Dear Permittee:

SUBJECT: Notification to Reapply for National Pollutant Discharge Elimination System (NPDES) Permit No. **MI0020257**

Our records indicate that the Cadillac Wastewater Treatment Plant was issued NPDES discharge Permit No. MI0020257 on September 5, 2008, pursuant to Part 31, Water Resources Protection, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended (Act 451). This authorization to discharge will expire on October 1, 2012. In order to retain the authorization to discharge beyond the expiration date, the City of Cadillac shall submit the information and forms required by the Department of Environmental Quality (DEQ) to the Permits Section no later than 180 days prior to the expiration date noted above.

To fulfill the reapplication requirements, you need to complete a State of Michigan NPDES Permit Application Form with a revision date of March 20, 2011. The Application and Appendix may be downloaded from the internet at www.michigan.gov/deq. In the left column, click on **water**, then **surface water**. In the right column, click on **How to Apply for an NPDES Permit**. To access the documents, click on **Permit Application for Surface Water Discharge** and/or **Permit Application Appendix**. If you do not have access to the internet, please contact the Permits Section at 517-241-1346, and an Application Form and Appendix will be sent to you. You must complete all the items on the form that are applicable to your discharge. An incomplete Application does not fulfill the reapplication provisions of your permit.

Act 451 requires an Application fee when submitting an Application for reissuance of an NPDES permit. The fee for your facility is **\$750**. **This fee must accompany the Application in order for the DEQ to consider the Application complete. Please make sure that the facility's NPDES Permit number and the designation "WRD-NP2" appear on the check.**

Please complete the required forms and submit them to our office with the Application fee by **April 3, 2012**.

If you have any questions regarding this letter, please contact me at 517-335-4129.

Sincerely,

Kevin Cook
