UNITED STATES ENVIRONMENTAL PROTECTION AGENCY  
REGION 5

MEMORANDUM

DATE: APR 30 1998

SUBJECT: Administrative Order Compliance Status and Closure

FROM: William E. Muno, Director  
Superfund Division

Gail C. Ginsberg  
Regional Counsel

TO: David A. Ullrich  
Acting Regional Administrator

The Superfund Division and the Office of Regional Counsel have reviewed the status of each administrative order issued by the Superfund Division. Pursuant to that review, we have classified each Administrative Order on Consent (AOC) and Unilateral Administrative Order (UAO) as **closed**; **open, in compliance**; or **open, out of compliance**.

We are pleased to report that the vast majority of the six hundred (600) administrative orders are either **closed** or **open, in compliance**. Approximately thirty (30) of all issued administrative orders are **open, out of compliance**. We have referred nearly half of these matters to the Department of Justice. We will probably not enforce the remaining **open, out of compliance** administrative orders because of case specific circumstances such as the inability to pay of an individual party or small business. The Superfund Division will continue to coordinate with the Office of Regional Counsel to decide the appropriate enforcement strategy for these administrative orders.

We deemed an order **closed** if the requirements of the administrative order were satisfactorily completed and no further action or obligation is required by either the Region or any party to the order. We recommend that these administrative orders be closed "officially." A copy of the compliance status of all Region 5 issued administrative orders is attached to this memorandum; this list identifies as **closed** those orders with no continuing compliance issues and with all activities that the administrative order required completed. Therefore, this memorandum will serve to close those administrative orders. A copy of this memorandum will be placed in the administrative record for the appropriate sites.

To ascertain the compliance status of present and future administrative orders, the Superfund Division and the Office of Regional Counsel are developing new procedures to ensure that administrative orders are officially closed when all relevant activities and commitments are fulfilled.

If you require any further information on this project please contact Douglas E. Ballotti, Superfund Division, at 6-4752, or Sandra M. Lee, Office of Regional Counsel, at 6-6841.
