DMR Instructions:

DMR Comments: I will update the DMR when we receive a new copper result for the sample on the 27th.

- DMR Value Comments:**
- Total Copper, Final Effluent (1), Limit: 11 Maximum Monthly Average, Reported Value: 11.5, Comment: The last sampling event for the month had a higher than normal result. We had equipment issues and are sending that sample out to a different lab to compare results. We suspect this was inaccurate.
