

PUBLIC NOTICE

Date: October 5, 2015
Permit No. MI0020257
Cadillac WWTP

The Department of Environmental Quality (Department) proposes to modify a discharge permit to: the City of Cadillac for the Cadillac Wastewater Treatment Plant (WWTP) located at 1121 Plett Road, Cadillac, Michigan 49601. The applicant collects and treats municipal wastewater from the City of Cadillac and Haring, Cherry Grove & Clam Lake Townships. The applicant discharges treated municipal wastewater to the Clam River, in the NE1/4, NE1/4, Section 33, Town 22N, Range 9W, Wexford County.

The draft permit includes the following modifications to the previously-issued permit: The Operation, Maintenance & Replacement/Asset Management language was revised to settle the contested case filed by the applicant. Due dates for the Additional Monitoring requirement were adjusted to be after the expected effective date of the modified permit.

Comments or objections to the draft permit received by November 4, 2015, will be considered in the final decision to issue the permit. Persons desiring information regarding the draft permit, procedures for commenting, or requesting a hearing should contact Mike Bitondo, Permits Section, Water Resources Division, Department of Environmental Quality, P.O. Box 30458, Lansing, Michigan 48909, telephone: 517-284-5594, e-mail: bitondom@michigan.gov.
