

Cadillac Utilities Department

June 14, 2018

Dear Industrial Permit Holder,

Thank you for your recent participation in our PFAS survey. As a result of your responses, we have determined you are not a probable source and are currently not being selected for PFAS sampling. If MIDEQ requirements change, you may be revisited for PFAS screening in the future. If you make any process or chemical changes please notify me as soon as possible.

Thanks,

A handwritten signature in purple ink, appearing to read "Doug Langworthy".
