# Michigan Industrial Pretreatment Program (MIPP) Annual Report Form

## Section I : General Information

|                                                                                                                                      |                                       |         |  |
|--------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------|---------|--|
| 1. Name of Facility: City of Cadillac                                                                                                |                                       |         |  |
| NPDES Number: MI0020257                                                                                                              |                                       |         |  |
| 2. Contact Person: Hamid Rahbarnoochi                                                                                                | Phone: 231-775-2841                   |         |  |
| 3. Reporting Period: January 1, 2010 to December 31, 2010                                                                            | E-mail: hrahbarnoochi@cadillac-mi.net |         |  |
| 4. Attach a summary of any sampling results for the influent, effluent, and sludge monitoring conducted during the reporting period. |                                       |         |  |
| 5. Total Number of Industrial Users: 17                                                                                              | SITs: 17                              | CITs: 6 |  |

Have there been any additions, deletions, or any other modifications to the previous year's Significant Industrial User (SIU) list or industrial user inventory? If **NO**, check here. ☒ If yes provide the following information: (Attach additional sheets if necessary.)

| Facility Name | Change<br>Add/Delete | Explanation | CIT or SIU               |                          |
|---------------|----------------------|-------------|--------------------------|--------------------------|
|               |                      |             | <input type="checkbox"/> | <input type="checkbox"/> |
|               |                      |             | <input type="checkbox"/> | <input type="checkbox"/> |
|               |                      |             | <input type="checkbox"/> | <input type="checkbox"/> |
|               |                      |             | <input type="checkbox"/> | <input type="checkbox"/> |
|               |                      |             | <input type="checkbox"/> | <input type="checkbox"/> |

For all new or changed SITs, provide:

- ☐ Process description,
- ☐ Flow information; and
- ☐ Reason it is classified as an SIT.

Michigan Industrial Pretreatment Program Annual Report Form (Continued)

Fill in one column for each SIU:

# **INDUSTRIAL PRETREATMENT PROGRAM ANNUAL REPORT**

## **CITY OF CADILLAC WWTP**

**NPDES Permit Number MI0020257**

### **Reporting Period From**

**January 1, 2010 to December 31, 2010**  
**Submittal Date: April 1, 2011**

**Contact: Hamid Rahbarnoohi**  
**Address: City of Cadillac WWTP**  
**1121 Plett Road**  
**Cadillac, MI. 49601**

**Phone Number: 231-775-2841**  
**Fax Number: 231-775-2876**  
**E-mail: [hrahbarnoohi@cadillac-mi.net](mailto:hrahbarnoohi@cadillac-mi.net)**

## I. INDUSTRIAL USERS

- A. Total number of Industrial Users: See attached IPP Master List.
- B. Have there been any additions, deletions, or any other modifications to the previously submitted Industrial User Inventory? [40CFR 403.8 (f) (2) (i)]  
    \_\_\_X\_\_\_yes     \_\_\_no {see attachment A}
- C. Total number of Significant Industrial Users.....17
1. Number of Categorical Industrial Users..... 6
2. Number of Non-categorical Significant Industrial Users..... 11
- D. Have there been any additions, deletions, or any other modifications to the previously submitted Significant Industrial List? [40 CFR 403.8 (f) (6)]  
    \_\_\_yes     \_\_\_X\_\_\_no  
    {If yes, enclose Attachment B listing additions, deletions and/or modifications}
- E. Total number of SIUs without an individual control mechanism at any time during the reporting period. .... 0  
    {If any, enclose Attachment C listing names of SIUs without permits.}

## II. POTW Compliance Monitoring Program

- A. Total number of SIUs not inspected by the Control Authority at least once during the reporting period. .... 0  
    {List any SIUs not inspected on Attachment D.}
- B. Total number of SIUs not sampled/monitored for all required pollutants by the Control Authority at least once during the reporting period. .... 0  
    {List any SIUs not sampled/monitored on Attachment E.}

## III. SIU Reporting/Monitoring Program

- A. Number of CIUs submitting a complete Baseline Monitoring Report (BMR) during the reporting period per number required. ....0/0
- B. Number of CIUs submitting a complete 90-day Compliance Report during the reporting period per number required. .... 0/0
- C. Number of CIUs submitting complete periodic reports during the reporting period per number required. .... 6/6

- D. Number of noncategorical SIUs submitting complete compliance reports during the reporting period per number required. .... 11/11
- E. Total number of SIUs who did not self-monitor in accordance with the requirements in their individual control mechanism during the reporting period, including the repeat sampling and analysis required per 40 CFR 403.12 (g) (2) when a violation occurred. .... 0  
 {Provide a list of all SIUs who failed to monitor on Attachment G,}
- F. Does the POTW monitor in lieu of SIU self-monitoring requirements for any of the SIUs under their control. ....   X   yes        no  
 {If yes, list all SIUs not monitored by the Control Authority on Attachment G,}

#### IV. Enforcement Program

- A. Total number of industrial users in Significant Non-compliance (SNC) during the reporting period. .... 4  
 {Complete Attachment H by providing a listing of industries in SNC.}
- B. Total number of industrial users in SNC during the reporting period published in the newspaper (SVPUL). .... 0
- C. Number of SIUs in SNC with Compliance Schedules during the reporting period noted as SSNC. .... 0
- D. Number of formal (Non-Judicial) Enforcement Actions during the reporting period noted as FENF. .... 4
- E. Number of Civil/Criminal Judicial Suits filed in court against SIUs during the reporting period, noted as JUDL. .... 0
- F. Number of users from which monetary penalties/fines were collected during the reporting period, noted as IUPN. .... 0  
 {Complete Attachment I providing a summary of enforcement actions.}

**V. Toxic Pollutant Data (Annual Average)**

{Complete Attachment J providing annual averages of any sampling of toxic Pollutants that were collected during the reporting period for influent, effluent, And sludge.}

**VI. Program Evaluation**

{Complete Attachment K describing progress in meeting IPP goals, noteworthy activities, environmental effectiveness of IPP problems, including NPDES and sludge violations, ect. Also provide all proposed changes of modifications to the approved IPP.}

## **ATTACHMENT A**

### **City of Cadillac – 2010 Annual IPP Report**

Instructions: List any additions, deletions, or other modifications to the previously submitted Industrial User Inventory. Provide a brief explanation for each Industrial User listed (i.e. a categorical industrial user, a manufacturer which does not generate wastewater, a direct discharger (NPDES permit number), a discharger of sanitary wastewater only, wastewater only ect.)

Note: Industrial User Name Change:  
4-WINNS to Rec Boat Holdings Holding Inc.

#### Significant Industrial User List

This is a list of all Significant Industrial Users as defined in 40 CFR 403.3(t) (including those industrial users meeting the criteria in 40 CFR 403.3(t) (1) (ii) that Control Authority has determined is not significant pursuant to 40 CFR 403.3(t) (2).

Use the **CRITERIA CODES** below for the **CRITERIA CODES** line on SIU  
LIST  
(use more than one **CRITERIA CODE** if applicable)

#### CRITERIA CODES

##### CRITERIA CODE DESCRIPTIONS

- |           |                                                                                                                                                                                                                                                                                                  |
|-----------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>C</b>  | All industrial users subject to Categorical Pretreatment Standard under 40 CFR 403.6 and 40 CFR Chapter 1, Subchapter N.                                                                                                                                                                         |
| <b>S1</b> | Industrial users other than Categorical Industrial Users (CIUs) that discharge and average of 25,000 gallons or more of process wastewater to the POTW (excluding sanitary, non-contact cooling and boiler blow down wastewater.)                                                                |
| <b>S2</b> | Industrial users other than Categorical Industrial Users (CIUs) that contribute a process waste stream which makes up 5 percent or more of the average dry weather hydraulic or organic capacity of the POTW treatment plant.                                                                    |
| <b>S3</b> | Industrial users other than Categorical Industrial Users (CIUs) that are designated as significant by control authority on the basis that the industrial user has a reasonable potential for adversely affecting the POTW's operation or for violating any pretreatment standard or requirement. |
| <b>X</b>  | Industrial users that meet the criteria of S1 and S2, that the Control Authority has made a determination is not significant Pursuant to 40 CFR 403.3 (t) (2).                                                                                                                                   |

## ATTACHMENT H

### City of Cadillac – 2010 Annual IPP Report

Instruction: List the names of non-domestic users in SNC for each of the SNC criteria. SNC must be evaluated (every three months) using data from previous six months. See example below:

Evaluate March 31 for period covering Oct. 1 through March 31.

Evaluate June 30 for period covering Jan. 1 through June 30.

Evaluate September 30 for period covering April 1 through Sept. 30.

Evaluate December 31 for period covering July 1 through Dec. 31.

- A. Chronic violations of wastewater discharge limits, defined as those in which sixty-six percent or more of all of the measurements taken during a six-month period exceed (by any magnitude) the daily maximum limit or the average limit for the same pollutant parameter.

- |                                         |    |
|-----------------------------------------|----|
| 1. Rec Boats Holding Inc. Trailer Plant | 5. |
| 2. AAR RT                               | 6. |
| 3. AAR FAC                              | 7. |
| 4. Avon                                 | 8. |

- B. Technical Review Criteria (TRC) violations, defined here as those in which thirty- three percent or more of all the measurements for each pollutant parameter taken during a six-month period equal to or exceeding the product of the daily maximum limit or the average limit multiplied by the applicable TRC (TRC=1.4 for BOD, TSS, oil and grease; a 1.2 for all other pollutants except pH).

- |                                         |    |
|-----------------------------------------|----|
| 1. Rec Boats Holding Inc. Trailer Plant | 5. |
| 2. AAR RT                               | 6. |
| 3. AAR FAC                              | 7. |
| 4. Avon                                 | 8. |

- C. Any other violation of a pretreatment effluent limit (daily maximum or longer-term averages) that the permit-tee determined caused, alone or in combination with other discharges, interference or pass through (including endangering the health of the POTW personnel or the general public).

- |    |    |
|----|----|
| 1. | 3. |
| 2. | 4. |

- D. Any discharge of a pollutant that caused imminent endangerment to human health or welfare to the environment.

- |    |    |
|----|----|
| 1. | 3. |
| 2. | 4. |

# LABORATORY DETAIL REPORT

Client: **City of Cadillac, Water Resources**

KAR Project No.: **100586**

Date Reported : **02/24/10**

Attest:   
David R. Alkema, Lab Manager

## Project

Description: **Analysis of four aqueous samples for ultra-trace mercury.**

### Sample ID : "Tertiary Effluent"

Sampled By : **AJV of City of Cadillac, Water Resources**

Sample Date : **02/16/10**

Sample Time : **1300**

Date Received : **02/17/10**  
Sample Type : **aqueous**  
KAR Sample No. : **100586-01**

# LABORATORY DETAIL REPORT

Client: **City of Cadillac, Water Resources**

KAR Project No. : **104765**

Date Reported : **11/18/10**

Attest: 

David R. Aikema, Lab Manager

## Project

Description: **Analysis of four aqueous samples for ultra-trace mercury.**

### Sample ID : "Effluent"

Sampled By : **AJV of City of Cadillac, Water Resources**

Sample Date : **11/09/10**

Sample Time : **0908**

Date Received : **11/10/10**  
Sample Type : **aqueous**  
KAR Sample No. : **104765-01**

| Test                | Result    | Units of Measure | Method   | Analyzed | Analyst | Comments |
|---------------------|-----------|------------------|----------|----------|---------|----------|
| Prep. 1631          | Completed | ng/L             | EPA 1631 | 11/15/10 | PML     |          |
| Mercury by EPA 1631 | <0.5      | ng/L             | EPA 1631 | 11/16/10 | PML     |          |

### Sample ID : "Effluent, Field Duplicate"

Sampled By : **AJV of City of Cadillac, Water Resources**

Sample Date : **11/09/10**

Sample Time : **0909**

Date Received : **11/10/10**  
Sample Type : **aqueous**  
KAR Sample No. : **104765-02**

| Test                | Result    | Units of Measure | Method   | Analyzed | Analyst | Comments |
|---------------------|-----------|------------------|----------|----------|---------|----------|
| Prep. 1631          | Completed | ng/L             | EPA 1631 | 11/15/10 | PML     |          |

## ATTACHMENT K

### City of Cadillac – 2010 Annual IPP Report

The City of Cadillac has made the following changes to the industrial pre-treatment program in 2010.

1. We did annual inspections.
2. We are currently getting ready to inspect new industries to include some in the local township.
3. We have stepped up the amount of random sampling.

The City has also been actively working with our non-compliant industries to Bring them into compliance with our local limits.
