about agenda items for special meetings. City attorney, Mallory Reader, stated that the notice typically states the purpose of the special meeting and the commission is able to meet to discuss only that item should they wish. Bosscher asked about an approximate hourly commitment to this zoning review. Pluger stated that staff expects to have the draft review as neatly prepared as possible for Planning Commission review but stated that the review will take hours as the document will be hundreds of pages.
 - vi. Bunce asked about the format of the review. Pluger stated that staff plans to break it up into sections for review and hopes to bring a proposed review schedule to the commission upon completion of the draft language.

- vii. Powell stated that this review could take a whole year to complete.
- viii. Bosscher stated that planning commission is going to invest a great deal of time with the review and hopes the value of this is received by council.
- ix. Waldo stated that she has witnessed great success with reviewing smaller sections of documents at one time with smaller groups. Waldo stated that she then brought all that feedback to the whole board of discussion.
- x. Pluger stated that a final decision of how to review the draft ordinance does not have to be made tonight. The goal was to just have discussion on possible ways and once the draft is completed a final decision can be made as to what is the best way.

Communications

A. 2025 Annual Report

- a. Waldo stated that the annual report and it is provided in the packet for the commissions review. Waldo reminded the board of the proposed activities for 2026.

Other Business

A. Wellfield update

- a. Waldo stated that the city owns approximately thirty acres of land on Eight St where the old well field use to be. Waldo stated that the city has received interest from investors regarding the property. Waldo stated that because of this interest she wanted to bring it to the commission's attention. Waldo stated that the zoning of the property is parks and open spaces, zoning changes would require language to be put on a ballot for the vote of the people. Peccia added that Planning Commission is unable to consider the zoning change until the vote of the people suggest so. Discussion took place on the history of uses of the property.

Public Comment

- A. Martin Dubravec, 406 E Chapin St, thanked Pluger and Waldo for their presentations. Dubravec voiced his concerns with the consultants' zoning change recommendations. Dubravec stated that he understands that this is a long process, but he feels these recommendations could negatively impact his neighborhood.
- B. Andy VanAlst voiced his concerns with hiring outside agencies to perform the zoning updates. VanAlst voiced his concerns with the recommendations and the changing of zoning district titles. VanAlst voiced his trust in the Planning Commission and lack of trust in the City.
- C. Gwen Dubravec voiced her concerns with the lack of enforcement of the current codes and concerns with the recommendations of higher density developments. Dubravec voiced her support for the whole Planning Commission to review the proposed changes.
- D. Pat Ponczek stated that these recommendations could make Cadillac unrecognizable. Ponczek agreed with the previous public comments and voiced her appreciation of the Planning Commission.
- E. John Horrigan, 324 Prospect St, voiced his concerns with the number of corner lots located by Stimson and Chapin and how the recommendations could negatively impact the area.

Board Member Comments

- A. Putvin thanked the public for coming to tonight's meeting.

COMMITTEE REPORTS:

- A. Finance Report: Pluger updated that the interest in the account was up to \$57.34.

OLD BUSINESS:

- A. Land Acquisition Discussion: Pluger initiated a discussion with the board to determine if there is still support for a parking lot in the district. The commission expressed this is still a goal, but would need to see the location and design for full support. Pluger advised that there is a potential for a piece of property to be developed and grants applied for, and would give an update.

NEW BUSINESS:

- A. Appoint Officers: Pluger gave a list of the existing officers and explained the Authority could keep the officers the same or change them. This motion could be made all together or as three separate items. After a brief discussion, a motion was made by Justice Walraven to keep officers as currently assigned. This was supported by Dewey
 - a. The motion was approved unanimously.
- B. Set 2026 Meeting Schedule: Pluger explained the request by the chair to discuss and potentially alter the meeting schedule from each month. The board was given a comparison of the meeting dates for the last several years, with a clear trend of certain meetings being cancelled for no quorum. After discussion, the board felt it important to keep monthly meetings scheduled and cancel as necessary. A motion was made to keep a monthly schedule of 3:30pm on the second Thursday each month by Hensley, supported by Dewey.
 - a. The motion was approved unanimously.
- C. Best Practices and Bylaws Updates: Pluger presented the commission with draft updates of the bylaws as presented by the city attorneys. Pluger explained this will continue to be an annual item, as best practice, to ensure the bylaws stay legal and current. Staff also presented a binder at each members seat, including the bylaws, guidelines, TIF and other useful documents as a handy resource at each meeting. There was a motion by Dewey to approve the amended bylaws, supported by Dietrich.
 - a. The motion was approved unanimously.

- D. Draft Tourism Village Ordinance: Pluger presented the commission with the proposed ordinance updates to the Tourism Village, explaining the items that are different from the current. Those items included allowing residential by right, instead of having residential scattered throughout the district, daycare facilities, restaurants and outdoor dining. Pluger expressed concern about the removal of public hearings for fuel station sites, which the commission agreed with. Discussion included removing the uses of amusement parks and marihuana stores, which the commission supported.

COMMUNICATIONS/OTHER ITEMS

- A. Classics on the Canal: Dewey gave an update on the event planned on June 13th to take place in district which would include a request to City council to shut down North Boulevard, and updates to MDOT about a snow fence and pedestrian traffic.
