Dear Customer:

This letter is in response to your request for information on the following products offered by The Chemours Company:

Viton™ GBL-200
Viton™ VTR-7564

Chemours does not use any of the materials listed in your email attachment as intentional component(s) of the products referenced above. Please note that we do not analyze our products for substances not purposely added.

This information is given in good faith and is based on data we believe to be reliable and on our current level of knowledge as of the date of this response. Therefore, we advise the recipient to request updates periodically. This information applies only to the specific material designated herein as sold by Chemours and does not apply to use in combination with any other material. It is provided at the request of and without charge to our customers. Since conditions of use and applications of above mentioned products are outside our control, Chemours makes no warranties, express or implied, and assumes no liability in connection with any use of this information.

I trust this information meets your needs. If you have any additional questions, please feel free to contact your Chemours marketing representative.

Sincerely,

A handwritten signature in black ink, appearing to read "Erica Corser", with a stylized flourish at the end.

Erica Corser
Product Stewardship & Regulatory Specialist
Viton™ Fluoroelastomers
