GROUNDWATER DISCHARGE PERMIT TERMINATION

TO: Wexford County Landfill
990 US Highway 131
Manton, Michigan 49663

This Department has determined that Permit No. GW1010342 has expired, and that all groundwater discharges authorized under this permit have been eliminated. Additional information received has confirmed that Groundwater Discharge Permit No. GW1010342 can be terminated. Staff of the Michigan Department of Environmental Quality (DEQ), Water Resources Division (WRD), has confirmed that all discharges previously directed to the waters of the state under this permit have been completed, and has recommended that the Groundwater Discharge Permit No. GW1010342 be terminated.

Therefore, Groundwater Discharge Permit No. GW1010342 is hereby terminated. There shall be no groundwater discharge from this facility without applying for and obtaining a new Groundwater Discharge permit.

This Groundwater Discharge Permit No. GW1010342 is terminated on July 2, 2018.
