## **CITY MANAGER'S REPORT**

### **A. Flood Update**

City Manager, Marcus Peccia, provided an update on ongoing flood conditions, noting that the City continues to monitor impacted areas, maintain emergency closures, and operate under a declared state of emergency while urging the public to comply with all temporary road and park closures. Numerous streets, parks, and public access points remain closed, although several roadways have reopened, and pumping operations are currently underway in key areas including Chestnut St and North Boulevard despite challenges posed by weather conditions. The City has deployed dumpsters in heavily impacted neighborhoods for debris removal and is coordinating with community organizations and agencies to support recovery efforts, with donations currently offsetting costs rather than the general fund. Residents are strongly encouraged to report all flood-related damage through 211 or the Michigan State Police online portal to ensure accurate documentation for potential state and federal assistance, while additional recovery resources and information are available on the City's website.

### **B. PFAS Update**

Staff reported that recent PFAS testing results for biosolids were well within acceptable limits, with reported levels below regulatory thresholds, allowing the City to maintain compliance and continue operations without restriction for another year. Ongoing testing will continue multiple times annually to ensure the City retains its Class A status under current regulations. Additionally, an update was provided regarding a related grant, noting that it is not delayed at the administrative level but remains under legislative review as part of the appropriations process. Officials indicated that while funding consists of federal dollars and remains active, the timeline for approval is uncertain and may extend into the next fiscal year.

### **C. Wexford County Prosecuting Attorney**

#### **2026-103 Renewal of City Prosecutor Contract**

Motion was made by Elenbaas and supported by French to renew city prosecutor contract beginning July 1, 2026.

Joanna Carey was present.

Motion unanimously approved.

### **D. Bids & Recommendations Regarding Micropark Pavilions**

Peccia presented a recommendation regarding the Micro Park and Pavilions Project, funded in part by a \$200,000 Shared Streets and Spaces grant, which requires installation of pavilions at Cadillac Commons and the Haines Street Micro Park. The project includes construction of concrete pads and installation of appropriately sized pavilions at both locations. Bids were received late last month, and staff recommended awarding the contract to the lowest bidder, Schepke Consulting, for the alternate

bid amount of \$81,760, which includes a site-built pavilion and installation. A 10% contingency is also proposed, bringing the total project award to \$89,936, which remains significantly lower than the next lowest bid.

Connie Houk, city engineer, clarified that the pavilion at the trailhead was part of the original DNR grant design but was deferred due to funding limitations, and this project will complete that component at a location just north of the Rotary Performing Arts Pavilion. At the Haines Street Micro Park, the pavilion will be installed on an existing concrete pad, with additional amenities such as picnic tables planned for both locations.

### 2026-104 Award Contract for SSSG Pavilions Project to Schepke Consulting

Motion was made by Elenbaas and seconded by Engels to award the contract for the SSSG Pavilions Project to Schepke Consulting for the second alternate with a bid amount of \$81,760. Additionally, a 10% contingency is requested for city engineer-approved field changes in unit quantity or scope due to unknown site conditions occurring in construction, bringing the total recommended award to a total of \$89,936.

Motion unanimously approved.

E. Brownfield Redevelopment Authority – Schedule a Public Hearing for May 18, 2026 to Consider Approval for Redevelopment of 1011 S Mitchell St to Dunkin Outlet

### 2026-105 Schedule Public Hearing for Redevelopment of 1011 S Mitchell St to Dunkin Outlet

## **PUBLIC COMMENTS**

A resident, Cindy Unger, addressed the Council regarding her experience reporting flood damage and concerns about community participation in the reporting process. She noted challenges with the 211 system and follow-up communication, which may discourage residents from completing damage reports, particularly when information is difficult to assess early on. She also expressed concern that many neighbors appear to be handling cleanup independently without reporting damage, potentially impacting eligibility for broader assistance. The speaker encouraged the city to increase outreach and awareness efforts beyond social media to emphasize the importance of reporting flood-related damage.

## **Cadillac City Council Meeting Minutes**

May 4, 2026

Page 6

### **GOOD OF THE ORDER**

City officials acknowledged public feedback regarding difficulties with damage reporting and indicated that concerns would be shared with the County Emergency Management office, while also exploring volunteer assistance to help residents complete reporting forms. Staff noted that outreach efforts are ongoing through news releases, media coverage, social media, and limited door-to-door engagement, though challenges remain in reaching all residents and providing detailed guidance on damage assessment. Council members and staff emphasized the importance of documenting damages and retaining receipts for potential future reimbursement, while recognizing that many residents are still unable to fully assess losses due to ongoing flooding. Additional discussion highlighted the significant role of volunteers and community organizations in response efforts, the availability of resources such as dumpsters, and the expectation that recovery and restoration will be a prolonged process.

## **Council Communication**

*Re: 1011 S. Mitchell Brownfield Project*

A Brownfield Plan is being proposed for the redevelopment of 1011 S. Mitchell Street to a Dunkin outlet.

Approval of the Brownfield Plan will provide for the reimbursement of Brownfield Eligible Activities including environmental due diligence, asbestos abatement and selective demolition for a maximum period of 12 years or full reimbursement of Eligible Activities, whichever is less.

The Brownfield Plan was presented to and approved by the City of Cadillac Brownfield Redevelopment Authority (CBRA) at their May 4, 2026 meeting with a recommendation for City Council approval.

A public hearing for consideration of the Brownfield Plan was set for May 18, 2026 by the City Council at the May 4, 2026 meeting.

Attached is a resolution for consideration by the City Council to approve the 1011 S. Mitchell Brownfield Plan to support commercial redevelopment in the City of Cadillac.

### **Recommended Action**

Adopt the attached resolution to approve the 1011 S. Mitchell Brownfield Plan.

**RESOLUTION NO. 2026-3646**

**Resolution Approving Brownfield Plan  
1011 S. Mitchell Redevelopment**

At a regular meeting of the Cadillac City Council held at Cadillac City Hall, 200 North Lake Street, Cadillac, Michigan on May 18, 2026 at 6:00 p.m., the following resolution was offered by

Councilperson \_\_\_\_\_ and supported by

Councilperson \_\_\_\_\_.

**WHEREAS**, the Michigan Brownfield Redevelopment Financing Act, Act 381, P.A. 1996 as amended ("Act 381"), authorizes municipalities to create a brownfield redevelopment authority to promote the revitalization, redevelopment, and reuse of contaminated, blighted, functionally obsolete, historically designated or housing property through tax increment financing of Eligible Activities approved in a Brownfield Plan; and

**WHEREAS**, the City Council established the Cadillac Brownfield Redevelopment Authority ("CBRA") under the procedures in Act 381 on December 6, 1996 to facilitate the redevelopment of Brownfields within the City of Cadillac; and,

**WHEREAS**, A Brownfield Plan has been prepared and submitted to support the redevelopment of 1011 S. Mitchell Street in the City of Cadillac into a Dunkin' outlet; and

**WHEREAS**, the 1011 S. Mitchell Brownfield Plan was submitted to the CBRA that: (1) establishes the properties as Eligible Property, (2) outlines Brownfield Eligible Activities, (3) estimates the impact to taxing jurisdictions, and (4) provides for the reimbursement of the Eligible Activity expenses from taxes generated by increased private investment on the Eligible Property; and

**WHEREAS**, on May 4, 2026, the CBRA reviewed, approved, and recommended approval of the Brownfield Plan to the City Council, finding the Brownfield Plan met the requirements of Act 381 and constitutes a public purpose of redevelopment of vacant property, job creation, increased private investment and economic development, and increased property tax value; and

**WHEREAS**, the City Council has determined that the Brownfield Plan meets the requirements of Act 381 and constitutes a public purpose of redevelopment of vacant property, job creation, increased private investment and economic development, and increased property tax value; and

**WHEREAS**, a public hearing on the Brownfield Plan has been noticed and held on May 18, 2026 and notices to taxing jurisdictions have been provided in compliance with the requirements of Act 381;

**WHEREAS**, the City Council has reviewed the Brownfield Plan and finds, in accordance with the requirements of Section 14 of Act 381 that:

- (a) The Brownfield Plan meets the requirements of Section 13 of Act 381, Brownfield Plan Provisions as described in the Brownfield Plan, consistent with format recommended by the State of Michigan, including a description of the costs intended to be paid with tax increment revenues, a brief summary of Eligible Activities, estimate of captured taxable value and tax increment revenues, method of financing, maximum amount of indebtedness, beginning date and duration of capture, estimate of impact on taxing jurisdictions, legal description of eligible property, estimates of persons residing on the Eligible Property if applicable, and a plan and provisions for relocation of residents, if applicable;
- (b) The proposed method of financing the costs of Eligible Activities through developer sources is feasible, as described in Section 2.4 of the Brownfield Plan;
- (c) The costs of Eligible Activities proposed are reasonable and necessary to carry out the purposes of Act 381, and the cost estimates are based on evaluation from certified professionals, experience in comparable projects, and preliminary discussions with reputable companies, as described in Section 2.2 of the Brownfield Plan; and
- (d) The amount of captured taxable value estimated from the adoption of the Brownfield Plan is reasonable, as calculated in Table 2 of the Brownfield Plan, based on calculations of the tax revenues derived from taxable value increases and millage rates approved and authorized by the taxing jurisdictions on an annualized basis and balances against the outstanding Eligible Activity obligation approved as part of the Brownfield Plan and expenses reviewed and approved by the Cadillac Brownfield Redevelopment Authority; and

**NOW, THEREFORE**, the City Council of the City of Cadillac, Wexford County, Michigan resolves as follows:

1. Pursuant to the Brownfield Redevelopment Financing Act, Act 381 of the Public Acts of 1996, as amended, being MCL 125.2651, *et seq*, the Cadillac City Council hereby approves the 1011 S. Mitchell Brownfield Plan in Cadillac.
2. Should any section, clause or phrase of this Resolution be declared by the courts to be invalid, the same shall not affect the validity of this Resolution as a whole nor any part thereof, other than the part so declared to be invalid.
3. Any prior resolution, or any part thereof, in conflict with any of the provisions of this Resolution is hereby repealed, but only to the extent necessary to give this Resolution full force and effect.

## Project Summary

Berry Dakroub Enterprises, LLC is redeveloping the vacant property at 1011 S. Mitchell Street into a Dunkin outlet. The redevelopment requires extraordinary costs, including asbestos abatement and selective demolition.

This Brownfield Plan will provide incremental tax revenues to repay certain Eligible Activities, including Baseline Environmental Assessment (BEA) activities, asbestos abatement and selective demolition that are critical to the economic viability of the redevelopment.

The property qualifies as Brownfield Eligible Property as a Part 201 Facility with contamination above Michigan Environment, Great Lakes and Energy (EGLE) Generic Cleanup Criteria.

**Project Name:** 1011 S. Mitchell Redevelopment

**Project Location:** The Eligible Property is comprised of one parcel in the City of Cadillac at 1011 S. Mitchell Street.

**Type of Eligible Property:** Part 201 Facility

**Eligible Activities:** Baseline Environmental Assessment, Asbestos Abatement, Demolition.

## **BROWNFIELD PLAN**

### **1011 S. MITCHELL REDEVELOPMENT CADILLAC, MICHIGAN**

#### **CITY OF CADILLAC BROWNFIELD REDEVELOPMENT AUTHORITY**

##### ***1.0 INTRODUCTION***

Act 381, P.A. 1996, as amended, was enacted to promote the revitalization, redevelopment and reuse of sites identifies as a facility, blighted, functionally obsolete, historic resource or housing property through incentives adopted as part of a Brownfield Plan. The Brownfield Plan outlines the qualifications, costs, impacts, and incentives for the project.

The Brownfield Plan must be approved by the City of Cadillac Brownfield Redevelopment Authority (CBRA) established under Act 381, as amended and the Cadillac City Council. State tax capture requires approval of an Act 381 Work Plan by, as applicable, the Michigan Department of Environment, Great Lakes and Energy (EGLE) for Environmental (“Department Specific”) Eligible Activities, the Michigan Strategic Fund (MSF) for Non-Environmental Eligible Activities and the Michigan State Housing Development Authority (MSHDA) for Housing Development Activities, with exemptions for certain Eligible Activities, including Baseline Environmental Assessment, Due Care Investigation and Planning, and Pre-Demolition Surveys, as well as Asbestos Abatement and Demolition not to exceed \$250,000.

The City of Cadillac established the City of Cadillac Brownfield Redevelopment Authority under the procedures required under Act 381 on December 6, 1996, the first such Authority in the State of Michigan.

This Brownfield Plan is for the redevelopment of 1011 S. Mitchell Street in the City of Cadillac, Wexford County, Michigan, consistent with Act 381. The Brownfield Plan describes the public purpose and qualifying factors for determining the site as an Eligible Property, the Eligible Activities and estimated costs, the impacts of tax increment financing, and other project factors.

##### **1.1 Proposed Redevelopment and Future Use for Each Eligible Property**

The proposed redevelopment will conduct asbestos abatement and selective demolition and renovate an existing vacant building for a Dunkin outlet.

The property is zoned B-3 General Business District and is governed by the zoning ordinance of the City of Cadillac. The redevelopment received Site Plan Approval from the City of Cadillac Planning Department.

The estimated private investment is anticipated at \$800,000. The project is located in the City of Cadillac, which is a Qualified Local Governmental Unit (QLGU).

### 1.2 Eligible Property Information

The Eligible Property includes one parcel, as described below:

### 1.3 Public Purpose *MCL 125.2664(5):*

The redevelopment of 1011 S. Mitchell Street into a commercial enterprise will redevelop vacant property, provide jobs and increase property taxes. After the Brownfield obligation is met, the project is estimated to generate property taxes at over \$36,849 per year.

## 2.0 INFORMATION REQUIRED BY SECTION 13(2) OF THE STATUTE

### 2.1 Description of Project and Plan Costs *MCL 125.2663(2)(a):*

The redevelopment of 1011 S. Mitchell into a Dunkin outlet will redevelop a vacant blighted building, provide jobs and increase property values. The Brownfield Plan includes Environmental and Non-Environmental Eligible Activities:

Environmental Eligible Activities include:

- Baseline Environmental Assessment Activities
  - Phase I Environmental Site Assessment
  - Phase II Environmental Site Assessment
  - Baseline Environmental Assessment
  - Due Care Plan

Non-Environmental Eligible Activities include:

- Lead and Asbestos Abatement
- Demolition

Other Eligible Activities include:

- Brownfield Plan development and approval.
- Brownfield Plan implementation.
- Administrative and operating costs of the CEBRA with local tax capture only.

| Eligible Activities                             | Environmental   | Non-Environmental | TOTAL            |
|-------------------------------------------------|-----------------|-------------------|------------------|
| <b>ELIGIBLE ACTIVITY SUBTOTAL</b>               | <b>\$14,050</b> | <b>\$253,000</b>  | <b>\$267,050</b> |
| <b>Brownfield Plan Development and Approval</b> | <b>\$2,000</b>  | <b>\$8,000</b>    | <b>\$10,000</b>  |
| <b>Brownfield Plan Implementation</b>           | <b>\$10,000</b> | <b>\$40,000</b>   | <b>\$50,000</b>  |
| <b>TOTAL ELIGIBLE ACTIVITY</b>                  | <b>\$26,050</b> | <b>\$301,000</b>  | <b>\$327,050</b> |

Additional details are provided in Table 1.1: Environmental Eligible Activities and Table 1.2 Non-Environmental Eligible Activities.

The cost of Eligible Activities included in and authorized by this Brownfield Plan will be reimbursed with incremental applicable local and state tax revenue generated by the increased private investment on the Eligible Property and captured by the CBRA, subject to any limitation and conditions described in this Brownfield Plan, Act 381 Work Plan and the terms of a Development and Reimbursement Agreement between the Developer, and the CBRA. State tax capture requires approval of an Act 381 Work Plan by the Michigan Department of Environment, Great Lakes and Energy (EGLE) for Environmental Eligible Activities with exemptions for certain Eligible Activities, including Baseline Environmental Assessment and Due Care Investigation and Planning Activities and the Michigan Strategic Fund (MSF) for Non-Environmental Eligible Activities with exemptions for abatement and demolition costs up to \$250,000.

The Eligible Activity costs included in this Brownfield Plan are estimated and may increase or decrease depending on the nature and extent of unknown conditions encountered on the Eligible Property or other circumstances. Reimbursement will be based on the actual cost of Eligible Activities approved under this Brownfield Plan and an Act 381 Work Plan from Brownfield Tax Increment Financing (TIF) revenues captured by the Authority and shall be governed by the terms and conditions of the Development and Reimbursement Agreement and Section 2 of Act 381 of 1996, as amended (MCL 125.2652). This Brownfield Plan and the Development and Reimbursement Agreement establish the maximum Eligible Activity cost. Line-item Eligible Activity may be adjusted after the adoption of this Brownfield Plan with the approval of the Authority, as long as the total maximum Eligible Activity cost is not exceeded.

## **2.2 Summary of Eligible Activities      *MCL 125.2663(2)(b):***

Act 381 provides for the costs of certain Eligible Activities to be reimbursed through tax increment financing. The following is a summary of Eligible Activities:

Act 381 provides for the costs of certain Environmental and Non-Environmental Eligible Activities to be reimbursed through tax increment financing. The following is a summary of Environmental and Non-Environmental Eligible Activities.

### ***EGLE Environmental Eligible Activities***

1. *Baseline Environmental Assessment (BEA) Activities:* BEA Activities include Phase I Environmental Site Assessments (ESAs), Phase II ESAs, and Baseline Environmental Assessments to provide an exemption for the developer and assigns from environmental liability for pre-existing contamination. Act 381 includes provisions for Baseline Environmental Activities to be conducted prior to the approval of a Brownfield Plan for local tax capture (Section 13b.(9)(b)) and for State tax capture without EGLE approval (Section 13b.(8)(a-b)), as long as included in a subsequent Brownfield Plan.
  - A. *Phase I ESA:* A Phase I ESA update was conducted for subject property in May 2025 consistent with ASTM Standard E1527-21. The Phase I ESA includes a review of historical and current information, including regulatory agency files, historical maps, and past uses to evaluate the potential for contamination, a site inspection of both the grounds and the exterior and interior of buildings on the property, and interviews with individuals knowledgeable about the past use of the property to identify any Recognized Environmental Conditions (RECs). The Phase I report identified the potential for impact from petroleum hydrocarbon releases from adjoining Leaking Underground Storage Tanks (LUSTs).
  - B. *Phase II ESA:* A Phase II Environmental Site Assessment was conducted for the subject property based on existing site features and proposed site layout in April 2025. The Phase II ESA results identified the presence of contamination in groundwater that exceeded EGLE Part 201 Generic Cleanup Criteria.
  - C. *Baseline Environmental Assessment:* A BEA was prepared on behalf of Dakroub Holdings, Inc. and filed with EGLE to provide an exemption from environmental liability for pre-existing contamination.

### **Other Activities**

*Brownfield Plan and Work Plan Preparation:* The preparation and approval of the Brownfield Plan and Act 381 Work Plans are included as Eligible Activities. These costs are allocated between EGLE Environmental Eligible Activities and MSF Non-Environmental Eligible Activities.

Brownfield Plan and Work Plan Implementation: The implementation of the Brownfield Plan and Act 381 Work Plans are included as Eligible Activities. These costs are allocated between EGLE Environmental Eligible Activities and MSF Non-Environmental Eligible Activities.

Administrative and Operating Costs: An estimate of reasonable and actual administrative and operating costs of the City of Cadillac Brownfield Redevelopment Authority (CBRA) is included as Eligible Activities as a Local Only Cost. These costs are split between EGLE Environmental Eligible Activities and MSF Non-Environmental Eligible Activities.

The following tables estimate the costs for Eligible Activities to be funded by tax increment revenues.

**EGLE Environmental Eligible Activity Cost**

| <u>Eligible Activities</u>                                     | <b>Estimated Cost</b>  |
|----------------------------------------------------------------|------------------------|
| <b>Baseline Environmental Assessment</b>                       | <i>\$12,750</i>        |
| <b>Due Care</b>                                                | <i>\$1,300</i>         |
| <b>Brownfield Plan/Work Plan Development and Approval Cost</b> | <i>\$2,000</i>         |
| <b>EGLE Environmental Eligible Activities Total</b>            | <b><i>\$14,050</i></b> |
| Brownfield Plan/Work Plan Implementation Cost                  | <i>\$10,000</i>        |
| <b>ENVIRONMENTAL ELIGIBLE ACTIVITIES TOTAL</b>                 | <b><i>\$26,050</i></b> |

**MSF Non-Environmental Eligible Activities**

MSF Non-Environmental Eligible Activities are included under this Brownfield Plan under the auspices of Act 381. The MSF Non-Environmental Eligible Activities include abatement, demolition, and site preparation.

1. Lead and Asbestos Abatement: NESHAP regulations require a lead and asbestos survey prior to demolition of commercial buildings to demonstrate Potential Asbestos Containing Materials (PACMs) do not contain asbestos by properly testing materials in accordance with OSHA standards. Demolition or remodeling buildings that contain lead, cadmium and/or asbestos is subject to regulations to protect the health of the persons that may be affected.

| <b>Lead and Asbestos Abatement</b> | <b>Total</b>    |
|------------------------------------|-----------------|
| Pre-Demolition Survey              | \$3,000         |
| Monitoring                         | \$2,000         |
| Abatement                          | \$5,000         |
| <b>TOTAL</b>                       | <b>\$10,000</b> |

2. Demolition: In preparation for redevelopment, selective demolition will be conducted on the existing building. The scope of work includes engineering specifications, contractor procurement and selective demolition of buildings and unusable asphalt and infrastructure.

| Demolition          | Total     |
|---------------------|-----------|
| Site Demolition     | \$10,000  |
| Building Demolition | \$200,000 |
| TOTAL               | \$210,000 |

Total Eligible Activities also include a 15% contingency.

**Other Activities**

Brownfield Plan and Work Plan Preparation: The preparation and approval of the Brownfield Plan and Act 381 Work Plans are included as Eligible Activities. These costs are allocated between EGLE Environmental Eligible Activities and MSF Non-Environmental Eligible Activities.

Brownfield Plan and Work Plan Implementation: The implementation of the Brownfield Plan and Act 381 Work Plans are included as Eligible Activities. These costs are allocated between EGLE Environmental Eligible Activities and MSF Non-Environmental Eligible Activities.

Administrative and Operating Costs: An estimate of reasonable and actual administrative and operating costs of the City of Cadillac Brownfield Redevelopment Authority (CBRA) is included as Eligible Activities for Local Only capture. These costs are split between EGLE Environmental Eligible Activities and MSF Non-Environmental Eligible Activities.

**2.3 Estimate of Captured Taxable Value and Tax Increment Revenues** *MCL 125.2663(2)(c):*

Act 381 defines Initial Taxable Value as taxable value of an Eligible Property identified in and subject to a Brownfield Plan at the time the resolution adding that Eligible Property in the Brownfield Plan is adopted, as shown either by the most recent assessment roll for which equalization has been completed at the time the resolution is adopted or, if provided by the Brownfield Plan, by the next assessment roll for which equalization will be completed following the date the resolution adding that Eligible Property in the Brownfield Plan is adopted.

The taxable value as of December 31, 2024 is **\$78,600**. As provided in this Brownfield Plan, the Initial Taxable Value Base Year is 2025, based on the taxable value as of December 31, 2024.

The EGLE Environmental and MEDC Non-Environmental Eligible Activity costs total \$267,050.

Other expenses for which Brownfield Tax Increment Revenues may be used include Administrative and Operating Costs of the CBRA, Brownfield Plan/Work Plan Development and Implementation Costs, Local Brownfield Revolving Fund, and the State Brownfield Redevelopment Fund.

**Administrative and Operating Costs (Section 13b(7))**

Act 381 provides for the capture of Brownfield Tax Increment Revenues for reasonable and actual administrative and operating expenses of the CBRA with local taxes only. The estimated amount of administrative and operating expenses allocated under this Brownfield Plan is \$9,267.

**Brownfield Plan/Work Plan Development and Implementation (Section 13b(7)(a)(iii)(iv), Section 13b(7)(b)(i)(ii))**

Act 381 provides for the capture of Brownfield Tax Increment Revenues for the cost of developing and implementing Brownfield Plans and Act 381 Work Plans with both local and state taxes. The estimated amount for Brownfield Plan / Act 381 Work Plan Development allocated under this Brownfield Plan is \$60,000.

**Local Brownfield Revolving Fund ("LBRF") (Section 8; Section 13(2)(m))**

The CBRA has established a Local Brownfield Revolving Fund (LBRF). The LBRF will consist of all tax increment revenues authorized to be captured and deposited in the LBRF, as specified in Section 13(5) of Act 381, under this Brownfield Plan and any other plan of the CBRA. The LBRF may also include funds appropriated or otherwise made available from public or private sources.

The amount of tax increment revenue authorized for capture and deposit in the LBRF is currently estimated at \$18,813. All funds deposited in the LBRF shall be used in accordance with Section 8 of Act 381.

**Brownfield Redevelopment Fund (Section 8a; Section 13(2)(m))**

The CBRA shall pay to the Department of Treasury at least once annually an amount equal to 50% of the taxes levied under the state education tax, 1993 PA 331, MCL 211.901 to 211.906, that are captured under this Brownfield Plan for the duration of capture up to the first twenty-five (25) years of tax increment revenues for each eligible property included in this Brownfield Plan. If the CBRA pays an amount equal to 50% of the taxes levied under the state education tax, 1993 PA 331, MCL 211.901 to 211.906, on a parcel of eligible property to

the Department of Treasury under Section 13b(14) of Act 381, the percentage of local taxes levied on that parcel and used to reimburse eligible activities for the Project under this Brownfield Plan shall not exceed the percentage of local taxes levied on that parcel that would have been used to reimburse eligible activities for the Project under this Brownfield Plan if the 50% of the taxes levied under the state education tax, 1993 PA 331, MCL 211.901 to 211.906, on that parcel were not paid to the Department of Treasury under Section 13b(14) of Act 381. The estimated allocation to the State Brownfield Redevelopment Fund is \$17,046.

The overall investment for the Project is estimated at over *\$800,000*.

Table 2 identifies taxable values for real and personal property, including tax increment revenues for the Eligible Property. In addition, 3 mills are captured and distributed to the State for the State Brownfield Redevelopment Fund for the time period in which State taxes are captured for EGLE Department Specific Eligible Activities and MSF Non-Environmental Eligible Activities. In accordance with Act 381, this share does not affect the State and local ratio. The Brownfield Plan provides a Brownfield TIF capture period of ***Twelve (12) years*** or the period of time to reimburse the Maximum Eligible Activity Cost, whichever is less.

Redevelopment of the property began in Summer 2025, with site and selective demolition. The actual tax increment captured will be based on taxable value set through the property assessment process by the local unit of government and equalized by the County and the millage rates set each year by the taxing jurisdictions. The estimated tax increment captured by the Authority is detailed in Table 2.

#### **2.4 Method of Financing and Description of Advances Made by the Municipality**

***MCL 125.2663(2)(d):***

The Eligible Activities are to be financed solely by the Developer. The CBRA will reimburse the Developer for the cost of approved Eligible Activities, but only from tax increment revenues generated and captured from the Eligible Property. No advances have been or shall be made by the City or the CBRA for the costs of Eligible Activities under this Brownfield Plan.

#### **2.5 Maximum Amount of Note or Bond Indebtedness**      ***MCL 125.2663(2)(e):***

The maximum amount of Eligible Activities is anticipated to be ***\$267,050***.

#### **2.6 Beginning Date and Duration of Capture**      ***MCL 125.2663(2)(f):***

The beginning date of capture is 2026. The maximum duration of Brownfield Plan capture is 12 years.

**2.7 Estimated Impact of Tax Increment Financing on Tax Revenues of Taxing Jurisdictions** *MCL 125.2663(2)(g):*

Table 2.1 and 2.2 identify annual and total tax revenues projected for capture from the increase in property tax valuations. Individual tax levies within each taxing jurisdiction are also presented on Table 2.1. The taxing jurisdictions will continue to receive their tax allocation for the project once the Brownfield obligation is met and beyond the duration of the Brownfield Plan.

The total tax capture is estimated at \$327,051 for Eligible Activities. The Brownfield Plan also includes \$60,000 in Brownfield Plan development, approval and implementation, CBRA Administrative and Operating Costs, estimated at \$9,267 and capture of 50% of the State Education Tax for the State Brownfield Fund as required by Act 381, estimated at \$17,046 for this Brownfield Plan. The Brownfield Plan also provides for deposits into the Local Brownfield Revolving Fund (“LBRF”) during the period of capture, with State tax capture limited to an amount equal to State tax capture for EGLE Department Specific Eligible Activities if available, plus up to five years after Eligible Activity capture. This Brownfield Plan includes LBRF capture only during Eligible Activity capture. LBRF deposits from local and state taxes are estimated at \$17,046.

After the Brownfield obligation is met, tax revenues in an amount estimated at over \$36,849 per year into the future.

**2.8 Legal Description, Location, and Determination of Eligibility** *MCL 125.2663(2)(h):*

Legal Description: The legal description of the Eligible Property follows:

| Parcel Number    | Address          | Legal Description                                                                                                                   |

Location: The Eligible Property is located at 1011 S. Mitchell in the City of Cadillac, Wexford County, Michigan. Figure 1 depicts the location of the Eligible Property and Figure 2 depicts the Eligible Property boundaries.

Eligibility Determination: The property qualifies under the definition of a Part 201 Facility in Act 381 as property for which contamination in excess of EGLE Generic Cleanup Criteria exists.

**2.9 Estimate of Number of Persons Residing on Eligible Property**      ***MCL 125.2663(2)(i):***

There are currently no residential dwellings or residences that occupy the Eligible Property.

**2.10 Plan for Residential Relocation**      ***MCL 125.2663(2)(j):***

The Eligible Property does not currently contain any residential dwellings; therefore, a plan for residential relocation is not applicable.

**2.11 Provision of Costs of Relocation**      ***MCL 125.2663(2)(k):***

The Eligible Property does not currently contain any residential dwellings; therefore, a provision for residential relocation has not been allocated.

**2.12 Strategy to Comply with Relocation Assistance Act, 1972 PA 227**      ***MCL 125.2663(2)(l):***

The Eligible Property does not currently contain any residential dwellings; therefore, relocation is not necessary.

**2.13 Other Material Required by the Authority or Governing Body**      ***MCL 125.2663(2)(m):***

None

**Resolution Approving Brownfield Plan  
1011 S. Mitchell Redevelopment**

At a regular meeting of the Cadillac City Council held at Cadillac City Hall, 200 North Lake Street, Cadillac, Michigan on May 18, 2026 at 6:00 p.m., the following resolution was offered by

Councilperson \_\_\_\_\_ and supported by

Councilperson \_\_\_\_\_.

**WHEREAS**, the Michigan Brownfield Redevelopment Financing Act, Act 381, P.A. 1996 as amended ("Act 381"), authorizes municipalities to create a brownfield redevelopment authority to promote the revitalization, redevelopment, and reuse of contaminated, blighted, functionally obsolete, historically designated or housing property through tax increment financing of Eligible Activities approved in a Brownfield Plan; and

**WHEREAS**, the City Council established the Cadillac Brownfield Redevelopment Authority ("CBRA") under the procedures in Act 381 on December 6, 1996 to facilitate the redevelopment of Brownfields within the City of Cadillac; and,

**WHEREAS**, A Brownfield Plan has been prepared and submitted to support the redevelopment of 1011 S. Mitchell Street in the City of Cadillac into a Dunkin outlet; and

**WHEREAS**, the 1011 S. Mitchell Brownfield Plan was submitted to the CBRA that: (1) establishes the properties as Eligible Property, (2) outlines Brownfield Eligible Activities, (3) estimates the impact to taxing jurisdictions, and (4) provides for the reimbursement of the Eligible Activity expenses from taxes generated by increased private investment on the Eligible Property; and

**WHEREAS**, on May 4, 2026, the CBRA reviewed, approved, and recommended approval of the Brownfield Plan to the City Council, finding the Brownfield Plan met the requirements of Act 381 and constitutes a public purpose of redevelopment of vacant property, job creation, increased private investment and economic development, and increased property tax value; and

**WHEREAS**, the City Council has determined that the Brownfield Plan meets the requirements of Act 381 and constitutes a public purpose of redevelopment of vacant property, job creation, increased private investment and economic development, and increased property tax value; and

**WHEREAS**, a public hearing on the Brownfield Plan has been noticed and held on May 18, 2026 and notices to taxing jurisdictions have been provided in compliance with the requirements of Act 381;

**WHEREAS**, the City Council has reviewed the Brownfield Plan and finds, in accordance with the requirements of Section 14 of Act 381 that:

- (a) The Brownfield Plan meets the requirements of Section 13 of Act 381, Brownfield Plan Provisions as described in the Brownfield Plan, consistent with format recommended by the State of Michigan, including a description of the costs intended to be paid with tax increment revenues, a brief summary of Eligible Activities, estimate of captured taxable value and tax increment revenues, method of financing, maximum amount of indebtedness, beginning date and duration of capture, estimate of impact on taxing jurisdictions, legal description of eligible property, estimates of persons residing on the Eligible Property if applicable, and a plan and provisions for relocation of residents, if applicable;
- (b) The proposed method of financing the costs of Eligible Activities through developer sources is feasible, as described in Section 2.4 of the Brownfield Plan;
- (c) The costs of Eligible Activities proposed are reasonable and necessary to carry out the purposes of Act 381, and the cost estimates are based on evaluation from certified professionals, experience in comparable projects, and preliminary discussions with reputable companies, as described in Section 2.2 of the Brownfield Plan; and
- (d) The amount of captured taxable value estimated from the adoption of the Brownfield Plan is reasonable, as calculated in Table 2 of the Brownfield Plan, based on calculations of the tax revenues derived from taxable value increases and millage rates approved and authorized by the taxing jurisdictions on an annualized basis and balances against the outstanding Eligible Activity obligation approved as part of the Brownfield Plan and expenses reviewed and approved by the Cadillac Brownfield Redevelopment Authority; and

**NOW, THEREFORE**, the City Council of the City of Cadillac, Wexford County, Michigan resolves as follows:

- 1. Pursuant to the Brownfield Redevelopment Financing Act, Act 381 of the Public Acts of 1996, as amended, being MCL 125.2651, *et seq*, the Cadillac City Council hereby approves the 1011 S. Mitchell Brownfield Plan in Cadillac.
- 2. Should any section, clause or phrase of this Resolution be declared by the courts to be invalid, the same shall not affect the validity of this Resolution as a whole nor any part thereof, other than the part so declared to be invalid.
- 3. Any prior resolution, or any part thereof, in conflict with any of the provisions of this Resolution is hereby repealed, but only to the extent necessary to give this Resolution full force and effect.

## **Council Communication**

### *Re: Aspen View Apartments Brownfield Plan*

A Brownfield Plan is being proposed for the redevelopment of 910 Aspen Street for two residential duplex buildings totaling four residential units on a currently vacant parcel, two of which will be targeted with rents for income qualified households at or below 120% Area Median Income (AMI). New parking lots will be constructed in the southeast and northwest portions of the property to serve residents.

A public hearing for consideration of the Brownfield Plan was set for May 18, 2026 by the City Council at the May 4, 2026 meeting.

The property qualifies as Housing Eligible Property with “1 or more units of residential housing are proposed to be constructed, rehabilitated or otherwise designed to be used as a dwelling” and Approval of the Brownfield Plan will provide for the reimbursement the proposed Eligible Activities include environmental due diligence, demolition, site preparation, and the Housing Financing Gap which provides for reimbursement provided to a developer to fill a financing gap associated with the development of housing units priced for income qualified households.

After review of project finances, the request for the Maximum Eligible Activity costs was reduced from \$310,786 to \$228,791 and the estimated Tax Increment Financing Term was reduced from 22 years to 18 years. The Development and Reimbursement Agreement will provide for a recalibration based on actual project expenditures. If actual costs come in lower, the Eligible Activity cost will be lower and the TIF term reduced.

The Brownfield Plan was presented to and approved by the City of Cadillac Brownfield Redevelopment Authority (CBRA) at their May 4, 2026 meeting with a recommendation for City Council approval.

Attached is a resolution for consideration by the City Council to approve the Aspen View Apartments Brownfield Plan to support workforce housing in the City of Cadillac.

## **PROJECT SUMMARY**

|                                          |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |

## **1.0 INTRODUCTION**

The City of Cadillac Brownfield Redevelopment Authority (the “Authority”, “CBRA”, “BRA”), duly established by resolution of the City of Cadillac City Council (the “City”), pursuant to the Brownfield Redevelopment Financing Act, Michigan Public Act 381 of 1996, MCLA 125.2651 et. seq., as amended (“Act 381”), is authorized to exercise its powers within the City of Cadillac, Michigan.

### **1.1 Proposed Redevelopment and Future Use for Each Eligible Property**

The Project is a complete redevelopment of the Eligible Property and includes the construction of two residential duplex buildings and two parking lots. The planned construction will transform a currently vacant parcel into new residential buildings.

The new buildings will include a total of 4 residential units with two (2) units per building. New parking lots will be constructed in the southeast and northwest portions of the property to serve residents.

The total anticipated investment into the project is estimated at \$592,404. The project will result in the transformation of a vacant parcel in the City of Cadillac, Wexford County. This project will dramatically improve the appearance of the Property.

The improvements to the Property will be permanent and significantly increase the taxable value of the Property. These improvements will also assist in increasing the property values of nearby properties.

The Project would not be possible without financial support through Brownfield Tax Increment Financing (TIF).

This project does not anticipate creating any new jobs.

### **1.2 Eligible Property Information**

This Brownfield Plan is presented to support the Developer in the redevelopment of a single parcel of land, located at 910 Aspen Street in Cadillac, Wexford County, Michigan (the “Property”). The location of the Property is depicted in Figure 1.

The Property consists of a single parcel of land totaling approximately 0.53 acres. The Property is fully defined in the following table and Section 2.8 of this Brownfield Plan.

| Eligible Property |                  |                      |
|-------------------|------------------|----------------------|
| Address           | Tax ID           | Basis of Eligibility |
| 910 Aspen Street  | 10-087-00-018-00 | "Housing property"   |

The Property is zoned Multi-Family Residential (RM-2) and is located within the City of Cadillac, Wexford County.

The Property is surrounded by residential properties. Property layout and boundaries are depicted in Figure 2. The legal description of the Property is included in Attachment A.

Based on a review of historical information, the Property was developed with a residential building prior to 1923. The building was used for residential purposes from 1923 (the earliest date available) until approximately 2020. From at least 2020 until 2023 the building was unoccupied, it is unclear when the building first became unoccupied. The building was demolished in 2023. Currently, the Property is vacant.

#### **1.2.1 Environmental**

Environmental assessments (e.g. Phase I and Phase II ESAs) known to have been performed at the Property occurred in 2025 and 2026. No contamination is known to exist at the Property.

#### **1.2.2 Specific Housing Need**

The City of Cadillac has identified a specific need for multifamily housing. This is supported, and outlined in, the City of Cadillac 2015 Master Plan, the most recent plan available.

In 2015, the City of Cadillac adopted the "City of Cadillac Master Plan" (the plan). According to the plan "...the development of new housing of all types has been very modest and generally limited to owner-occupied homes constructed on vacant sites in developed residential neighborhoods." (pg. 10). This project aims to address the demand for rental housing, whose popularity has only increased in the work from home, post-pandemic, culture we find ourselves currently in. Under Housing and Neighborhood Plan Objectives – Multi Family the plan states "Encourage the placement of medium to high-density apartments and residential condominium complexes within or near the Central Business District. (pg. 28)." This development will create a low-to-medium-density residential complex south of the Central Business District, connecting the District with the Mitchell Street Corridor. Further, two lines down on page 28 the plan states "Continue to provide for a range of multiple-family housing choices to meet the housing needs and desires of all household income levels." This project aims to accomplish that, with planned development of two residential duplex buildings that will include a total of four residential units.

In addition, Housing North retained Bowen National Research to conduct a “Housing Needs Assessment” for northwest Michigan counties which was published in 2023. According to the study, Wexford County, and more specifically Cadillac, has a need for housing. Of the twelve conventional rental properties surveyed in Cadillac, all have occupancy rates of 100% and two are age restricted to senior citizens (Addendum A-(57-62)). With occupancy at 100% for all properties, there is a pent-up demand for housing units within the City, especially those that are not age restricted.

This plan seeks to utilize MSHDA Housing TIF (Housing TIF). If successful, the use of Housing TIF means that rent prices, for units utilizing Housing TIF, will be kept attainable to persons at or below 120% Area Median Income (AMI) for a period the lesser of 30 years or the expiration of projected tax increment capture for reimbursement of housing development activities. The total cost for housing development activities is \$111,600, for Gap Financing. Of the 4 residential units being created, 2 units (50%) will be income restricted and kept attainable to persons at or below 120% AMI, until \$111,600 is reimbursed; estimated on Table 3 to be 11 years. Attainability will be verified through the annual reporting requirements set forth by the BRA and MSHDA. Local workforce housing price points were determined by MSHDA’s annually published, Income and Rent Limits document.

### **1.2.3 Job Growth Data**

According to data gathered from the United States Census Bureau and compiled in a “Work Area Profile Report” the five year (2017-2021) total job count for the City of Cadillac is down from 7,580 to 7,172 jobs a -5.4% decrease. However, it should be noted that an upward trend exists from 2020 through 2021 of 7,119 jobs to 7,172 jobs, presumptively as the job market recovers from the Covid-19 pandemic. This assumption is further supported when we look at the five-year year-to-year trend, with pandemic years 2019-2020 having the only negative trend from their respective previous years. As the job market in Cadillac continues to recover, additional housing units will be required to support the growing workforce. The Work Area Profile Report is provided as Attachment B.

### **1.2.4 Eligibility**

The Property is considered an “Eligible Property” as defined by Act 381, Section 2 because: (a) the Property meets the definition of a “Housing property” under Section 2(y)(ii).

## **2.0 INFORMATION REQUIRED BY SECTION 13(2) OF THE STATUTE**

### **2.1 Description of Costs to Be Paid with Tax Increment Revenues**

The Developer and the BRA will be reimbursed with the new local and state taxes levied by the Project for the costs of Eligible Activities necessary to support redevelopment of the Property. The activities that are intended to be carried out at the Property are considered “Eligible Activities” as defined by Sec 2 of Act 381.

Brownfield Eligible Activities include EGLE pre-approved activities, demolition activities, site preparation activities, infrastructure improvement activities (public and private), housing development activities in the form of gap financing for income qualified housing units, and preparation and implementation of a Brownfield Plan and Act 381 Work Plan.

The costs of Eligible Activities included in, and authorized by, this Brownfield Plan will be reimbursed with incremental local and state tax revenues generated by the Property and captured by the BRA, subject to any limitations and conditions described in this Brownfield Plan and the terms of a Reimbursement Agreement (the “Reimbursement Agreement”) between the Developer and the Authority.

### **2.2 Summary of Eligible Activities**

The total cost of activities eligible for Developer reimbursement from TIR is projected to be \$228,791. The total cost of activities eligible for BRA reimbursement from TIR is projected to be \$50,000 (total cost of Brownfield Plan Implementation). The Eligible Activities are summarized in the table on the following page.

| Summary of Eligible Activities                       |                  |
|------------------------------------------------------|------------------|
| <b>EGLE Eligible Activities</b>                      |                  |
| Pre-Approved Activities                              | \$11,000         |
| <b>EGLE Eligible Activities Sub-Total</b>            | <b>\$11,000</b>  |
| <b>MSHDA Eligible Activities</b>                     |                  |
| Demolition Activities                                | \$28,749         |
| Site Preparation Activities                          | \$5,640          |
| Infrastructure Improvement Activities                | \$52,802         |
| Housing Financing Gap                                | \$111,600        |
| <b>MSHDA Eligible Activities Sub-Total</b>           | <b>\$198,791</b> |
| Brownfield Plan and Act 381 Work Plan Preparation    | \$19,000         |
| Brownfield Plan and Act 381 Work Plan Implementation | \$50,000         |
| <b>Total Eligible Cost for Reimbursement</b>         | <b>\$278,791</b> |

A detailed breakdown of Eligible Activities is provided in Table 1, Brownfield Eligible Activities.

The costs listed above are estimated and may increase or decrease depending on the nature and extent of unknown conditions encountered on the Property. The actual cost of those Eligible Activities encompassed by this Brownfield Plan that will qualify for reimbursement from tax increment revenues captured by the BRA shall be governed by the terms of a Reimbursement Agreement. No costs of Eligible Activities will be qualified for reimbursement except to the extent permitted in accordance with the terms and conditions of the Reimbursement Agreement and Section 2 of Act 381 of 1996, as amended (MCL 125.2652).

The Reimbursement Agreement, this Brownfield Plan, and the MSHDA Act 381 Work Plan will dictate the total cost of Eligible Activities subject to reimbursement. As long as the total cost limit described in this Brownfield Plan and the MSHDA Act 381 Work Plan is not exceeded, line-item costs of Eligible Activities may be adjusted within MSHDA Eligible Activities after the Brownfield Plan is approved.

### 2.3 Estimate of Captured Taxable Value and Tax Increment Revenues

The costs of Eligible Activities included in, and authorized by, this Brownfield Plan will be reimbursed with incremental local and state tax revenues generated by the Property and captured by the BRA.

The 2025 taxable value of the Property is \$14,116. This is the initial taxable value for this Brownfield Plan.

The projected taxable value is estimated at \$270,000 in 2027. The actual taxable value will be determined by the City Assessor after the development is completed.

This plan seeks to utilize MSHDA Housing TIF (Housing TIF). If successful, the use of Housing TIF means that rent prices, for units utilizing Housing TIF, will be kept attainable to persons at or below 120% Area Median Income (AMI) for a period the lesser of 30 years or the expiration of projected tax increment capture for reimbursement of housing development activities. The total cost for housing development activities is \$111,600, for Gap Financing. Of the 4 residential units being created, 2 units (50%) will be income restricted and kept attainable to persons at or below 120% AMI, until \$111,600 is reimbursed; estimated on Table 3 to be 11 years. Attainability will be verified through the annual reporting requirements set forth by the BRA and MSHDA. Local workforce housing price points were determined by MSHDA's annually published, Income and Rent Limits document. Below is a table of unit types, corresponding rent limits at 120% of the area median income, and projected rental rates for units subject to Housing TIF, as proposed.

| Type      | 120% AMI <sup>1</sup> | Project Rent <sup>2</sup>                                                     |
|-----------|-----------------------|-------------------------------------------------------------------------------|
| 1 bedroom | \$1,890               | Base Rent: \$1,600<br>Utilities: \$233<br><b>Total: \$1,833</b><br>(116% AMI) |

<sup>1</sup> Based on MSHDA Income and Rent Limits, dated April 1, 2025.

<sup>2</sup> Utilities, parking fees, and pet fees are estimated. Not all tenants will require additional fees.

It is estimated that the BRA will capture tax increment revenues from 2027 through 2048 to reimburse the Developer and the BRA for eligible activity costs, for BRA capture to administer the Brownfield Plan, and for annual capture for the BRA's Local Brownfield Revolving Fund (LBRF).

The estimated taxable value and estimated tax increment revenue by year and in aggregate for this Project are presented in Table 2, Tax Increment Revenue Capture Estimates, and Table 3, Tax Increment Revenue Allocation Table.

The captured incremental taxable value and associated tax increment revenue will be based on the actual increased taxable value from all real and personal taxable improvements on the Property as determined by the local assessor and the actual millage rates levied by the various taxing jurisdictions during each year of the Brownfield Plan. The actual tax increment captured will be based on taxable value set through the property assessment process by the local unit of government and the millage rates set each year by the taxing jurisdictions.

## **2.4 Method of Financing Plan Costs and Description of Advances by the Municipality**

The Developer is ultimately responsible for financing the costs of its specific Eligible Activities included in this Brownfield Plan. The BRA will not advance any funds to finance the Developer Eligible Activities described in this Brownfield Plan. All Brownfield Plan financing commitments and activities and cost reimbursements authorized under this Brownfield Plan shall be governed by the Reimbursement Agreement. The inclusion of Eligible Activities and estimates of costs to be reimbursed in this Brownfield Plan is intended to authorize the BRA to fund such reimbursement. The amount and source of any tax increment revenues that will be used for purposes authorized by this Brownfield Plan, and the terms and conditions for such use and upon any reimbursement of the expenses permitted by the Brownfield Plan, will be provided solely under the Reimbursement Agreement contemplated by this Brownfield Plan.

Reimbursements under the Reimbursement Agreement shall not exceed the cost of Eligible Activities and reimbursement limits described in this Brownfield Plan.

## **2.5 Maximum Amount of Note or Bonded Indebtedness**

Eligible Activities are to be financed by the Developer. The BRA will not incur any note or bonded indebtedness to finance Brownfield Eligible Activities outlined in this Brownfield Plan.

## **2.6 Duration of Brownfield Plan**

The duration of this Brownfield Plan is projected to be 19 years total with 18 years of tax capture after the first year of tax capture anticipated as 2027. The duration of the Brownfield Plan includes 18 years of Tax Increment Revenue (TIR) capture for reimbursement to the Developer and the CBRA.

In no event shall the duration of the Brownfield Plan exceed 35 years following the date of the resolution approving the Brownfield Plan, nor shall the duration of the tax capture exceed the lesser of the period authorized under subsections (4) and (5) of Section 13 of Act 381 or 30 years, except as authorized by those subsections or other provisions of Act 381. Further, in no event shall the beginning date of the capture of tax increment revenues be later than five years after the date of the resolution approving the Brownfield Plan.

## 2.7 Estimated Impact of Tax Increment Financing on Revenues of Taxing Jurisdictions

The table on the following page presents a summary of the new tax revenues generated by the taxing jurisdictions whose millage is subject to capture by the BRA under this Brownfield Plan. These are estimations based on the components of the proposed redevelopment.

| Projected Impact on Taxing Jurisdictions |                            |                                                               |                             |

## **2.8 Legal Description, Property Map, Statement of Qualifying Characteristics and Personal Property**

A parcel information card and Certified Boundary Survey containing the legal description of the Property is provided in Attachment A. The general Property location and boundaries are shown in Figures 1 and 2.

The subject Property includes all tangible personal property that now or in the future comes to be owned or installed on the Property by the Developer or occupants.

| Eligible Property |                  |                                                                                                                    |

The general Property location and characteristics are described in Section 3.0 and depicted on Figures 1 and 2.

The Property is considered an “Eligible Property” as defined by Act 381, Section 2 because (a) meets the definition of a “Housing property” under Section 2(y)(ii).

The subject Property includes all tangible personal property that now or in the future comes to be owned or installed on the Property by the Developer or occupants.

## **2.9 Estimates of Residents and Displacement of Individuals/Families**

No occupied residences are involved in the redevelopment, no persons reside at the Property, and no families or individuals will be displaced as a result of this development.

## **2.10 Plan for Relocation of Displaced Persons**

No persons will be displaced as a result of this development. Therefore, a plan for relocation of displaced persons is not applicable and is not needed for this Brownfield Plan.

## **2.11 Provisions for Relocation Costs**

No persons will be displaced as result of this development, and no relocation costs will be incurred. Therefore, provision for relocation costs is not applicable and is not needed for this Brownfield Plan.

## **2.12 Strategy for Compliance with Michigan’s Relocation Assistance Law**

No persons will be displaced as result of this development. Therefore, no relocation assistance strategy is needed for this Brownfield Plan.

## **2.13 Other Materials that the Authority or Governing Body Considers Pertinent**

The Authority, with the concurrence of the Cadillac City Council, as the governing body, in accordance with the Act, may amend this Brownfield Plan in the future in order to fund additional Eligible Activities associated with the Project or subject property described herein.

I certify that I have surveyed and mapped the land platted and/or described hereon, that the relative positional precision of each corner is within the limits accepted by the practice of professional surveying and that the requirements of P.A. 132 of 1970, as amended, have been complied with.

This survey plat was prepared for the exclusive use of the person, persons or entity named in the certificate hereon. Said certificate does not extend to any unnamed third person without an express re-certification by the surveyor naming said third person. The estimated accuracy of each corner is estimated to be 0.2'.

**RESOLUTION NO. \_\_\_\_\_**

**Resolution Approving Brownfield Plan  
Aspen View Apartments**

At a regular meeting of the Cadillac City Council held at Cadillac City Hall, 200 North Lake Street, Cadillac, Michigan on May 18, 2026 at 6:00 p.m., the following resolution was offered by

Councilperson \_\_\_\_\_ and supported by

Councilperson \_\_\_\_\_.

**WHEREAS**, the Michigan Brownfield Redevelopment Financing Act, Act 381, P.A. 1996 as amended ("Act 381"), authorizes municipalities to create a brownfield redevelopment authority to promote the revitalization, redevelopment, and reuse of contaminated, blighted, functionally obsolete, historically designated or housing property through tax increment financing of Eligible Activities approved in a Brownfield Plan; and

**WHEREAS**, the City Council established the Cadillac Brownfield Redevelopment Authority ("CBRA") under the procedures in Act 381 on December 6, 1996 to facilitate the redevelopment of Brownfields within the City of Cadillac; and,

**WHEREAS**, A Brownfield Plan has been prepared and submitted to support the redevelopment of 910 Aspen Street in the City of Cadillac into two duplexes for a total of four units, two of which will be targeted with rents for income qualified households at or below 120% Area Median Income (AMI); and

**WHEREAS**, the Aspen View Apartments Brownfield Plan was submitted to the CBRA that: (1) establishes the properties as Eligible Property, (2) outlines Brownfield Eligible Activities, (3) estimates the impact to taxing jurisdictions, and (4) provides for the reimbursement of the Eligible Activity expenses from taxes generated by increased private investment on the Eligible Property; and

**WHEREAS**, on May 4, 2026, the CBRA reviewed, approved, and recommended approval of the Brownfield Plan to the City Council, finding the Brownfield Plan met the requirements of Act 381 and constitutes a public purpose of workforce housing, increased private investment and economic development, and increased property tax value; and

**WHEREAS**, the City Council has determined that the Brownfield Plan meets the requirements of Act 381 and constitutes a public purpose of workforce housing, increased private investment and economic development, and increased property tax value; and

**WHEREAS**, a public hearing on the Brownfield Plan has been noticed and held on May 18, 2026 and notices to taxing jurisdictions have been provided in compliance with the requirements of Act 381;

**WHEREAS**, the City Council has reviewed the Brownfield Plan and finds, in accordance with the requirements of Section 14 of Act 381 that:

- (a) The Brownfield Plan meets the requirements of Section 13 of Act 381, Brownfield Plan Provisions as described in the Brownfield Plan, consistent with format recommended by the State of Michigan, including a description of the costs intended to be paid with tax increment revenues, a brief summary of Eligible Activities, estimate of captured taxable value and tax increment revenues, method of financing, maximum amount of indebtedness, beginning date and duration of capture, estimate of impact on taxing jurisdictions, legal description of eligible property, estimates of persons residing on the Eligible Property if applicable, and a plan and provisions for relocation of residents, if applicable;
- (b) The proposed method of financing the costs of Eligible Activities through developer sources is feasible, as described in Section 2.4 of the Brownfield Plan;
- (c) The costs of Eligible Activities proposed are reasonable and necessary to carry out the purposes of Act 381, and the cost estimates are based on evaluation from certified professionals, experience in comparable projects, and preliminary discussions with reputable companies, as described in Section 2.2 of the Brownfield Plan; and
- (d) The amount of captured taxable value estimated from the adoption of the Brownfield Plan is reasonable, as calculated in Table 2 of the Brownfield Plan, based on calculations of the tax revenues derived from taxable value increases and millage rates approved and authorized by the taxing jurisdictions on an annualized basis and balances against the outstanding Eligible Activity obligation approved as part of the Brownfield Plan and expenses reviewed and approved by the Cadillac Brownfield Redevelopment Authority; and

**NOW, THEREFORE**, the City Council of the City of Cadillac, Wexford County, Michigan resolves as follows:

1. Pursuant to the Brownfield Redevelopment Financing Act, Act 381 of the Public Acts of 1996, as amended, being MCL 125.2651, *et seq*, the Cadillac City Council hereby approves the 1011 S. Mitchell Brownfield Plan in Cadillac.
2. Should any section, clause or phrase of this Resolution be declared by the courts to be invalid, the same shall not affect the validity of this Resolution as a whole nor any part thereof, other than the part so declared to be invalid.
3. Any prior resolution, or any part thereof, in conflict with any of the provisions of this Resolution is hereby repealed, but only to the extent necessary to give this Resolution full force and effect.

The following preamble and resolution was offered by Council Member xxxxx and seconded by Council Member xxxxx.

WHEREAS, the City has established a water supply system for the residents and businesses of the City;

WHEREAS, the City charges for the use of the water system for the purpose of recovering the cost of construction, reconstruction, maintenance, repair, and operation of the system;

WHEREAS, Section 42-183(e)(3) of the Cadillac City Code provides that City staff or designated parties shall periodically review the charges, rates, fees, rules, and regulations of

the water supply system and report the results of the review to the City Council with respective recommendations for any adjustments;

WHEREAS, pursuant to Article 16, Section 16.3 of the City Charter, the City may fix just and reasonable water rates and other charges from time to time as may be deemed advisable;

WHEREAS, the City staff has reviewed the water supply system rates and has recommended a rate increase of 4.5% as well as a change to the declining water commodity rate tiers;

WHEREAS, the City wishes to consider increasing rates for the water supply system by 4.5% and a change to the declining water commodity rate tiers; and

WHEREAS, the City held a public hearing on the proposed ordinance increasing the rates (the "Ordinance") on May 18, 2026; and

WHEREAS, the City Council has determined that it is in the best interests of the public health, safety and welfare to adopt the Ordinance.

NOW, THEREFORE, the City Council of the City of Cadillac, Wexford County, Michigan, resolves as follows:

1. Ordinance No. 2026-08, Ordinance to Amend Sections 42-201 and 42-202(3) of Chapter 42 of the Cadillac City Code to Increase Water Rates in the City of Cadillac 4.5% and a change to the declining water commodity rate tiers (the "Ordinance," attached as Exhibit A) is hereby adopted.
2. The Ordinance shall be filed with the City Clerk.

3. The City Clerk shall publish notice of adoption in a newspaper of general circulation in the City within seven (7) days.

4. Any and all resolutions that are in conflict with this Resolution are hereby repealed to the extent necessary to give this Resolution full force and effect.

**ORDINANCE NO. 2026-07**

**AN ORDINANCE TO AMEND SECTION 42-374 OF CHAPTER 42 OF THE  
CITY CODE TO INCREASE SEWER RATES IN THE CITY OF CADILLAC.**

**THE CITY OF CADILLAC ORDAINS:**

Section 1.

The City hereby amends Section 42-374 of the Cadillac City Code, entitled "Monthly wastewater user service charges," which shall read as follows:

No free service shall be furnished by the system to the city or to any person, firm or corporation, public or private, or to any public agency or instrumentality.

(1) *Metered users.*

a. *Base Rate.* The base rate for metered users is as follows:

| Meter Size (in inches) | Service Charge (per month) |
|------------------------|----------------------------|
| 5/8                    | \$14.98                    |
| 3/4                    | \$22.52                    |
| 1                      | \$37.49                    |
| 1 1/2                  | \$74.96                    |
| 2                      | \$119.99                   |
| 3                      | \$262.68                   |
| 4                      | \$450.00                   |
| 6                      | \$937.69                   |
| 8                      | \$1,350.23                 |

b. *Commodity charges.* A charge of \$3.47 per 100 cubic feet of metered water used will be charged each month.

- (2) *Unmetered users (flat rate).* Unmetered users will be charged according to the following rate schedule:

- a. Room charge: Count living, dining, bedrooms and kitchens. **DO NOT COUNT** bathrooms, halls, storage closets. This charge includes lavatories, dishwashing, laundry, and all other domestic uses except bathtubs, showers and toilets.

| Rooms                   | Per Month |
|-------------------------|-----------|
| 1 to 3 rooms, inclusive | \$12.97   |
| 4 to 6 rooms, inclusive | \$14.53   |
| 7 to 8 rooms, inclusive | \$17.15   |
| Each additional room    | \$2.39    |

- b. For each additional bathtub or shower, add \$6.21 per month.
- c. For each additional toilet, add \$6.84 per month.

- (3) *Surcharges.* Additional charges will be in accordance with the following schedule:

| Parameter                 | Parameter Surcharge<br>(per month-per pound) | Base Concentration<br>(in mg/L) |
|---------------------------|----------------------------------------------|---------------------------------|
| Suspended Solids          | \$0.50                                       | 215                             |
| Biochemical oxygen demand | \$0.73                                       | 185                             |
| Phosphorus                | \$4.85                                       | 10                              |
| Nitrogen                  | \$11.35                                      | 20                              |
| Total organic carbon      | \$4.08                                       | 600                             |
| Chemical oxygen demand    | \$1.75                                       | 600                             |
| Total chlorides           | \$0.91                                       | 600                             |

- (4) *Unmetered users with private water systems.* The monthly wastewater user service charges for those homes, businesses and other customers who do not have city water available, and are using a private water supply system shall be as follows:

- a. All commercial, industrial, and institutional accounts shall have a water meter installed. The meter shall be installed under the direction of the city utilities department. The cost of installation shall be borne by the owner. The cost of replacement shall be borne by the utilities department.

- b. All residential customers shall be given the option of having a water meter installed as provided for above, or the residential customer shall be billed a flat rate sewer charge equal to the average billing as determined on an annual basis.
- c. The average monthly residential sewer bill, as of July 1, 2026, is a charge of \$39.27.

(5) *Watering adjustment basis.*

- a. For all residential users, charges for sewer for the months of May, June, July, August and September shall be computed for each account based on the average metered water consumption for the base period of the preceding October, November, December January and February. If no previous base history is available, a citywide residential average will be used.
- b. For all other users, a separate meter may be purchased and installed at owner's expense, which will be utilized for watering only with the billing to reflect that amount.

Section 2.

All other ordinances inconsistent with the provisions of this Ordinance are hereby repealed only to the extent necessary to give this Ordinance full force and effect.

Section 3.

This Ordinance shall take effect July 1, 2026.

Approved this 18th day of May, 2026.

The following preamble and resolution was offered by Council Member xxxxxxx and seconded by Council Member xxxxxxx.

WHEREAS, the Uniform Budgeting and Accounting Act, 1968 PA 2, as amended, requires the City Council of the City of Cadillac to pass a general appropriations act for all funds, except trust or agency, internal service, enterprise, debt service or capital project funds for which the City Council may pass a special appropriation act; and

WHEREAS, Section 10.3 of the Charter of the City of Cadillac (the "Charter") requires a public hearing be held in the second half of the month of April on the proposed budget before final adoption; that notice of the public hearing be published at least ten (10) days in advance of the hearing; and that the complete proposed budget be on file for public inspection during office hours at the office of the City Clerk for a period of not less than (10) days prior to such public hearing; and

WHEREAS, on April 9, 2026 a notice of hearing was published as required by Section 10.3 of the Charter and a public hearing on the proposed budget for Fiscal Year 2027 was held on April 20, 2026; and

WHEREAS, Section 10.4 of the Charter requires the City Council to adopt a budget by ordinance between the 10th day of May and the last day of May of each year appropriating the money needed for municipal purposes during the next fiscal year and provide for a levy of the amount necessary to be raised by taxes upon real and personal property; and

WHEREAS, Section 5.2 of the Charter requires each proposed ordinance be introduced in written or printed form, identified by a short title containing a preamble stating its purpose and, following introduction of the proposed ordinance, requires the City Clerk to publish a summary of the proposed ordinance in a local newspaper of general circulation in the City of Cadillac (the "City") and make copies of the proposed ordinance available for examination at the office of the City Clerk and provide copies at a reasonable charge; and

WHEREAS, the City held a public hearing on the proposed ordinance on May 18, 2026; and

WHEREAS, the City Council has determined that it is in the best interests of the public health, safety and welfare to adopt the proposed ordinance and budget.

NOW, THEREFORE, the City Council of the City of Cadillac, Wexford County, Michigan, resolves as follows:

1. Ordinance No. 2026-06, Ordinance Establishing General Appropriations Act for Fiscal Year 2027 (the "Ordinance," attached as Exhibit A) is hereby adopted.
2. The Ordinance shall be filed with the City Clerk.

3. The City Clerk shall publish notice of adoption in a newspaper of general circulation in the City within seven (7) days.

4. Any and all resolutions that are in conflict with this Resolution are hereby repealed to the extent necessary to give this Resolution full force and effect.

#### Section 6, Millage Levies.

(a) The City will levy a tax of 13.1256 mills for the period of July 1, 2026 and ending June 30, 2027, on all real and personal taxable property in the City, according to the valuation of the same. This tax is levied for the purpose of defraying the general expense and liability of the City and is levied pursuant to Section 20.6, Article 20 of the City Charter. The maximum authorized levy according to the City Charter is 15.00 mills.

(b) The City further levies a tax of 2.60 mills for the period of July 1, 2026 and ending June 30, 2027, on all real and personal taxable property in the City, according to the valuation of the same. This tax is levied for the purpose of defraying the cost of supporting the retirement plan for personnel of the police and fire departments of the City pursuant to the provisions of Public Act 345 of 1937, as amended, as approved by a vote of the citizens of the City on November 8, 1977.

(c) The City further levies a tax of 1.7668 mills for the period of July 1, 2026 and ending June 30, 2027, on all real and personal taxable property in the City, according to the valuation of the same in a district known as the Downtown Development District. This tax is levied for the purpose of defraying the cost of the Downtown Development Authority.

Section 7, Adoption of Budget by Reference.

The general fund budget of the City is hereby adopted by reference, with revenues and activity expenditures as indicated in Sections 5 and 6 of this Act.

Section 8, Transfer Within Appropriation Centers.

The City Manager is hereby authorized to make budgetary transfers within the appropriation centers established throughout this budget. All transfers between appropriations may be made only by further resolution of the City Council pursuant to Section 10.5 of the City Charter and Section 19(2) of the provisions of the Michigan Uniform Accounting and Budget Act.

Section 9, Appropriations by Resolution.

The City Council may, by resolution, make additional appropriations during the 2027 Fiscal Year for unanticipated expenditures required of the City, but such expenditures shall not exceed the amount by which actual and anticipated revenues of the fiscal year are exceeding the revenues as estimated in the budget unless the appropriations are necessary to relieve an emergency endangering the public health, peace or safety.

Section 10, Effective Date.

This Ordinance shall take effect on July 1, 2026.

Approved this 18th day of May, 2026.

**RE: 2026 ROTARY STRIDE FOR S.T.R.I.V.E MEMORIAL DAY 5K RACE**

City of Cadillac:

As we do each year, the Rotary Club of Cadillac is requesting assistance with the 28<sup>th</sup> annual STRIDE FOR S.T.R.I.V.E. 5K run/walk event to be held on Memorial Day, May 25, 2026, in the City of Cadillac. The event supports our local S.T.R.I.V.E. mentoring program (Students Taking a Renewed Interest in the Value of Education), which assists local high school students who struggle in school.

Enclosed please find completed City of Cadillac forms: Event Planning Cover Page; Race Request Form with detailed schedule for the day, route map, and Certificate of Liability Insurance; Street and Parking Lot Closure Request Form; and City Park Request Form.

This event attracts hundreds of adult and student runners, walkers, and spectators. We plan to manage traffic on the route with signs and volunteers at key locations. We have asked MMR to be present in case of injury and volunteers will be stationed with cell phones to notify of any emergencies. An awards ceremony will be held in the Naval Reserve Flower Open Space following the event.

We ask that you forward a copy of this letter to appropriate entities that may be involved. Please contact me at [REDACTED] or [REDACTED] to let me know if further action needs to be taken by Rotary. Your assistance with this important traditional event is appreciated.

Regards,

Edward D. Van Alst

## Council Communication

*RE: Center Line Marking*

On March 31, 2026, the City held a bid opening for street line painting as well as bike lane and crosswalk painting in accordance with the Shared Streets and Spaces Grant received from the State of Michigan. The following bids were received:

| Contractor                                            | Edge/Passing Lines | Bike Lanes SSSG Work | Total Bid   |
|-------------------------------------------------------|--------------------|----------------------|-------------|
| <b>PK Contracting</b><br>Lake City, MI                | \$20,961.60        | \$23,835.00          | \$44,796.60 |
| <b>Michigan Pavement Markings, LLC</b><br>Wyoming, MI | \$14,475.00        | *No Bid              | \$14,475.00 |

The total project is expected to include approximately 12 miles of yellow 4-inch skip lines, 7 miles of double yellow “No Passing” zone lines, and 23 miles of 4-inch solid white edge lines. Lines will be painted on major streets throughout the City. In addition, City crews will paint bike lane, crosswalk and turn arrow stencils during the season. The SSSG grant-related work includes portions of green and white special emphasis crosswalks as detailed in the images included with this communication.

### Recommended Action

It is recommended that the FY2026 Center Line Marking project be awarded to Michigan Pavement Markings, LLC and the Bike Lane Supplemental Proposal be awarded to PK Contracting, Inc. in accordance with their bids. Funds for this project are available in the Major Street Fund for the line painting work and in the General Fund for the SSSG grant-related work.

*Re: Out of State Travel Request – Fire Department*

Two members of the Cadillac Fire Department have the opportunity to attend the Passion Uniting Greater Standards fire conference in South Bend, Indiana on May 19-20, 2026. This is a two-day event with both lecture and hands-on training. The total anticipated cost is \$1,400 including registration, travel, food and lodging.

### **Recommended Action**

It is recommended that City Council approve the request from the Cadillac Fire Department for out-of-state travel for training. Funds are available in the Fire Department Travel and Education budget.

*Formerly the Lake Effect Fire Conference,*  
proudly rebranded as **PUGS**, honoring the legacy of Elkhart Fire Captain  
Adam "Pugslee" Kuspa.

Now in its fifth year, the conference remains firmly aligned with the mission of FireNuggets and our Lake Effect affiliate serving Michiana: delivering high-impact, high-quality fire service training at the lowest possible cost. This two-day event blends classroom lectures with hands-on instruction, offering a well-rounded selection of topics for firefighters of all ranks at premier local facilities. You'll leave re-energized, better prepared, and more effective on the fireground.

**RESOLUTION TO INTRODUCE ORDINANCE NO. 2026-09, AN ORDINANCE TO ADD  
A NEW SECTION 48-16 TO AND TO AMEND SECTION 48-7 OF THE CODE OF  
ORDINANCES, CITY OF CADILLAC, MICHIGAN, AND SET A PUBLIC HEARING**

At a meeting of the City Council of the City of Cadillac, Wexford County, Michigan, held  
in the Council Chambers, Cadillac Municipal Complex, 200 North Lake Street, Cadillac,  
Michigan, on May 18, 2026.

PRESENT: \_\_\_\_\_

ABSENT: \_\_\_\_\_

The following preamble and resolution was offered by \_\_\_\_\_ and  
seconded by \_\_\_\_\_.

**WHEREAS**, the City Council has authority under state law and the City Charter to  
enact ordinances and resolutions necessary to govern municipal affairs and to establish and  
collect fees for municipal services and regulatory activities; and

**WHEREAS**, Chapter 48 of the City of Cadillac Code establishes fees, charges, and costs  
associated with City services, programs, and regulatory processes; and

**WHEREAS**, the City administers zoning and land use review processes pursuant to  
Chapter 46 of the City Code, including the review of applications for rezoning, special land  
uses, variances, site plans, and related zoning approvals; and

**WHEREAS**, the City also administers applications for the vacation of streets, alleys, and other public rights-of-way, which require administrative review, coordination among City departments, legal analysis, public notice, and action by the Planning Commission and City Council; and

**WHEREAS**, the review and processing of zoning applications and vacation applications require the expenditure of City staff time, resources, and professional services; and

**WHEREAS**, the City Council finds it reasonable and equitable to require applicants seeking such approvals to pay application fees to offset a portion of the administrative and processing costs incurred by the City; and

**WHEREAS**, the City Council further finds that establishing zoning application fees and street vacation application fees within Chapter 48 of the City Code will promote consistency, transparency, and fiscal responsibility; and

**WHEREAS**, the City Council desires to amend Chapter 48 of the City of Cadillac Code to add zoning application fees and vacation application fees, and to provide for the collection and administration of such fees as part of the City's established processes; and

**WHEREAS**, the City Council determines that introducing the proposed Ordinance is in the best interests of the City and its residents.

**NOW, THEREFORE**, the City Council resolves as follows:

1. Pursuant to Section 5.2 of the City Charter, the City introduces Ordinance No. 2026-09, An Ordinance to Add a New Section 48-16 to, and to Amend Section 48-7, of the Code of Ordinances, City of Cadillac, Michigan (the "Ordinance"), attached as **Exhibit A**.

2. A public hearing regarding the Ordinance will be held on June 1, 2026, at 6:00p.m.

3. The City Clerk is directed to publish a summary of the Ordinance in a newspaper of general circulation in the City, together with a notice of the time and place for the public hearing, within seven (7) days. Such notice shall be substantially similar to **Exhibit B.**

4. A copy of the Ordinance will be made available for inspection at the office of the City Clerk.

5. Any and all resolutions that conflict with this Resolution are repealed to the extent necessary to give this Resolution full force and effect.
