Cadillac, Michigan 49601

Dear Dietlin:

SUBJECT: Alternative Industrial Pretreatment Program (IPP) – Perfluoroalkyl
and Polyfluoroalkyl (PFAS) Monitoring Plan and Schedule Approval
National Pollutant Discharge Elimination System (NPDES)
Permit No. MI0020257
Designated Name: Cadillac WWTP

The Department of Environmental Quality (DEQ), Water Resources Division (WRD) staff have reviewed the request of City of Cadillac dated May 8, 2018, for an alternative monitoring plan and extension submitted pursuant to the February 20, 2018, IPP-PFAS Source Evaluation and Reduction Requirements letter. Staff are in agreement with the proposed plan and schedule. Approval of the request is hereby granted.

The new due date for the IPP-PFAS Interim Report is July 31, 2018. The new due date for the IPP-PFAS Summary Report is November 30, 2018. The new due dates will be incorporated into MiWaters as Schedules of Compliance.

This approval does not constitute a release or waiver of liability for compliance with your NPDES permit, your NPDES permit application, or Part 31 of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended.

If you have any questions, please contact me at 616-356-0212; berdinskit@michigan.gov; or at the address below.

Sincerely,

Thomas P. Berdinski
