(briefly describe issues)

Scored for major status? ☒ No - already major ☐ No - not necessary ☐ Yes - result _____
(Notify Asad if ind/com score ≥ 80 or muni design flow ≥ 1.0 MGD & not previously determined to be a major)

For all actions except **NEW**: Annual Fees Paid ☒ Yes ☐ No – Enforcement Status _____
Do not reissue or modify if the annual fees are unpaid. Put such applications on enforcement hold.

Permit/COC ready for action: (1) for IPs, the **Prep Proposed Permit for Issue** task is complete in NMS; (2) if the application is for a new or increased use, the Antidegradation Demonstration or Statement of Exemption satisfies the requirements of R323.1098; (3) for IPs, the BFD memo reflects the permit; (4) if the permit has schedules required to be entered into NMS, the SOC query information is included in the QA/QC report and the QA/QC report corresponds to the permit/COC; (5) the Annual Billing Requirements tab is complete and, for IPs, corresponds to the second page of the permit; (6) the application image files in NMS accurately depict the application submitted by the applicant; (7) the application processing record is complete in NMS in **Permit Documents** and **Images and Files**; and (8) the QA/QC report and the proposed permit/COC are attached.

The application has been processed in accordance with Act 451, Public Acts of 1994, as amended, Parts 31 and 41, and the Part 4, Part 8 and Part 21 Rules (Rules 323.1041 through 323.1117, 323.1201 through 323.1221 and 323.2101 through 323.2196 of the Michigan Administrative Code). Staff has determined that the attached permit/COC is consistent with all applicable state and federal requirements and proposes it for reissuance.
