Dear Mr. Divozzo:

SUBJECT: Storm Water General Permit
Certificate of Coverage No. MIS111450
Designated Name: Wexford Co LF

The Water Bureau of the Department of Environmental Quality received on November 27, 2006, your Notice of Intent to be covered under the Storm Water General Permit (Permit No. MIS110000).

Please find attached Certificate of Coverage No. MIS111450 granting this request. If needed, a copy of the Storm Water General Permit can be obtained via the Internet at: (<http://www.michigan.gov/deq> and on the left side of the screen click on Water, Surface Water, and NPDES Permits; then click on "General NPDES Permits" which is under the Permits banner), or if you do not have access to a computer, you may call the following number to request a paper copy be sent to you: (517) 241-1346. This certificate of coverage takes effect immediately. The granting of this coverage under this storm water general permit establishes several compliance requirements which are detailed in the certificate of coverage.

The issuance of this permit does not authorize violation of any federal, state or local laws or regulations, nor does it obviate the necessity of obtaining such permits, including any other Department of Environmental Quality permits, or approvals from other units of government as may be required by law.

Based on the issuance of this Certificate of Coverage, your storm water discharge control facility is officially classified as an A.1.i, Storm Water Management Industrial Site. By letter dated November 27, 2006, Wexford County Department of Public Works submitted certification that their Storm Water Pollution Prevention Plan has been developed for the Wexford County Landfill. Please contact Garth Aslakson at 231-775-3960 if you have any questions.

Sincerely,
