

PUBLIC NOTICE

Date: July 30, 2003
Permit No. MI0020257
Cadillac WWTP

The Michigan Department of Environmental Quality proposes to reissue a discharge permit to: City of Cadillac for the Cadillac WWTP located at 1121 Plett Road, Cadillac, Michigan 49601. The facility collects and treats municipal wastewater from the City of Cadillac, and the Townships of Haring, Cherry Grove, and Clam Lake. The applicant discharges treated municipal wastewater to the Clam River in the NE1/4, NE1/4, Section 33, Town 22 N, Range 9 W, Wexford County.

The draft permit includes the following modifications to the previously issued permit: A storm water program is required. Monitoring for cadmium, copper, and zinc are required to determine if control is needed to meet water quality standards. Lindane, chronic and acute toxicity are limited. The final effluent limitation for Total Mercury is 30 ng/l, the Level Currently Achievable based on a multiple discharger variance from the water quality-based effluent limit of 1.3 ng/l, pursuant to Rule 323.1103(9) of the Michigan Water Quality Standards. Upon conversion to ultraviolet light disinfection, chlorine monitoring may be eliminated.

Comments or objections to the draft permit received by August 29, 2003 will be considered in the final decision to issue the permit. Persons desiring information regarding the draft permit, procedures for commenting, or requesting a hearing, should contact: Diane Carlson, P.E., Surface Water Permits Section, Water Division, Department of Environmental Quality, P.O. Box 30273, Lansing, Michigan 48909, telephone: 517-335-4118, e-mail: carlsond@michigan.gov.

Copies of the public notice, fact sheet, and draft permit may be obtained via the Internet (<http://www.michigan.gov/deq> and on the left side of the screen click on Water, Surface Water, and NPDES Permits; then click on "Permits on Public Notice" which is under the Permits banner) or at the Water Division Cadillac District Office located at 120 W. Chapin Street, Cadillac, Michigan 49601, telephone: 231-775-3960.
